**COULD NOT SWEEP FLOOR Was So Terribly Afflicted With Lame Back**

It is hard to do housework with a weak and aching back, and no woman can be strong and healthy unless the kidneys are well.

The weak, lame and aching back comes from sick kidneys and should be attended to immediately so as to avoid years of terrible suffering from kidney trouble. Mrs. Harvey W. Brownell, Northport, N.S., writes:—"I now take pleasure in writing you, stating the benefit I received by using Doan's Kidney Pills. About a year ago I was terribly afflicted with lame back, and was so bad at times I could not sweep my own floor. While looking through your B.B.P. Almanac I saw Doan's Kidney Pills were a great remedy, so I bought a box of two. After using five boxes I was completely cured, and I am very thankful to have found so speedy a cure."

Doan's Kidney Pills are 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. In ordering direct specify "Doan's."

**Hill of the Poison Plant.**  
Close to the frontier of Nepal is the mountain of Sandook-Phu, which means in the Tibetan language "the hill of the poison plant, or acornite. This plant is so abundant and so deadly in its effect that all sheep and cattle passing over the mountain are killed by their drivers. An English traveler saw at its foot great heaps of discarded bamboo muzzles. Curiously enough, only those cattle that are newly imported from the plains are fatally affected. The natives believe that the sheep of the district leave to shun the young leaves, which are the most virulent. A more likely explanation is that they grow habituated to the drug by taking it in small quantities.

**Dry Cleaning.**  
An excellent way to clean delicate lace or other articles at home, where washing is prohibited for fear of damage, is to take as much gasoline as will be thought necessary and mix it with it all the cornmeal it will absorb. Place the articles to be cleaned in a tight cloth bag, pour in the meal and gasoline and fasten the opening securely. Shake rub, pat and knead the bag thoroughly. Then fold up in a paper covering or tight box and let stand overnight. In the morning brush off the meal and hang in a shaded spot until the gasoline odor is gone. This method is simple, but very effective.

**Sunday Card Playing Laws.**  
There was a time when people in England were forbidden by law to play at cards, even in their own houses, on Sunday. In the royal proclamation against vice, profaneness and immorality, read at every session of court, is the following passage: "And we do hereby strictly enjoin and prohibit all our loving subjects, of what degree or quality soever, from playing on the Lord's day at dice, cards or any other game whatsoever, either in public or private houses or other places whatsoever."

**A Witty Reply.**  
Dr. Reid, the celebrated medical writer, was requested by a lady of literary eminence to call at her house. "Be sure you recollect the address," she said as she quitted the room—"No. 1 Chesterfield street."

"Madam," said the doctor, "I am too great an admirer of politeness not to remember Chesterfield and, I fear, too selfish ever to forget No. 1."

**Street Names From Dickens.**  
Although Dickens is commemorated in street names abroad, there is no street named after him in London. But there is a near approach to it in Coppenfield road, Stepney, not far from the People's Palace, and to prove that this was inspired by David Copperfield, we find a Dora street and an Agnes street in close proximity—London Chronicle.

**Jamaica.**  
Jamaica discovered in 1494 by Columbus was originally called Xaymaca (land of wood and water).

**Are You Dyspeptic? Have You Seen Our Crown Line Carriages?**

The Crown Line of carriages made by the Heney Carriage Co. of Montreal is winning praise and admiration from all critics. **Pen-Angle Sweater Coats**

EXAMINE one at your local merchant's and you will agree that nothing you own is more beautifully made nor more exquisitely finished. Try one on, and you see that it has the snug, stylish fit your taste exacts. Subject it to hard wear and learn that it retains its new, smart shapeliness. It must do that, for our Pen-Angle knitting process shapes these improved sweater coats into permanent fit. Thus they cannot become saggy or ill-fitting, as many garments do that resemble them in appearance only when brand-new. You will be lastingly satisfied with the sweater coat that bears this trademark.
