SUMMERSIDE NEWS.

Branch Office, Central St.

MR JOHN RICHARDS, of Bideford, was in town yesterday.

THE Kickapoo Indians will be in Kensington tonight (Wednesday)

ABOUT 4 30 p m yesterday the snow began falling and "more to follow" is expected.

YESTERDAY morning "lolly" was observed, for the first time this season, round the wharves.

THE S. S. Fastnet arrived at this port on Monday in the evening and left early yesterday morning.

TWENTY NINE passengers left by the Northumberland yesterday morning and nineteen returned

A NEW platform has just been completed in front of the Market building running almost the entire length.

THE Kickapoo Indians will be here again soon and intend to give an entertainment in aid of the Public Library.

MR G W Gardiner of Ch'town crossed to Point du Chene yesterday by the Northumberland for a six weeks' trip to the Pacific Coast.

ELDER Webber who has been here for some time past left by the Northumberland yesterday morning. He expects to return in the spring.

ST Mary's Guild Room will soon be completed and when it is there will be a series of readings, lectures and entertainments given through the winter.

Here are some of our prices: Pansy Books, Elsie Books, Stratford Series, and a large stock of other Cloth Bound Books, 25 cents each. The Poets and other Standard Works, from 50 cents up. —Leonard Morris, Summerside.

THE store belonging to H. A. Compton and lately occupied by J. H. Johnston has been repainted and fitted up. A new stock of confectionery has been obtained and Miss B. Schurman is in attendance to wait upon customers. No doubt the "Surprise Confectionery Store" will be well patronized.

THE Summerside Town Council met on Monday evening. Mr. McQuarrie, on behalf of the Bank of Summerside, said that the bank was assessed $332; the Merchants Bank of Halifax $180 and the Bank of Nova Scotia $84. He said that this was unfair and unjust and proposed that, as a compromise, the Summerside Bank should pay $190 in full of the assessment. After some discussion it was moved that $210 be accepted and as Mr. McQurrie agreed on behalf of the bank, the motion passed unanimously.

THE section of the bye law concerning the storage of kerosene was repealed, and the Dominion Order-in-Council is now in force.

Mr. Hunt brought before the Council some information which he had obtained from Mr. A. N. Large of the Charlottetown Fire Department with reference to the formation of a Hook and Ladder Company. The following equipment would be required:—1 pair of wheels and a platform 10 feet long, 1 ladder 35 feet long, 2 ladders 20 feet long, 2 roof ladders, 4 axes, 2 poles with hooks and a rope 100 feet long, the whole costing in the neighborhood of $40. The company to consist of twelve men. After talking the matter over it was decided, on motion, that a bonus of $20 should be paid to the organizer of a hook and ladder company and that the before-mentioned equipment should be provided.

Mr. Hunt then spoke concerning the proposey Sewerage System. After mentioning the fact of Mr. Swinburne's having spent a day here gathering information by which he could form an estimate of the cost, Mr. Hunt read a letter which he had received from Col. Waring, New York, in which he says that the Survey and Plan and so forth, in all, would cost $560 He continues: "This Plan being made, the construction of the work would certainly not cost more than $30,000, and, if your conditions are as favorable as Mr. Swinburne thinks they are, and as they seemed to me in passing through the town, I should hope, with a good man in charge, to bring the cost, including engineering, superintendence and incidentals, something below $25.000." After the matter had been discussed it was decided to call a public meeting before long to talk over this subject and that of electric lighting.

HAMILTON, April 20, 1892.—I was doctoring for years with physicians for a scaly and scurvy affliction of the scalp, they told me it was eczema, but gave me no permanent relief I was also troubled with excessive dandruff, which would drop from my head like snow flakes. Hearing of Anti Dandruff, I used it, and from the third application felt more relieved than for years; when half the bottle was used, the eczema and scaly eruptions disappeared and have not returned since; dandruff was thoroughly removed, the itching of the scalp stopped, and for an elegant, clean and useful hair-dressing Anti Dandrug has no equal.
