Constipation

Fruit is nature's laxative. Plenty of fruit will prevent Constipation, but won't cure it. Why? Because the laxative principles of fruit are held in peculiar combination and are very mild.

After years of labor, an Ottawa physician accidentally discovered the secret process by which

Fruit-a-tives

or Fruit Liver Tablets

are made. He used fruit juices, but by combining them in a peculiar way, their action on the liver, kidneys, stomach and skin is increased many times.

"FRUIT-A-TIVES" TABLETS contain all the medical properties of fruit—are a mild and gentle laxative—and the only permanent cure for Constipation, Torpid Liver, Sick Headaches, Bad Stomach and Kidney Troubles.

All druggists have them.

50 cents a box.

Nine Nations

Now Use Ligozone. Won't You Try It—Free?

Millions of people, of nine different nations, are constant users of Ligozone. Some are using it to get well; some to keep well. Some to cure germ diseases; some as a tonic.

We Paid \$100,000

Ligozone has, for more than 20 years, been the constant subject of scientific and chemical research. It is not made by compounding drugs, nor with alcohol.
