Pale? Thin? How is it with the children these days? Have they plenty of grit, courage, strength? Or are they thin, pale, delicate? This reminds you of Ayer's Sarsaparilla. It does great things for children. It gives them a good appetite, improves their digestion, builds up their general health. Ask your doctor if he endorses this. We have no secrets! We publish the formulas of all our medicines! J. C. Ayer Co., Lowell, Mass.

BAKER'S ACTION PRIMER. By Thomas O. Baker, Pd. D., Ph. D., Principal of Public School No. 128, Brooklyn, New York. Cloth, 12mo., 112 pages, with illustrations. Price, 25 cents, American Book Company, New York, Cincinnati, and Chicago. Children love action, and learn most rapidly through their chosen activities. This Action Primer is admirably adapted to meet their wants in this respect. The attractive illustrations are pictures of children and animals in lively action. Many of the actions can be performed in the class room, thus holding the interest and attention of the pupils. The text is progressive, introducing not too many new words, and reviewing sufficiently. It is suited for teaching by the word and sentence methods, and involves also some application of phonetics. Nursery rhymes and poetry from a large part of the contents, and script sentences are given for the pupils to copy.

APROPOS of the proposed changes in the business site of the Davis & Fraser plant, Halifax, the Maritime Merchant says: "In a short time we will be much better situated for the handling of our business than ever before," said J. T. Fraser, of Davis & Fraser, Pork Packers, Halifax. "We have secured a splendid site nearer the centre of the city and expect the necessary buildings and plant completed and ready for occupancy in November. The new location is in close proximity to the grain elevator and extends through from Lockman to Upper Water street, with the opportunity of a railway siding to the door. With our experience of the requirements of the business we hope to have facilities that will be fully adapted to our needs. The old location at Campbell Road had its inconveniences, chief of which arose from the distance from the city wholesale houses. After November we hope to have business running very smoothly in our new premises."—The Charlottetown branch of the business, will not in any way, it is understood, be affected by the change. Davis & Fraser are deserving of success and doubtless will meet with it in the future in increased measure.

THE LABARRE BROS., Minstrels who appear in the Opera House tomorrow and Friday evening are old favorites and should meet with a large audience. The clipping taken from a Manchester, N. H., paper says:—The LaBarre Bros., Minstrels gave us a fine entertainment last evening and merited a good attendance. The theatre was comfortably filled, and we noticed many faces that we seldom see in attendance as a rule, and if every program offered to the patrons of the theatre could be as clean and legitimately offered as was the minstrels last evening, there would never be a lack of patronage. The company was recommended to us through the press of other cities where they had appeared, and consequently a good-sized audience turned out. The LaBarre Bros., should feel quite proud of it, for there were in attendance many who do not actually attend the theatre. We have not space to speak in detail of individuals but will say that each and every member did their part well, and the company is one of the best that we have ever had here. The LaBarre Bros., has been known to us for years, and we remember them when they used to go down through the barrels and tie themselves into knots. We have not forgotten their performance of those days. They have since travelled in many different countries, and with the leading companies, and have made many friends who wish them success in their venture.

WILLIAM MCKENZIE, formerly of D. G. Cameron's store, Montague, now of Smith Bros, Halifax, arrived in Montague last evening on a short vacation.

THE annual school meeting of the Montague School district held yesterday was very well attended and passed off quietly. Everything was conducted in a business like manner. The amounts voted were running expenses $224, an increase over 1905 of $10. Supplement $205, a decrease from last year of $25, in the principal's department. The retiring trustee was C. B Fraser and the new trustee is William Lemon.

A TRAMP was seen loitering in the vicinity of Cable Head last Sunday evening and when George McKenzie went to his barn Monday morning, he found to his surprise that one of his horses was stolen. The last time the tramp was seen was early Monday morning, crossing St Peter's Bay bridge on horseback. As far as Mr McKenzie can learn, he is described as about 65 years of age, about 5½ feet tall, sandy complexion, and weighing about 200 pounds. The owner will be glad to learn of the tramp's whereabouts.

HOW TO CURE TOOTHACHE.

Any aching tooth can be relieved instantly with Nerviline. Fill the cavity with batting dipped in Nerviline and rub the gums with Nerviline also. If the face is swollen and sore bathe the painful parts with Nerviline and cover with a flannel. This can't fail because Nerviline kills the pain outright and prevents it from returning. Stronger, quicker, more satisfactory than any other liniment, Polson's Nerviline has been the largest seller for nearly fifty years; try it yourself.
