Pioneers And Wings Again Battle To Draw

Daly of the Red Wings and Schurman of the Pioneers again hooked up in a pitchers duel here last night in a game which was practically a repetition of last Thursday night's encounter. The Pioneers garnered the odd hit off Daly while the big Rd Wing struck out one more batter than his opponent. The Pioneers committed four errors to the Red Wings one and but for Schurman's perfect control and ability to bear down in the pinches these might well have given the Wings a victory.

The Red Wings scored both their runs in the third, Phillips and E. Ward crossing the plate. Warren started off the inning and flied out to the pitcher. Phillips drew a walk and E. Ward then lifted a fluke home run over brother Cecil's head to drive in both the runs. Crossman struck out and Daly flied out to first to end the inning.

The Pioneers came back strong to get one tally in their half of the stanza. DesRoches was first man up and he struck out. Dodds drew a walk and advanced to second on a wild throw to first. Schurman sacrificed to second and Dodds held up at third. McCabe now drove a sharp single through short and third and Dodds score. Ward was out, short to first on a very close play to end the inning. Larkin tied the game up in the fourth when he doubled to right and Millman also came through with a double to drive him in. Davie is at the present time the leading batter in the league with an average between 350 and 400. Lidstone made a beautiful catch of Dodds' hard drive to left to end the inning. At first it semed as though Dave would not make the catch and with runners on second and third it would have given the Pioneers a commanding lead but he came over to centre field and drew an enormous ovation as he made the put out. Schurman got into trouble in the fifth when Warren was safe on McCabe's error and Phillips doubled to put runners on second and third with one out, however, the game little hurler displayed his ability and cooly struck out Ward and Lidstone.

The series still stands deadlocked at one game each and will be continued on Monday evening. The boys have been greatly encouraged by the increased attendance of late and hope to see still more at future games. Efforts are being made to have the games get away at 6.15 and good baseball is assured.

Johnson And Binns Capture Island Titles

Rugged Fighting Witnessed Last Night In Island Boxing Tournament — Winners To Compete For Maritime Titles.

Two Island boxing titles were decided at the tournament staged last evening in the Lyceum Hall with Jack Johnson of Morell punching his way to a close decision over Hickey Nickerson in the welterweight division while Benny Binnis hard-hitting City middleweight retained his Island crown by disposing of Dave McNeill of Summerside via the knockout route early in the second round of their battle. To the winners go the honor of representing the Island Province at the Maritime Boxing Championships at Sydney and on their performances last evening both boys should give a great account of themselves.

Failure of several boxers to appear for their bouts cut down the classes to two but this was in no way the fault of the management who had taken the entries in good faith. The bouts that were on the card provided plenty of action throughout and to say the least were crowd-pleasing. Frequent delays however and several arguments that cropped up proved very irksome to the fans in attendance and spoiled to a certain degree the evening's program.

Welterweight Division

The first bout of the evening was an exhibition affair between L. Yorston of Georgetown and Jack McDonald and after three rather tame rounds was declared a draw.

In the first preliminary of the night "Flash" McDonald of Charlottetown drew as his opponent young Hickey of Kensington both boys weighed 147 pounds. The scrap proved to be a slugging match all the way through. From the opening gong the boys just stood in the centre of the ring and let fly. So fast was the clip that before the rest bell the battlers were literally out on their feet from their exertions. The round was even.

It was just a continuance of the opening round during the second with McDonald standing the heavy going the best and earning a slight margin on points. In the third however it was Hickey's turn to force matters and in the slugging bee forced the fight an extra round to determine the winner, McDonald closing fast to cop a hairline decision.

Non-appearance of Tiger Pasher of Charlottetown for his bout with Jack Johnson of Morell saw him forfeit his chance and McDonald, after a lengthy rest took on the Morell battler in what proved to be the best fight of the evening. Starting fast both boys waded in with fists flying with reckless abandon. After a minute and a half of even fighting Johnson connected with a right and left to his opponent's jaw for a knockdown and the nod on the round.

Continuing his attack Johnson again had his opponent on the canvas shortly after the second round had got underway and before the bell had another to his credit although on both occasions McDonald failed to take advantage of a count. In the third and final three minutes of the bout McDonald taking lots of punishment from his opponent displayed wonderful courage and stamina and although Johnson had a big edge on him was on his feet at the bell still throwing punches in the direction of his opponents anatomy.

The win sent the Morell boy into the finals againgst Hickey Nickerson of Charlottetown and again he was returned the winner although the decision of both judges was of the closest variety. Johnson, landing the most telling blows won the first two rounds by an eyelash. Nickerson trying desperately for a knockout carried the fight all through the round and although losing his crown displayed a whirlwind finish that gave him the round by a wide margin.

Middleweight Division

Bennie Binns and Dave McNeill, the latter of Summerside were the only contestants in this division with Binns retaining his diadem.

Round One—For the most part it was a heavy-hitting affair with the winner gaining an advantage in the last minute.

Round Two—There wasn't much to it in the second round. The participants were just started when Binns landed a hard right to the mouth. Quick to take advantage the Island champion rushed in and a telling right hand smash found its mark just behind McNeill's ear and it was finis for the Summerside battler who all through the piece showed a willingness to mix it freely.

PHILADELPHIA, July 18—Danno O'Mahoney, heavyweight wrestling champion, pinned the veteran Jim Browning in 24 minutes and eleven seconds at the arena's outdoor stadium tonight.

The pink-cheeked matman from Ireland used the flying body scissors, with which he took the title from Jim Londos less than a month ago, to flatten Browning.

SETS NEW RECORD

(A. P. by Guardian's Special Wire)

NEW YORK, July 18—The big and the little of it—husky Leonore Kight, of Homestead, Pa., and tiny 11-year-old Mary Hoerger of Miami Beach, Fla.—ran off with the show today in the opening performance of the four-day United States womens' swimming championships at Manhattan Beach.

Miss Kight, queen of the distance mermaids opened the defence of her three titles by setting up a new United States record of 24 minutes 20.4 seconds for the mile, and giving every indication when she gets around to the half she will do more time slashing and quarter mile fields she rules.

The baby member of the cast, 74-pound Mary Hoerger, flipped off the three metres springboard with such ease, confidence, and agility, that she completely won both the hearts of 5,000 spectators and the points of six judges to capture the event and become the youngest United States champion in the history of the Amateur Athletics Union.

ENGLAND WINS HISTORIC TROPHY

(By Thomas T. Champion)
(Canadian Press Staff Writer)
(C.P. Cable By Guardian's Special Wire)

BISLEY CAMP, England, July 18—Canada today lost possession of the historic MacKinnon Challenge Cup and her best marksmen were a point short of leading scores in the two big individual matches of the day, the rich Prince of Wales prize and the Daily Telegraph.

The Challenge Cup that Canada won last year for the sixth time since 1891, will stay in England, whose team today aggregated 1,063 points. Scotland was second with 1,042 and Canada was left in a tie with India, each at 1.034. Wales, Ireland the Channel Islands brought up the rear.

It was too early tonight however to say that this is not Canada's year at Bisley. Tomorrow they will attempt to retain the Kolapore Cup, most important of the two great team events at the Empire meeting of the National Rifle Association.

Also the Canadians will send 13 men out of 18 starters into tomorrow's second stage of the classic King's prize and they have seven men left in the St. George's Challenge Vase to be completed Saturday.

In the Prince of Wales today, fired at 300 and 600 yards, 10 marksmen with scores of 69 gained the right to shoot off for the leading awards, including first prize of $500 in cash. The leading Canadians, Sgt. Penman and Lt. P. J. Martinson of La Tuque, Que., had 68's.

The Associated Northland, carrying a first award of $100, was captured by Lt. C. P. Kitcat of the Royal Navy, this being fired simultaneously by marksmen not holding N. R. A. medals.

Fourteen men posted perfect scores of 50 in the Daily Telegraph and will shoot off for the silver cup and top money awards. Here the leading Canadians, Sgt.-Major W. H. Edsell of Ottawa and Sgt.-Major J. Trainor of Toronto, had 49's.

Complete postings in the grand aggregate remain to be completed but Martinson of La Tuque, who tied the best in this great combination event a year ago, headed the Canadians with 583 out of a possible 615, and won the high commissioner's gold plate. Lt. Neal Dow of Saint John, second among the Canadians with 580, won the Canada Club gold watch. A score of 589, the top a year ago, is the record.

The MacKinnon was fired at the long ranges of 900 and 1.000 yards, 12 men aside.

IS STILL UNDECIDED

(A. P. By Guardian's Special Wire)

BERLIN, July 18—Max Schmeling still is undecided whether to fight Max Baer or Joe Louis in New York in September. Furthermore, the matter will not be settled until Joe Jacobs, the German heavyweight's manager, returns to New York next week.

From the liner George Washington, on which he is enroute, Jacobs today wirlessed the Associated Press a denial of an announcement by Mike Jacobs, New York promoter, that Schmeling has agreed to meet Louis.

Jacobs said he is returning to New York with authorization from Schmeling to decide between the offer of the Madison Square Garden Corporation to fight Baer September 26 and bid for a contest with Louis.

Stars Continue Heavy Hitting To Win From Grocers

The all-round strength contained in the ranks of Percy McInnis' Stars becomes more evident as the City Baseball League progresses. Last night at the Abegweit Grounds they chalked up their second straight victory in the second section of the loop defeating Burhoe's Grocers 15 to 6 and in so doing gave a convincing display of both batting and fielding ability. In nine games now they have yet to taste defeat, being held to a draw by the Grocers in their last meeting and without a doubt they are the team to beat out for the flag.

Last night, once they counted five times in their second turn at bat mainly through errors committed by their opponents, the issue was never in doubt. From then on they began hammering the Grocer hurlers deliveries at most opportune times and Larter, young lefty of the losers yielded in favor of Hobbs with one out in the fifth after giving up eight hits and seven runs.

His successor, however, fared not a bit better and during his 2 and 2-3 frames on the mound was nicked for seven safe blows and eight runs.

Walter Coss, hurling them in for the Stars was also batted rather freely but he managed for the most part to keep ten safe hits scattered. Held scoreless in the first four frames the Grocers finally put three hits together to count a brace of markers; they were held runless again in the sixth but in the seventh once more they took a liking to Goss' deliveries combing him for four safe blows and this combined with a costly infield error by the Stars enabled them to cross the plate four times, making the final score read: Stars 15; Burhoes Grocers 6.

STARS AND FALCONS TONIGHT

Tonight at the Abegweit Grounds Falcons and Stars meet in an exhibition game in honor of Whackey McEachern who leaves Saturday morning for Moncton where he has accepted a position. It will be known as "Whackey McEachern Night," and marks the last time that this popular athlete will be performing in a local uniform after years of service in the different branches of sport.

One way of showing tonight's guest-of-honor that his athletic feats are remembered is to attend the game and it is to be hoped that the largest crowd in years will sit in on the encounter. Proceeds are to go towards purchasing a memento for him and a usual Falcons-Stars battle is bound to take place. The greatest of rivalry exists between the two squads and the word exhibition doesn't mean a thing; both teams are after a win and they will bend every effort in seeking to attain
