FUNERAL YESTERDAY — The funeral of the late Alice Finley took place yesterday morning from her father's residence, Spring Park Road to St. Dunstan's Cathedral. Deceased was ill only a short time with the grippe when serious complications ensued and despite all that kind care could do her life could not be saved. Frank McQuaid officiated at the Cathedral and Rev. P. Duffy at the grave.

TEMPERANCE MEETING. — The meeting under the auspices of the Northern Branch of the Temperance Alliance in Mayfield Hall, on the 13th inst. was of more than ordinary interest, the use of liquor as a beverage was discussed and condemned also its use as a medicine is questionable. In the world of medicine now, alcohol had no place, its after effects are too dangerous, other stimulants are used when required. Resolutions were passed demanding more stringent enforcement of the Prohibition law and for more advanced legislation, anything short of Dominion wide prohibition is deemed as not being entirely satisfactory. Some advanced ideas as to the duties of voters were discussed and their effects on legislation. Particular mention should be made of a solo, and a temperance recital, that were exceedingly well rendered. A committee was appointed to prepare a program for next meeting on March 27th at 7.30 p. m.

FAREWELL CONCERT. — On Monday night at the new home of the Knights of Columbus, the local council tendered a farewell entertainment to five members who left for the mainland yesterday morning where they are to await orders to proceed to the front.
