

Dunlop Bicycle Tire Riddle

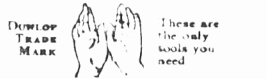

Idea for an advertisement for Dunlop Detachable Bicycle Tires suggested by Mr. E. G. Ironside, Antler, Assiniboia, winner of the prize awarded by the Dunlop Company for the best answer to the riddle: "Why are Dunlop Detachable Bicycle Tires like the Japanese?"

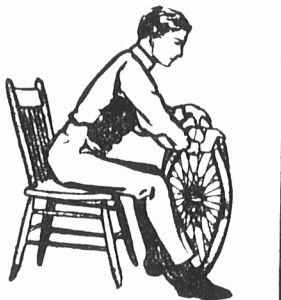

It's "To Arms," with the Jap,

And the Russians retired.

It's "Two Hands," with Dunlop,

And the bicycle's re-tired

"NERVOUS AND IRRITABLE." Pe-ru-na is Invaluable to Ailing Women.

Miss Celia Harrington, 303 Second avenue, Detroit, Mich., writes:

"Weakness has filled many months of my life with suffering. Through carelessness I caught a severe cold two years ago which settled in catarrh and seriously interfered with the regular functions of the body, and made me nervous and irritable. I began taking Peruna and found in it a faithful helper, as it enriched my blood and invigorated the whole system. I have no pains now and am always well."

Female weakness is generally dependent upon catarrh of the pelvic organs. Peruna cures catarrh wherever located.

The Sons of England of Summerside have leased the Ludlow Hall building for their grand ball on the evening of England's Day, July 18 and intend thoroughly renovating the upper flats. The top flat which was formerly a public hall will be re-floored, the walls painted and otherwise greatly improved. The second floor will be used for dressing, dining and sitting rooms. The approaches to the floors will also receive considerable fitting up. When finished Ludlow Hall promises to be one of the best halls for dance and social purposes.

The old champion bicycle racers Ursworth of Charlottetown and Cannon of Summerside who for many years in the past were rivals on the track and each the pride of his own town in the bicycle arena, will after several years of retirement again come together and endeavor to decide for their friends those little differences which always hold to the admirers of leading competitors in events of this kind. The races will be held on P. E. Islanders' At Home Day, Friday, July 22, and will consist of a half mile, a one mile and a three mile race. Another feature of the program on that day will be a pole vaulting contest when William Halpenny of Charlottetown, amateur champion of the Maritime Provinces will endeavor to break the Canadian record. It is also the intention of the Tourist Association who have charge of this day to put on a gressed pig contest, a football match between a team from Amherst and a Summerside team and other sporting events.

The Dominion Day Races will assuredly be the best events ever held on the Summerside Driving Park—and that is saying a good deal—as the following list of entries fore-tell:—
