Royal Household Flour

No other flour ever sold in this province has increased its sales to such an extent in so short a time.

Of course the thing behind this increase has been, in the last analysis, the quality of 'ROYAL HOUSEHOLD' itself.

But the good words of pleased consumers have been the chiefest means whereby a knowledge of this superior quality has been spread.

People who once use 'ROYAL HOUSEHOLD' become so enthusiastic about the good results attending its use that they wonder how they have ever got along without it, and they pass the good word along.

For example:

J. N. Farnham, of Scovil's Bakery, St. John, N. B., says: "I have been a Baker for thirteen years, and have used all kinds of Manitoba flours, but never had a flour the equal of 'Royal Household' for Bread, Cake and Pastry. Before using 'Royal Household' I always had to use soft flour to make good pastry."
