

How Much Water Should Baby Get? - A Famous Authority's Rule.

Baby specialists agree nowadays that during the first six months, babies must have three ounces of fluid per pound of body weight daily.

Dr. W. J. P. McMillan Speaks On Draft Address

(Continued from page 11.)

framing his platform, what policy he had better adopt. No! Everything was to be done strictly "in the interests of the party," and there was a great opportunity, with this \$160,000 which the Stewart Government obtained for the party coming in of remaining in power for the next fifteen or twenty years!

Every Forest Fire is a Job Killer!

In Canada to-day the condition of our gigantic forest industries is a barometer of our national welfare. If the forests be wasted through preventable forest fires prosperity must decrease and general employment conditions must suffer.

Shoes Properly Fitted A SOURCE OF COMFORT

AND SIGHTLY TOO. It's our duty to fit shoes—not merely sell them.

When properly fitted, the strain and weight comes just where scientific shoe makers intended it should, hence those shoes will keep their shape and beauty until the end.

OUR SALES FORCE ARE TRAINED TO THIS

And our store completely remodelled and furnished for your comfort.

We invite you to make use of our MODERN SHOE SERVICE. It is far ahead of the antiquated Go-as-you-please, trust-to-luck appropriation method, so long in vogue.

Our Spring stock is complete with new shoes, new styles and shapes, widths and sizes, to suit mostly any feet and fancy.

L. M. POOLE & CO PAUL'S WHARVES

To be Continued. A foe to Asthma. Give Asthma half a chance and it gains ground rapidly. But give it repeated treatments of Dr. J. D. Kellogg's Asthma Remedy and it will fall back even faster.

MONTHLY MEETINGS OF THE WOMEN'S INSTITUTES

MIDDLETON Fourteen members and two visitors met at the home of Mrs. Edison Wright. Roll Call. The bills that were presented were then appointed. A program consisting of a Contest, a Reading and music was enjoyed by all.

CENTRAL BEDEUQUE Twenty-one members and a visitor met at the home of Mrs. William Callbeck. Mrs. Frizzell gave a lovely Reading entitled "Smiles". The program committee for the next meeting are Mrs. C. M. Johnson and Mrs. J. J. Frizzell. It was decided to send money to Mrs. W. MacDonald for the key check. The unfinished sewing for the bazaar was given out to the different members.

STANCHER Eight members and two visitors met at the home of Mrs. Nell Cameron. The school committee gave a report of their visit to the school. It was decided to have the teachers chair repaired. Miss Sadie Buchanan and Mrs. J. D. Matheson were appointed on the school committee for the month. This Sanitorium. The Secretary was authorized to pay for the key check. Lunch was served by the hostess and a program of instrumental music and singing was greatly enjoyed.

SPRINGHILL Nine members and fifteen visitors met in the school house. The sick committee reported of five visits made and \$3.50 spent for fruit. Two members were appointed to clean the school for the month of April. Small bills amounting to \$1.19 were paid. Mrs. Cotton and Miss Blanche Enman will take the lunch for the May meeting.

BEAR REVER NORTH At the April meeting ten members and eight visitors met at the home of Mrs. Charles Kelly. Roll Call was answered by "Hints on first aid to the injured". Lottery books were received and distributed among the members. The remainder of the evening was spent in instrumental music and singing.

WHEATLEY RIVER \$20 was voted towards the proposed Sanitorium. The members and visitors met at the home of Mrs. Rea Barrett. The secretary reported having sent fruit to the sick. Letters from the different sources were read and discussed. We decided to get a book case for the school. One new member was welcomed. Roll call for the next meeting to be answered by gardening hints. The program consisted of the lives and works of the different Canadian Authors. The next meeting is to be held at the home of Mrs. Chester Rackham.

MT. STEWART Fourteen members and a visitor met at the home of Mrs. W. L. McLeod. A paper was read on weekly routine in housework by Mrs. Charles MacDonald. A sign board is to be secured for the school, also the framing of the war memorial pictures was settled.

EGGINGTON AND HOWE BAY Sixteen members and four visitors met at the home of Mrs. J. G. MacDonald. Roll Call was answered by Jokes. It was decided to send a letter of sympathy to Mrs. Peter Black. The Roll Call at the next meeting to be answered by Gardening Hints and the members are to meet at the house of Mrs. Geo. P. Clapp. Lunch was served and a very pleasant evening was enjoyed in music and singing.

Fireproof garages of wood have been invented in Germany.

Egyptians ate more American apples last year than in any previous 12 months.

With so thorough a preparation at hand as Miller's Worm Powders the mother who allows her children to suffer from the ravages of worms is unwise and culpably careless. A child subjected to the attacks of worms is always unhealthy, and will be stunted in its growth. It is a merciful act to rid it of these destructive parasites, especially when it can be done without difficulty.

Protect Your Job-And Those Who Depend On You-By Protecting The Forest

Issued by Authority of Charles Stewart, Minister of the Interior

Roll Call was answered by "Hints on first aid to the injured". Lottery books were received and distributed among the members. The remainder of the evening was spent in instrumental music and singing.
