Escape Painful Sunburned Lips

Relieve Soreness Instantly

Sore, cracked, sunburned lips make life miserable in summer. Painful and unsightly, their cracked, rough surfaces are easily infected. Don't run this risk! Prevent sunburned lips with Lypsyl. It acts as a protective film between the delicate lip-skin and the burning rays of the sun. Its wonderful emollient action protects the delicate membranes from chapping caused by wind and water, so lips stay smooth and soft. When lips are already cracked, Lypsyl gives quick relief, seals the wounded membranes against dangerous germs, hastens natural healing. Get Lypsyl at your store today and use it regularly. Sold everywhere in handy stick form.

The People's Rights

ONE of the fundamentals of human liberty is the right of the individual to choose his own method of seeking health. It is a right which equals that of the freedom of the press, freedom of speech and freedom of worship.

The people of Canada are therefore deeply concerned about any Federal or Provincial legislation which transgresses on this fundamental privilege of a liberty-loving nation.

CANADA'S HEALTH INSURANCE ACT

Under the proposed Health Insurance Act, Canadians may not seek the aid of any health practitioner other than a medical man. Yet two million Canadians depend on Chiropractic for health and desire Chiropractors as health advisors. On our own behalf we seek no special legislation or special privilege, but ask only that the sick have the right to get well by whatever method they desire. We, as voters, and as taxpayers, and as citizens look to the Government of Canada to uphold our liberties.

WORLD'S SECOND LARGEST HEALING PROFESSION

During the span of 50 years the Chiropractic profession has so increased in public service, the result of years of practical experience, that today it stands as the second largest profession in the world engaged in the protection and restoration of health.

Almost every known disease, from the common cold to that of infantile paralysis, has successfully responded to Chiropractic treatment. Many of the most stubborn diseases with which people are afflicted, have responded readily to Chiropractic treatment.

PHYSICAL FITNESS AND THE WAR EFFORT

With physical fitness playing such an important part in Canada's War Effort and in public welfare in the post-war period, the inclusion of Chiropractic in the Health Insurance Act is a vital issue. It affects not only those now in Canada, but the men and women of our armed forces who will return from overseas to take up civilian occupations when the war is over.

With a sense of their responsibilities to Canada's Health program, Canadian Chiropractors, early this year, organized the Canadian Chiropractors' Association, with offices from coast to coast. The aims of the Association are to broaden and enlarge the scope of treatment and to extend the science of the profession further afield for the benefit of all Canadians.

NO MYSTERY ABOUT CHIROPRACTIC TREATMENT

The Chiropractic method for the maintenance and restoration of health is one of the simplest forms of treatment known. Its principles are without mystery to the skilled Chiropractor. The success of Chiropractic treatments is based upon the knowledge that the health of the body depends fundamentally on the flow of vital force and energy through the nervous system to all organs of the body. Chiropractic treatments act instantly upon the source of the ailment and charge the affected parts with vital force.

CHIROPRACTIC TREATMENTS PROVEN

Countless thousands have found health through the offices of trained chiropractors. A survey of 93,039 cases, treated by 412 Chiropractors, reveals a record of 85.15 percent recovered or greatly improved. This record is all the more remarkable when it is considered that in this survey are many thousands of "last resort" cases, representing chronic conditions that have stubbornly resisted other methods of treatment.

IS THIS THE PEOPLE'S WILL?

The National Committee under the proposed Health Insurance Act will consist of at least 13 medical doctors, including the Director of Health Insurance, the Deputy Minister of Health and the Chief Administrative Officers of Health Insurance in each province. Is this the choice of the voters and taxpayers of Canada, regardless of what party they belong to? We do not think so. We are spokesmen for more than two million Canadians who today depend on Chiropractors to keep them healthy and fit. We are wholeheartedly in support of all social legislation for the benefit of the Canadian people.

CHIROPRACTIC REQUIRES COLLEGE DEGREE

The Chiropractor receives four years of college training and is taught to diagnose. On graduation, he is expert, experienced and skilful in all branches of the profession. His knowledge in his own calling is equal to that of any other professionally-trained man.

Since its discovery in 1895 by Dr. D. D. Palmer, Chiropractic has deserved the confidence and respect with which it is held among all branches of the science of healing.

We believe that we speak for the Canadian people as a whole when we say that we should all be allowed the same right to choose our health advisor as we now exercise in the choice of our spiritual advisor. We do not ask for special privilege. We stand for the people's rights—the rights of the sick to get well by whatever method they may desire.

DOMINION COUNCIL OF CANADIAN CHIROPRACTORS

President Walter Sturdy, D.C., Vancouver, B.C.	Vice-President J. A. Schnick, D.C., Hamilton, Ont.	Secretary-Treasurer J. E. Chebina, D.C., Toronto, Ont.	General Secretary and Counsel John S. Burrows, Vancouver, B.C.
J. N. Halderman, D.C., Regina, Sask.	G. E. Messinger, D.C., Calgary, Alta.	J. E. Gaudet, D.C., Montreal, Que.	F. B. McIlrea, D.C., Winnipeg, Man.

Rommel Is Villain Of Film At Prince Edward

"Five Graves To Cairo" Top Adventure Romance

The was has yielded many thrilling stories for books, stage and screen so far, and there will be many more to come, but one of the most intriguing ideas yet filmed seems to be that contained in Paramount's new adventure movie, "Five Graves to Cairo," which today the Prince Edward Theatre brings to its screen.

The title itself is one to pique the curiosity and from all accounts the story lives up to the interest it creates, having as it does for background the titanic struggle in Africa between the British Eighth Army and Rommel's Afrika Korps. The "Five Graves to Cairo" is Rommel's secret—a secret stumbled upon in the picture by a British tank corporal in the person of personable Franchot Tone.

As the story unfolds, Tone, delirious from sunstroke, stumbles into what he believes to be a British-controlled hotel only to find that it is about to become staff headquarters for Field Marshal Erwin Rommel. He disguises himself as a waiter, with the help of Akim Tamiroff, Egyptian hotel owner, and a little French chambermaid, played by Anne Baxter. When Rommel moves into the hotel with his staff, Tone is amazed to be accepted as one of the Nazis, a trusted advance fifth-columnist.

How Tone acquires the secret of the "Five Graves to Cairo," and manages to deliver it to the British authorities provides plenty of excitement and gives "Five Graves to Cairo" the reputation for being one of the best of the recent war-time background adventure films. It marks the return of Erich von Stroheim to Hollywood in a role that is probably the best he ever had—that of Field Marshal Erwin Rommel.

Krimer-Wisner Wedding

(Ottawa Journal, July 3)

St. Joseph's Church was adorned with pink and white Canterbury bells and white gladioli with bankings of ferns and palms for the wedding at eight o'clock this morning of Eileen Margaret Wisner, daughter of Mr. and Mrs. J. C. Wisner of Vernon River, P.E.I., to Clement Edward Krimer, son of the late Mr. Edward Krimer, of Waterloo, Ont. Rev. J. R. Birch, performed the ceremony.

Mrs. J.L. Guegnon played the wedding music softly through the ceremony.

The bride was given in marriage by her father and was attended by Miss Eileen Derrick. Mr. Frank Moynahan was best man and the ushers were Mr. Louis Gagne and Mr. Henry Page.

The bride wore a gown of lily white chiffon over taffeta, gathered softly at the bodice into a "V" neckline and the full skirt falling from the shirred waistline. Her finger tip length veil of tulle illusion was held in place with a heart shaped halo and she carried white gladioli and Rapture roses in shower.

The bridesmaid wore a floor-length model of mist blue chiffon in the new long torso effect and high neckline with tiny covered buttons down the back. Her pleated net halo held in place her veil of tulle and she carried an arm bouquet of Johanna Hill roses and baby's breath.

Mrs. Wisner, mother of the bride, wore a navy blue sheer crepe with a navy blue Baku straw hat and a corsage bouquet of Sweetheart Roses.

Following the ceremony, a reception was held at the home of Mrs. James O'Regan. Later the couple left for Toronto, Buffalo and Niagara. The bride travelled in a black and white fine sheer crepe with a large black felt hat, matching accessories and wore a corsage bouquet of white carnations. They will take up residence at Waterloo, Ont.

Out of town guests were Mrs. M. G. Macdonald, Miss Irene Macdonald, of Montreal, Senator John A. Macdonald, of Cardigan P.E.I.

IN MEMORIAM

In memory of Mrs. James Smith who died July 7, 1939.

God dear Mother, gone forever How we miss your smiling face But you left us to remember None on earth can take your place. A happy home we once enjoyed How sweet the memory still But death has left a loneliness The world can never fill.

Inserted by Her Husband and Family.
