BIG GOOD VALUES

Last season I advertised a list of stocks for sale giving the Old Gold and Primrose shares a first place. Now we have the OLD GOLD actually shipping from a 5 ft. vein of ore, the solid ore running \$125.00 to the ton.

The Primrose has just struck a beautiful vein of ore running \$180.00 in gold to the ton besides silver and lead.

The railway is finished to within 4 miles of the lake and freight is actually being accepted for the Lardau on the line.

Full copies of the Reports will be gladly sent to anyone interested and applying for same.

This is one of the best chances I know of just now for good investment.
