BOY'S CLOTHING

Boy's Christmas suits. We've the premier line of boys suits shown in town. Suits that are just as well tailored as the clothes that father wears, and every bit as stylish. The only difference is the materials. The materials our boys' suits are made from are the most durable made and they'll stand with ease the rough usage they get on the school grounds. Yes they are not expensive; not quite so much as other dealers ask for the poorer qualities. Jas. Paton & Co. 12-23-11.
