**Simple Remedy For Bad Stomach Gives Quick Relief**

No Need of Strong Medicines or Diet—Famous but Simple Old English Recipe Keeps Stomach in Fine Condition, Banishes After-Dining Distress

If you are a victim of Stomach Troubles—Gas, Sourness, Pain or Bloating—you may have quick and certain relief by following this simple advice. Don't take strong medicines, artificial digestants or pull down your system by following unnecessary starvation diets.

Never hurry your meal or overeat of anything, but within reason most folks may eat what they like—if they will keep their stomach sweet and clean and active and free from the souring acids that hinder or paralyze the work of digestion.

And the best and easiest way to do this is to follow every meal with a small amount of pure Bismarck Magnesia—pleasant, harmless and inactive form of Magnesia that promptly neutralizes acidity and keeps your stomach sweet and clean.

A week's trial of Bismarck Magnesia which may be obtained from any drug-gist for only a few cents, will easily convince you of the great value of this old English recipe.

Be sure and get BISMARCK Magnesia—not a laxative.
