Sport Echoes From Prince County

What looked to us like an un-
usual play occurred in the second
frame between MacLean and Curran
& Briggs. With two out and
Summerside runner on third and
two strikes on the batter, the run-
ner dashed for the plate. Just be-
fore he arrived the pitcher threw
a strike but the catcher
dropped the ball. After the runner
crossed the plate, the catcher pick-
ed up the ball and threw the other
runner out at first. We argued and
were willing to bet our shirt that
the run should have scored. After
some sober reflection and a glance
at the rule book we have come to
the conclusion we would have lost
the shirt if anyone had taken us
whenever the ball thudded into
the catcher's mitt and fell out the
play that finally retired the side
was on, and as the runner scored
during the play his tally did not
count. Jack Schurman maintained
this from the first and since we
get after the umpires every chance
we have in interpretation of rules,
we think it only fair to let the
umpires know that the next time
you criticize an umpire for get-
ting one wrong.

Now that we've paid our debt to
the umpires here's for another
crack at the gentlemen who win
all the arguments with ball-players.
This one is not directed to any
particular umpire but to the whole
caboodle of them in this neck of
the sporting world. We think most
of them are a bit fat on interfer-
ence plays. We've seen some pre-
tentious cases of deliberate inter-
ference go unchallenged by the
umpires even when the opposing
side protested vigorously. We've
long ago saw a runner go down
to second holding his hands high
in the air in an attempt to pre-
vent a double play. The umpire
killing was choked off and the
runner committing the offence got
away with it. We know the big
league will sometimes go into
second as roughly as possible in
to try to throw the pivot man in
a double play off stride but they
have to be pretty subtle about it.
They wouldn't dare try anything
as obviously illegal as the player
mentioned above did. Clumsy ef-
forts to knock the ball out of the
batter's hands, efforts to be seen
clearly by anyone in the stands
are apparently not seen by the
umpires. At least, nothing is
done about it. Quite recently we
seen a runner coming home check-
ed by a fielder very much the
same as a hockey player going
off the blue-line, but the umpire
shut his eyes to the infraction.
The umpire cracked out a homer
and two doubles in five trips to
the plate and handling six chances
flawlessly afield. U. Cameron and
F. Fitzgerald also contributed three
hits, while DesRoche played a
steady game behind the plate.

For the Grand River team,
which was re-organized after a
year's lay-off which is com-
prised of many young players, V.
Morrison played a good game
behind the plate, while B. McDougall
pitched well but was the victim
of many errors on the part of his
teammates.

Alan Stewart is burning up the
Summerside Town League with his
hitting. He's away out in front
and will be hard to overtake in the
race for the Grand Trophy.

URGED TO CUT TAXES
WASHINGTON, June 20 (—OP)—
The United States today was
urged to repeal war-imposed excise
taxes on things such as jewelry, luggage,
furs and cosmetics. Representative
Joseph W. Martin (Rep-Mass.)
said existing high rates are hurting
business and contributing to un-
employment. He cited Canadian
jewelry sales as an example of
what repeal would do, saying they
had increased greatly since Can-
ada's 25-per-cent jewelry excise
tax was eliminated.

Newly Ordained Priest Celebrates His First Mass

On Sunday morning Rev.
Thomas R. McKenna, S. J., cele-
brated his first Solemn High Mass
in St. Peter's Church, Seven Mile
Bay.

Father McKenna, who is a son of
Mr. and Mrs. Swithin McKenna,
Oshelton, was ordained on Thurs-
day, June 16th, in the Cathedral of
the Immaculate Conception, Saint
John, N.B., by Most Rev. Bishop
Bray on his father's seventeenth
birthday.

Father McKenna was assisted at
his first Solemn Mass by Rev. Wil-
liam Dorrice, C. S. S. R., as deacon
and by Rev. Ronald Delaney, C.
S. S. R., as subdeacon. Two fellow
Seminarists, Ronald Logan of
Saint John, N.B. and Martin Ken-
ny of Baltimore, Md., acted as
master of ceremonies and censor
bearer respectively. Rev. W. V.
Mozghan of a deacon preached
the sermon. Also present were the
pastor, Rev. W. V. MacDonald and
Rev. F. Cass.

At the conclusion of mass the
trustees of the parish, Messrs.
Arthur Green, George Ehry and
Frank Murphy, approached the
altar rail and sang a congratulatory
address was read by Mr. Green and
Schurman won that round. The
thing looks pretty obvious to us
now, but it is easy to get confused
on these matters in the heat of ac-
tion. Remember that the next time
you criticize an umpire for get-
ting one wrong.

Mr. Wallace Yeo of the Cana-
dian Army, stationed in New-
foundland, is spending a furlough
with his wife and family in
O'Leary.

Mr. and Mrs. Arthur Cornish of

Kensington on Sunday.

Mr. Heber Profit of Rosebank
is visiting in York the guest of her
parents and friends.

Mr. Wallace Yeo of the Cana-
dian Army, stationed in New-

were visiting in O'Leary on Fri-
day the guest of Mr. and Mrs.
Wallace Yeo.

Misses Elaine MacLeod and
Fern Oulton who are employed at
the Summerside Telephone Ex-
change spent the weekend at
their home in the Brae.

The many friends of Mrs. Elmer
Knolin of Bloomfield will be
sorry to learn that she is con-
fined to her home. She is under
the care of Dr. George Dewar of
O'Leary and a registered nurse is
in attendance.

Mr. Robert Justice of Coleman
who has been seriously ill with a
stroke and has been a patient at
the Western Hospital in Alberton
for several weeks, is now con-
valescing at his home. His many
friends wish Mr. Justice a speedy
recovery.

Mr. and Mrs. A. J. Matheson of
O'Leary and Mr. and Mrs. Errol
Stetson of Unionville and Mr. and
Mrs. Reginald F. MacAusland of
Bloomfield will represent the
O'Leary pastoral charge of the
United Church at the annual
Maritime Conference which takes
place in Sackville, N. B. June 14th
to 19th.

Rev. Blair B. and Mrs. Colborne
and Mr. Ralph MacLellan of
Springfield West represent the
West Cape pastoral charge at the
Maritime Conference and from
the Alberton charge Messrs Russel
Leard and Murray Gordon will be
the representatives.

The main street of O'Leary in
the business section is in need of
repair as the pavement has been
badly broken up and the road
has many big potholes. There is
a great deal of traffic on this
road and it is hoped the authori-
ties will be able to repair it be-
fore the tourist season begins.

Messrs. William and Allison
Turner, sons of Mrs. William
Turner of O'Leary and students at
Mount Allison University, Sack-
ville, N.B., left on Sunday, June
12th for the College Town as they
are members of the cast of the
College Play put on by the Choral
Society on Monday, June 13th in
Sackville for the Canadian Man-
ufacturers' Association convention
which had been meeting in Sack-
ville, N.B.

Misses Hester Boates and Olive
Jelly are planning to attend the
Young People Camp at Augustine
Cove during the first week of
July, under the auspices of the
Maritime Religious Education
Council in which the Young Peo-
ple of the United and Baptist
Churches of the Island will join.
The girls will represent the
O'Leary United Church Young
Peoples Union.

Little Karol Bernard, small
daughter of Mr. and Mrs. Lewis
Bernard, O'Leary, underwent an
operation at the P.E.I. Hospital
in Charlottetown on Friday for
an injury to her thumb received
several weeks ago while roller
skating when she fell and badly
hurt her thumb. Karol's many
friends wish her a speedy recov-
ery. She returned to her home on
Saturday, June 11th accompanied
by her mother and father.

Neon signs and lights have been
installed at the Dingle Restaurant
in O'Leary owned by Mr. and Mrs.
Albert Noonan. It is certainly
very attractive and with the other
firms who have recently installed
Neon signs are helping to brighten
the ever expanding business
section of O'Leary. The other

Former S'Side Man Director Of Street Railway

Word was received in Sum-
merside yesterday that Mr. C. L. Bacon,
formerly chief engineer of the
Summerside Electric Light Plant
and now manager of the Cornwall
(Ont.) Street Railway Light and
Power Company had been made a
director of the company. This was
announced by Mr. E. R. Alexander,
vice-president of the company in
his address to civic industrial and
labor heads in the Cornwallis Hotel
a few nights ago.

Mr. Bacon went to Cornwall in
1938 as assistant manager to the
late W. L. MacFarlane. He received
part of his early education at
Prince of Wales College, Charlottetown
where he took a pre-engineering
course at Dalhousie University
and in 1934 was granted a Bache-
lor of Science Degree in electrical
engineering at the Nova Scotia
Technical College.

Many old friends in Summerside
will be pleased to learn of Charles'
important position and join in
extending to him and to Mrs. Bacon
sincere congratulations. Mrs.
Bacon was the former Inez Bell,
daughter of Mr. and Mrs. G. W.
Bell, Summerside. — S.

Wellington Wins
Prince County
League Opener

The 1949 Prince County Base-
ball League got away to a start
on Sunday afternoon, June 12th
when the defending champions,
the Wellington Dodgers, played
host to the Grand River nine, and
came out on the long end of the
score 21-7. Due to the lack of
practice the boys committed a good
many errors, but on the whole
the game was greatly enjoyed by
the large attendance of fans.

B. Ayers was the stand-out for
Wellington, cracking out a homer
and two doubles in five trips to
the plate and handling six chances
flawlessly afield. U. Cameron and
F. Fitzgerald also contributed three
hits, while DesRoche played a
steady game behind the plate.

For the Grand River team,

THE MIRACLE OF THE BELLS
HAILED AS STIRRING PICTURE
—Eagerly awaited by film-goers,
the Jesse L. Lasky-Walter Mac-
Ewen production of Russell Jan-
ney's "The Miracle of the Bells" has
reached the screen with Fred Mac-
Murray, Vally and Frank Sinatra
co-starring in the appealing story
of an actress' pathetic last wish
and its surprising fulfillment.

Russell Janney's popular novel,
still high on the best-seller lists, is
produced as an absorbing piece of
entertainment. MacMurray has the
role of the Hollywood press-agent
who brings an obscure actress to
short-lived fame, and after her
death takes her body back to her
native Pennsylvania coal-mining
town for a sensational burlesque
opera, portrays the sympathetic
priest of the little church there.

Vally, the talented Italian ac-
tress, makes her second American
appearance, as the Polish heroine
whose dying request has startling
results. Lee J. Cobb and Harold
Vermyles are featured in support.

The press agent's effort to get the
girl nation-wide recognition by
tolling all the church bells in town
for three days, leads to the stir-
ring climax in the crowded church
when the "miracle" occurs that
gives the story its title.

Ben Hecht and Quentin Reynolds
wrote the screenplay for the RKO
Radio release, and the picture's
settings include Hollywood studios,
offices and apartments, mid-western
theatres, and the dingy struc-
tures of Coaltown.
