Sterling Institute Stanley Bridge

On Saturday evening, Oct. 5th, the members of Sterling Institute accompanied by their husbands met at the home of Mr and Mrs John McGuigan, Hope River. This was not a regular meeting but a farewell to Mr and Mrs H T Pickering and Miss Reia on the eve of their removal to their home in Hunter River.

Although the night was dark and rainy a large number were present and the president, Mrs Walter Simpson, presided while the following short program was rendered.

Opening Chorus—Institute Members
Piano Solo—Mrs Clarence Reid
Reading—Miss Emily Miller
Vocal Solo—Miss Reia Pickering

Reading—Mrs W Pendergast (encored)
Chorus—Institute Members
Chorus—Mrs Thomas Reid
Vocal Duet—Mrs H T Pickering and Mrs J McGuigan
Chorus—Institute Members

Immediately after the program, the president read the following address and presented Mrs Pickering with a splendid fountain pen.

Dear Friend,—
It is with many regrets that we realize we are nearing "The parting of the ways."

For years you have been one of our most faithful Institute workers. In every phase of the work you have taken your part—nothing being too hard or menial for you to share in. Having special gifts they have been generously used for the advancement of our noble work for "Home and Country" and our motto "If you know a good thing pass it on" has been your motto always. Though our society has been small, we are part of the great world institution of women workers, who are whole-heartedly striving for better conditions at home and abroad. In this you have shared often beyond your strength. No movement has ever been started in this society for the betterment of our community that was not most heartily co-operated in by you and Mr Pickering. So much so that the question naturally comes "What are we going to do without you?" We are happy in knowing that you will not be far from us, and in feeling that our little society will ever be of interest to you, so that you will often visit us bringing with you the inspiration that your presence has always been.

Lives like yours do not rust out, so wherever you are, you will be doing good, and your new associates will learn to love and appreciate you as we have done. May your new home and surroundings be as congenial as the old one, and "may the shadows which come across all of our lives" be only enough to make the sunshine seem brighter.

Kindly accept this little gift as a small token of love and esteem from your sister Institute workers, and may it bring to you the joy of being remembered as often as it is used.

Be assured, dear friend, that whatever life may hold of joy or sorrow for you or yours, a corresponding cord will be touched in each of our hearts.

In bidding you farewell, we include Miss Reia who has so kindly helped in our entertainments. We will miss you in many ways. Being blessed with a winsome disposition as well as rare musical gifts and an unassuming willingness to do what she could, she has won a large

place in our affections. In conclusion we heartily extend to you, Mr Pickering and Reia, the best wishes of Sterling Institute for long and happy lives of usefulness.

Mrs Walter Simpson, on behalf of Sterling Institute.

Mrs Pickering in a few touching words thanked the members for their gift and words of appreciation and although she would not be able to attend the meetings she would always take the greatest interest in the work of Sterling Institute.

Remarks were made by Mrs Pendergast, Messrs W H Hogan, Clarence Reid, Walter Simpson, John McGuigan, Thomas Bolger, and J Simpson Bel. regretting the departure of Mr and Mrs Pickering and Miss Reia from the community and wishing them many years of enjoyment in their new home, to which Mr Pickering very feelingly replied, thanking them all for their good wishes.

The remainder of the evening was spent in music and singing and as midnight drew near all joined hands in singing "Should Auld Acquaintance Be Forgot" and the National Anthem.

MR. PETER MCGARRY

The sad death occurred at her home in Lota, on Sunday morning, October 20th, when a resigned and patient sufferer in the person of Mrs. Peter McGarry, quietly passed away, after an illness of some weeks. Deceased, who was Miss Mary Cairne, before her marriage, 41 years ago, was the possessor of a noble and gentle character. She was a devout christian, a devoted wife a loving mother, and a kind charitable neighbor. The late Mrs. McGarry was 67 years of age. She leaves to mourn their loss in the home husband, and a large and respected family, as follows: John, of Matiek, Mass., Pte. Francis J., of the C. E. T. C. (now overseas); Edward at home; Sister Mary of the Devine Infant Convent of the Good Shepherd, Brooklyn, N. Y.; Mrs. Allen McQuarrie, Lynn, Mass.; Mrs. Alex. McMillan, Belfast; Mrs. James Hughes, Orwell and Bridget at home, also a wide circle of friends who will greatly miss her.

The funeral, which was held Thursday morning, was solemnized by high Mass and services at the grave, Rev. Dr. Smith officiating. Much sympathy is extended to the relatives and friends in their bereavement. May her soul rest in peace.

DANIEL F. McLELLAN

At the home of his brother Mr. Cornelius McLellan, on Friday October 11th, Daniel F. McLellan, of Arlington, entered into rest after only three days illness. He leaves to mourn three brothers and two sisters. He was in every sense a good citizen and his death is deeply lamented by a wide circle of relatives and friends.

His funeral took place Sunday 13th, and was largely attended by the friends and neighbors of the deceased. Services at the church and grave were conducted by the beloved pastor Rev. John A. McDonald.

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA
Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

GENUINE CASTORIA ALWAYS Bears the Signature of
The Centaur Company, New York City.

Who Should Take Nuxated Iron And Why They Should Take It.

Physicians Explain—Gives Practical Advice On What To Do To Help Build Up Your Strength, Power and Endurance And Increase The Red Blood Corpuscles

Commencing on the use of Nuxated Iron as a tonic, strength and blood-builder, Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (Outdoor Dept.) New York, and the Westchester County Hospital, said: "Modern methods of cooking and the rapid pace at which people of this century live has made such an alarming increase in iron deficiency in the blood of American men and women, that I have often marveled at the large number of people who lack iron in the blood—and who never suspect the cause of their weak, nervous, run-down state. Lack of iron in the blood not only makes a man a physical and mental weakling, nervous, irritable, easily fatigued, but it utterly robs him of that virile force, that stamina and strength of will which are so necessary to success and power in every walk of life. It may also transform a beautiful, sweet-tempered woman into one who is cross, nervous and irritable. I have strongly emphasized the great necessity of physicians making blood examinations of their weak, anemic, run-down patients. Thousands of persons go on year after year suffering from physical weakness and a highly nervous condition due to lack of sufficient iron in their red-blood corpuscles without ever realizing the real and true cause of their trouble. Without iron in your blood your food merely passes through the body, something like corn through an old mill with rollers so wide apart that the mill can't grind."

"For want of iron you may be an old man at thirty, dull in intellect, poor in memory, nervous, irritable and all "run down," while at fifty or sixty, with plenty of iron in your blood, you may still be young in feeling, full of life, your whole being brimming over with vim and energy.

"As proof of this take the case of Former United States Senator and Vice-Presidential Nominee Charles A. Towne, who at past 58 is still a veritable mountain of tireless energy. Senator Towne says: "I have found Nuxated Iron of the greatest benefit as a tonic and regulative. Henceforth I shall not be without it. I am in a position to testify for the benefit of others to the remarkable and immediate helpfulness of this remedy and I unhesitatingly recommend Nuxated Iron to all who feel the need of renewed energy and the regularity of bodily functions."

"Then there is Former Health Commissioner William R. Kerr, of Chicago, who is past the three score year mark, but still vigorous, active, full of life, vim and energy. Former Health Commissioner Kerr says he believes his own personal activity today is largely due to his use of Nuxated Iron and that he believes it ought to be prescribed by every physician and

used in every hospital in the country. "But in my opinion you can't make this strong, vigorous successful sturdy, iron man by feeding them on metallic iron. The old forms of metallic iron must go through a digestive process to transform them into organic iron—Nuxated Iron—before they are ready to be taken up and assimilated by the human system. Notwithstanding all that has been said and written on this subject by well-known physicians, thousands of people still insist in dosing themselves with metallic iron simply, I suppose, because it costs a few cents less. I strongly advise readers in all cases to get a physician's prescription for organic iron—Nuxated Iron—or if you don't want to go to this trouble, then purchase only Nuxated Iron in its original packages and see that this particular name (Nuxated Iron) appears on the package. If you have taken preparations such as Nux and Iron and other similar iron products and failed to get results, remember that such products are an entirely different thing from Nuxated Iron."

Manufacturers' Note: Nuxated Iron which has been used by Dr. Sullivan and others with such surprising results, and which is prescribed and recommended above by physicians is not a secret remedy, but one which is well known to druggists everywhere. Unlike the older inorganic iron products it is easily assimilated and does not injure the teeth, make them black nor upset the stomach. The manufacturers guarantee successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed by all good druggists.

Sold in this city by George E. Hughes, Apothecaries Hall, E. A. Foster, Central Drugstore, H. J. Mabon, (Montague.)

HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS!

Says glass of hot water with phosphate before breakfast washes out poisons.

To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try inside-bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of Limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and Limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A quarter pound of Limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid that one week of inside bathing will have them both looking and feeling better in every way.

UPSET STOMACH

Pape's Diapepsin at once ends sourness, gases, acidity, indigestion

Undigested food! Lumps of pain; belching gas, acids and sourness. When your stomach is all upset, here is instant relief—No waiting!

The moment you eat a tablet of Pape's Diapepsin all the indigestion, pain, dyspepsia misery, the sourness, gases and stomach acidity ends.

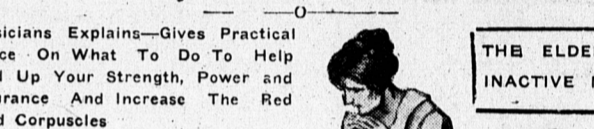

Pape's Diapepsin tablets costs little at any drug store but there is no surer or quicker stomach relief known.
