Longset Colt At Kensington

The quondam Maritime champion trotting mare Baby Logan of W. B. McArthur's "stable," dropped a beautiful horse colt on Friday from the great trotting stallion Longset, son of the great Dillon Axworthy. Both mare and foal are in a healthy condition. This is the third colt of racing blood from Baby Logan. Prince Edward Island and Kensington in particular ought to get a prominent place on the racing map of the world within the next few years. Our horsemen are importing some of the best speed sires on this continent. Longset was brought here by Mr. Hammond Kelly, and was lately purchased by the veteran reinsman, Peter Conroy for an amount which would buy a hundred acre farm and farming outfit.—K.

Y. M. C. A. Basket Ball League

W. K. S. 32—All Comers 25
The third game in this league was successfully staged last night before a fair sized audience.

The game was between the team from West Kent School and the All Comers, the school team winning out.

Play was very fast and inclined to be a bit rough at times the fault being about evenly divided.

For the winners Spillett, Cameron, McInnis played a steller game while Walker, Toombs and Murley starred for the losers.

Great interest is being taken in this league by the boys and all the fans should turn out and help them along with their cheers.

The game next Thursday starts at 7.45 and should be a good one for both the W. K. S. and P. W. C. have very fast teams, with good combination and shooting ability to spare.

The other game between the All Comers and Business Colleges will also be interesting.

Following is the result of last nights game:

Cameron 18	Goss
McInnis 7	Murley 2
Walker 5	Toombs 2

French River Baseball Club

French River is ambitious to obtain "a place in the Sun" of P. E. I. baseball fame during the coming summer. This aggregation of "twirlers" will likely be heard from after the grass springs green once more. The people of the locality

are assisting them in a tangible manner. Two entertainments were staged during the winter which netted over \$100.00 to be devoted to the use and benefit of the French River ball team. Mr. William Ozan who received his early baseball education in Uncle Sam's Country is captain. Mr. McGregor is manager. The great American game is becoming popular in all Canada. It is a reciprocal ensemble. They play our national winter sport, we acquire their great summer national game.—K.
