Mt. Albion Soldiers Tendered Reception

The most pleasant hours in the course of our lives are those spent in seeing our friends and making new acquaintances, but words fail to give adequate expression to our feelings for our soldier boys as they come home to us after suffering untold privations and hardships in our behalf, on the battlefields of France and Germany.

The home of Mr. and Mrs. J. W. Ballam, Mount Albion, was the scene of one of those happy reunions a few evenings ago, when the Mount Albion Red Cross Society, besides a large host of friends from surrounding districts assembled to welcome home from overseas their two sons, Corporal Cedric and Flying Officer Arthur also Lance Corporal Myrtle (Mrs. Cedric) and Lance Corporal Dewar who have been serving in Canada. It is a miraculous thing and certainly a great reason for gratitude on the part of those parents to have three sons one of whom enlisted at the beginning of the war and the rest shortly afterwards to take part in such a tremendous war, and return home apparently none the worse for their experiences.

After an interval of games, singing and friendly discourse, a splendid program was conducted by Rev. Sterling Stackhouse. Rev. E. R. McVicar, gave a fitting and impressive address which was followed in prayer by Sec'y, Donald Martin. Mr. Stackhouse read a beautiful poem of his own composition in keeping with the occasion. Hearty and humorous words of welcome also were extended by Messrs Earl Jenkins and C. A. Rankin. Mrs. Henry I. Jenkins read an address of welcome from the Red Cross and a generous purse was presented to each of the guests of honour by Mr. Alfred Maclean. Arthur on behalf of his parents, brothers, and sister-in-law expressed appreciation for this act of thoughtfulness. All joined in singing "For They Are Jolly Good Fellows." Miss Sue Jones presided at the piano throughout the program. A delicious lunch was served by the ladies and the memorable evening was brought to a close by singing, "Blest Be The Tie That Binds" and "The King."

We your friends and neighbors assembled here tonight to welcome you back home once more and to rejoice with you at your safe return. To look back those years since this terrible war started the time to some may seem short but to your family and friends the time passed very slowly, especially when we knew our Canadian boys were all to the back of us. We are proud to you all for leaving your home and loved ones, and going to fight the enemy in order that we would be able to keep our good British and Canadian flags flying.

Words are not adequate to express our appreciation of the services, but you may rest assured that your good friends will never forget the part you played in defeating tyranny and bringing freedom to a freedom loving world. And as God has watched over you, and brought you safely home to us, we ask you to accept this gift not for its worth but as a small token of our appreciation or all you have done for us.

Signed on behalf of your MT ALBION RED CROSS, FRIENDS AND NEIGHBORS

A WELCOME TO RETURNING BOYS AND GIRL. We are gathered here this evening, this occasion on which we rejoice, in the home where loved ones are united again. Where is joy in the sound of a voice.

Why should they not be happy? When the loved ones who gave up all to fight for home and freedom. To answer their country's call. Have again been restored to their midst. The war won, the battle is over. The victory, they have helped to win. Kept home with an open door.

The tyrant's heel will not invade. Your beautiful island shore, and to men like these brave lads, have made, Our freedom safe once more. On home front, and on foreign field. Each one has done his part. Against great odds, they fought and won. With willing hand and heart.

As we rejoice, and return our thanks. To our Heavenly Father above. For the safe return of these brave young men. To their home and the ones they love. Let us also remember to carry to them. The home with the vacant chair. The loved ones wounded in battle. Who is burdened with pain and care.

And remember the victory God has given. To us, through the brave and the true. Is ours to hold with unswerving faith. If not, we will prove untrue. Let us hold the banner of Calvary.

DONAGH WOMEN'S INSTITUTE

A very interesting meeting of the Donagh Women's Institute was held at the beautiful home of Mrs. Leo Trainor, Tuesday, the 2nd. In the absence of the president, Mrs. Mack Brasel, the vice-president, Mrs. Leo Trainor presided. The business of the evening consisted of an account of the standing of the Institute by the secy, Mrs. Patrick Trainor, showing much improvement to our school, the roof having been overhauled and completed with asphalt shingles, the old desks replaced with better ones and the whole interior of school redecorated and a balance to credit of \$44.00. It was also deemed well to call on Mr. and Mrs. Joseph Murnaghan in appreciation of valuable service rendered to this Institute by Mrs. Murnaghan, and present them with gifts. Mrs. Murnaghan was always first in any project to the welfare of Donagh Institute and her kind help in its several activities is appreciated. Other matters included an entertainment in school in near

future and a "get-together" for Herbert Trainor. Mrs. Mathias Koughan kindly asked the members to her home for next meeting. A sumptuous lunch was served by Mrs. Leo Trainor who has an enviable gift as a hostess.

-and WILL THEY STAND UP?

A definite "yes" is Firestone's answer to the second question. Wilbur Shaw, the famous race driver, proved it when he drove Firestone tires 500 miles at an average speed of 100.34 miles per hour over the Indianapolis Speedway. Not a blow-out or skid occurred in this gruelling test—equal to 50,000 miles of ordinary driving—made under supervision of the American Automobile Association in which Firestone tires taken from STOCK were used.

WHEN you can buy new tires depends largely on UNNRA demands and rationing authorities. But you can be sure that once Firestone is given the go-ahead signal our full production will be devoted to your needs. In the meantime, your nearby Firestone Dealer will gladly do everything he can to help you. See him today.
