S'side Airport Work To Proceed, Board Informed

Assurance that construction work on the Summerside Airport, including rehabilitation of the buildings and the erection of new living quarters, will be proceeded with as expeditiously as possible, has been received by the Summerside Board of Trade from the Minister of National Defence, the Hon. Brooke Claxton. Previous to the contract being let to Curran and Briggs Ltd. about ten days ago for the rebuilding of the runways, rumours had been current in Summerside that all the proposed work at the Airport had been cancelled. The Summerside Board of Trade held a special meeting and a resolution was passed and forwarded to the Minister, pointing out the importance of the work being proceeded with, from a national as well as a local point of view. On Saturday the following letter was received from the Minister's secretary: "Mr. Claxton has asked me to acknowledge receipt of your letter of June 8 enclosing a copy of a resolution adopted by your Board, concerning construction work at the R.C.A.F. station at Summerside. The Minister has asked me to thank you for your interest in the airport at Summerside and to inform you that a contract for approximately \$938,570 has been let to Curran and Briggs for the reconstruction of runways there. In addition, approximately \$85,000 has been set aside for rehabilitation of the buildings. It is also planned later on to erect new living quarters. You may be assured that the work at this Airport will be proceeded with as expeditiously as possible. Yours very truly, W. P. Wright, private secretary."

Pretty Wedding At Lot 16

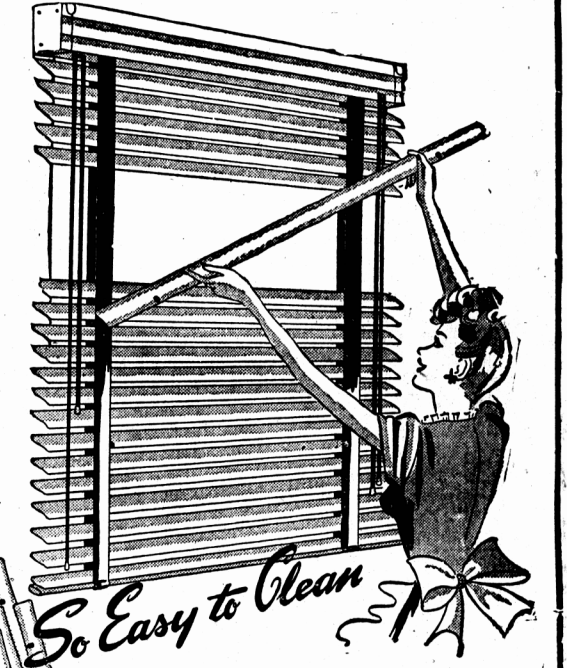

The United Church, Lot 16, was the scene of one of the season's prettiest weddings when at 7 o'clock on Wednesday evening Bessie Velda, youngest daughter of Mr. and Mrs. Samuel H. Yeo, exchanged vows with Stewart Robertson Miller, son of Mr. John Miller, Meadowbank. The ceremony which was performed by Rev. S. R. Prince D.D., was witnessed by a large congregation. The church was tastefully decorated with cut flowers, rushes and ferns, while the guests' pews were marked with sprays of snowball and honeysuckle. Mr. John Miller played the processional and recessional for his son's wedding and during the signing of the register rendered "I Love You Truly." Given in marriage by her father the bride was a picture of youthful loveliness in a floor-length gown of white nylon sheer over satin with sweetheart neckline, fitted bodice and long sleeves tapering to a point over the hand. Her finger-tip veil fell from a coronet of white blossoms which were repeated in her bouquet, combined with red peonies and white roses. Her only ornament was a double string of pearls, gift of the groom. Miss Viola Gillispie, Summerside, was her cousin's bridesmaid. She was attractively gowned in pink tulle while her shoulder-length veil was caught up with roses which matched her lace mitts. She carried a garden bouquet. The bride's little niece, Gail Lowther, who was flower girl, was welcomed in her pretty frock of pale blue sheer over taffeta, as she daintily scattered petals in front of the bride coming up the aisle. Master Winston Yeo, nephew of the bride, was ring bearer. The groom was supported by his brother, James Miller. The ushers were Messrs. Lloyd and James Yeo. The bride's mother wore a becoming dress of navy figured crepe with black flowered hat and corsage of summer flowers. Following the ceremony a reception was held at the home of the bride's parents for the wedding party and their guests, after which the newly-weds left on a honeymoon trip by motor throughout the Maritimes. For travelling the bride chose a rose silk jersey dress with crownless halo hat in matching shade, powder blue shortie coat and brown accessories. On return Mr. and Mrs. Miller will make their home at the Miller homestead in Meadowbank.
