## NOTICE !

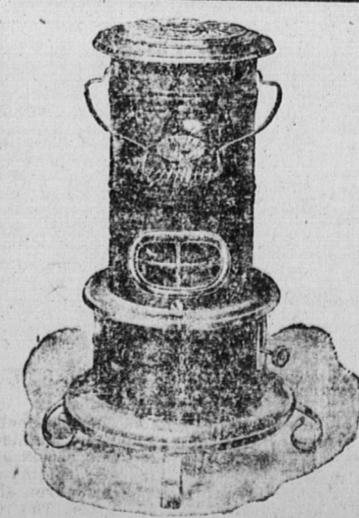

We will commence taking dressed hogs on Tuesday next, 9th inst. We would caution farmers against marketing unfinished hogs as this has a tendency to cause dissatisfaction between buyer and seller, and as the product of such hogs is inferior it must result in lower prices being paid.

It is important that all carcasses be allowed to hang over night in a cool place before being handled for market.

No heavy hogs should be killed until weather becomes colder.

## These Chilly Evenings Necessitates your Buying an Oil Heater

For the room that requires only occasional heating, and in the chilly evenings when your regular Heater doesn't reach the odd corners, have a "PERFECTION" Oil Heater handy.

## HAVE A PERFECTION OIL HEATER AT HAND

They are entirely smokeless—that they cannot smoke, because the burners are equipped with a patent device so adjustable that the wick cannot be turned up to the smoking point.

They give a lot of heat, and can be carried easily to where ever needed.
