SYSTEMS USED TO TREAT ANAEMIA

BALTIMORE, Feb. 6.—Those green-tinted oysters which have been spurned for years by the epicures because of their color have at last come into their own through their medicinal properties, it is announced by Swebson Earle, State Conservation Commissioner.

It has been discovered that this type of bivalve is one of the best preventatives of and treatments for anaemia which has been found by the medical profession in recent years, the commissioner stated.

Experiments conducted by Dr. H. D. Pease, Director of Research for the Oyster Growers' and Dealers' Association, in his laboratory, have revealed that the green oysters contain much iron-copper-manganese and works almost miraculously in building up the hemoglobin content of the blood.

According to other research workers, the oyster, because of the enormous quantities of iodine which it contains, has been successfully used to combat goiter.

Mr. Earle declared that the United States Bureau of Fisheries is making a number of experiments and investigations on the oyster as a food and will shortly reveal some other valuable properties that are still hidden secrets of the bivalve.

The new discovery by Dr. Pease the commissioner said, should be of considerable value, as the state has thousands of acres of natural oyster bars, where the green oysters grow in great abundance.

Mrs. Gordon Burns, Lower Freetown, P. E. I.
Dear Mrs. Burns,—The members of the W. M. S. wish to convey to you our heartfelt sympathy in your recent sad bereavement. Although your father had reached the allotted span and the end not unexpected, yet we know the parting gives you loneliness and sorrow.

But knowing your faith in your Heavenly Father, we realize that you will consider it but another link in the great chain drawing you towards your Heavenly Home where partings are no more.

In loving sympathy,
The W. M. S. of the United Church, Freetown.

GRAND CONCERT AT SOURIS

As already announced through the press the drawing of prizes offered in the lottery in aid of St. Mary's Church took place on Feb. 3rd. At an early hour that evening the crowd began to assemble in the B. I. S. Hall, so when the curtain rose nearly every available seat in that spacious hall was occupied.

For the most part those present came hoping that fate might be kind to them and that they might carry off one or other of the valuable prizes. Some, however, had heard some reports about the program and followed the crowd. If many were disappointed by their lack of success in the first instance, all were pleased with the quality and variety of the evening's entertainment.

All those taking part were grateful to Rev. Bernard Gillis for his valuable assistance, and the audience demonstrated without doubt that Fr. Gillis was welcome. To Fr. Gillis, Dr. MacDonald, the members of the Legion orchestra, Mrs. W. J. Paquet the accompanist, and all those taking part in the entertainment, those in charge of the lottery are grateful.

SIXTY PERSONS INJURED

MEXICO CITY, February 6.—Sixty persons were injured, several seriously in a panic at the Sacred Heart Cathedral in Guadalajara Sunday. The panic was occasioned by collapse of a building adjoining the Cathedral which was crowded for noon mass.

Twelve persons, including several women and children, were taken to hospitals in serious condition. The others injured are being cared for in their homes.

Mothers' Best Friend—Keeps the Kiddies Well

"My stomach was full of gas; it was noisy before and after meals. Often I had considerable pain and distress. I found that twenty drops of Nerviline in sweetened water always brought quick relief. For colic, diarrhoea, nausea, I have found Nerviline a perfect wonder. In our home it is used to prevent and overcome a host of minor ills. For the children's croupy colds, for sore throat, for muscular pain, lame back, rheumatism, Nerviline is a marvel." This was the experience of N. E. Normand, Chester P. O. —SAVAGE HARBOR DEBATE—The members of the Savage Harbor Debating Society met in the school-room, Jan. 29th, to discuss the following subject "Resolved that the benefits resulting from the Great War Out-weigh the losses." Although the state of the roads was not very favorable for travelling, a large and appreciative audience was in attendance and vowed that such a debate was not excelled in that section for many years. The subject was ably and thoroughly discussed by both parties, with bursts of oratory that would make the orators of old sit up and take notice. The pro side claimed that the League of Nations to converse peace was formed as a result of the war; while the con side claimed that many countries were involved in bed as a result of the great conflict. After much discussion on both sides, the judge decided in favor of the Con. Following are the speakers: Pro, C. A. Morrison, A. D. Feehan, P. L. Coffin, W. H. Coffin. On the Con, Orr McCann, C. H. Morrison, Allan Morrison, C. Pink. Judge J. D. Morrison.

GERTRUDE HANNAH REDDIN

In the presence of her family, and strengthened by the faith that had been hers, Miss Gertrude H. Reddin passed away on January 29th, at the residence of her brother, Arthur W. Reddin, 1959 Culp Street, Niagara Falls, Ontario.

Miss Reddin was the eldest surviving daughter of the late James Reddin, Esquire, and of Louisa Anna Matthews of Kew Surrey, England. She was born in Charlottetown and had lived there all her life prior to moving to Ontario with her brother and sister in 1913. Old friends in the Island Capital and other parts of the province will mourn her passing.

as do the many friends she has made in Niagara Falls during the past decade and more. She had a warm heart for the suffering, and in fact a tender feeling for all God's creatures. Her sense of duty was strong yet unmarred by sternness and she had a bright smile for all who had met her. Her lovely and serene temperament will linger long in the memories of those she has left behind.

They include Arthur W. and Miss Helen Reddin of Niagara Falls, Ontario; Mrs. W. H. King of Rosbury, Mass., a niece Mrs. L. Leonard of the same city; Mr William J. Pitts of Orillia, and Mr John M. Pitts of Toronto, Ontario, both nephews; a niece, Mrs. Simon Paoli of Charlottetown; Messrs James D. Williams, Frederick, and John Reddin of Southport.

The funeral took place on January 31st, from Our Lady of Peace Church to Fairview Cemetery, and was largely attended.

Joan: "Mummy was busy and didn't come heaven?"
Mother: "Yes, dear."
Joan: "They do like to have quiet up there, don't they?"
