Creamery Butter Production

The production of creamery butter in Canada in January totalled 124,081 pounds, compared with 129,976 pounds in the preceding month and 8,483,081 pounds in January, 1932.

## STEAMSHIP SERVICES FOR NEXT SEASON

The following proposed plans in connection with steamship services during the coming season will be of general interest.

The S. S. Gaspesia of the Clarke Steamship Co., Ltd., which made regular calls at this port last season is planning to operate between Montreal and Charlottetown every two weeks, commencing May 19th or possibly April 27th on twelve day cruises which would include calls at Summerside and Charlottetown, arriving at Summerside on Tuesday morning at 8.00 a. m. and leaving there at 10.00 a. m. for Charlottetown, proceeding from there at midnight for Pictou, N. S.

In connection with the Gaspesia's cruises, they have a plan in mind to embody an automobile drive from Summerside to Charlottetown, with a stop enroute for lunch and bathing on the North Shore, which should by all means make it a very attractive feature and would permit the passengers to see something of our very beautiful Island, and would also be a wonderful help in bringing tourists to our fair Garden of the Gulf.

The S. S. New Northland also of the same steamship company called here last season but it is very doubtful if she will be calling at Prince Edward Island this year.

This may be said also for the S. S. Belle Isle of the Newfoundland Canada Steamships Limited, the latter one due to the poor patronage experienced on her calls here in 1932. This fine ship was built by Swan, Hunter and Wigam Richardson, Ltd., of Newcastle-on-Tyne, one of the world's most famous shipbuilders. She is an oil-burner with a speed of approximately fourteen knots and has accommodation for sixty-five first class and twenty second class passengers.

No definite plans have been made with regard to the S. S. Silvia of the Furness Line as to her service between Montreal, Charlottetown and St. John's, Newfoundland, but it is to be hoped that we shall see this fine ship making her usual calls here as she has been doing in previous years.

## WINGS BEAT SENATORS

(Canadian Press)

OTTAWA, March 2.—In their last appearance of the 1932-33 N. H. L. season on Ottawa ice, the Detroit Red Wings chalked up a 3-2 victory here tonight over the Ottawa Senators. The two points put the "Wings" well out in front of Rangers in the American division, while the defeat cemented the Senators more firmly in the cellar of the Canadian section.

The game was featured by a small-sized riot in the first period when Happy Emms appeared to attempt to kick Shields after the latter had dropped the incoming Detroit forward. Shields piled into Emms and Carson and Finnigan also became entangled. Shields, Carson and Finnigan drew majors, while Cooper Smeaton tacked a match penalty on to Emms.

Detroit scored twice in the opening session. Larry Aurie got the first one in a minute and Cood-fellow added another. Touhey cut the visitors lead in half in the second period and Lewis tallied for Detroit in the final session, while Howe added the final Ottawa counter.

## Intermediate Wolverines Win Opener 5 To 1

Lights Fail In St. Andrew's Rink; Game Finished In Wee Sma' Hours.

ST. ANDREWS, N. B., March 2.—(By The Canadian Press)—Intermediate Wolverines got away to a good start in the intermediate New Brunswick, Nova Scotia play-downs here tonight, defeating the home town talent by a score of 5 to 1. The game played on sloppy and slushy ice saw the Nova Scotia champions boring in and scoring almost at will in every period. The tilt did not start until well after midnight, due to faulty wiring in the St. Andrews rink.

Wolverines will play their second and last game tonight on the same ice surface.

Judging by the display of hockey "this morning" it looks a foregone conclusion that the Nova Scotia champions will meet Intermediate Abegweit's in the final play-downs for the intermediate championship of the Maritime Provinces.

## LAST NIGHT'S HOCKEY RESULTS

**DETROIT AT OTTAWA**

First Period:  
1—Detroit, Aurie, 1.00.  
2—Detroit, Goodfellow, 7.05.  
Penalties—Kilrea, Evans, Young, (minors), Shields, Finnigan and Carson, (majors); Emms, match penalty.

Second Period:  
3—Ottawa, Touhey, (Rockburn, Forslund, Howe 18.50.  
Penalties—Rockburn and Gallagher.

Third Period:  
4—Detroit, Lewis (Aurie, Voss), 4.45.  
5—Ottawa, Howe (McInenly, Kilrea) 15.30.  
Penalties—Burke, Goodfellow and Buswell.

**TORONTO AT CANADIENS**

1—Toronto, Jackson, 12.10.  
2—Toronto, Jackson (Conacher) 16.53.  
3—Canadiens, Morenz (Jollat) 19.00.  
Penalties—Clancy, Conacher, Gracie, Cotton.

Second Period:  
4—Canadiens, Jollat (Morenz) 1.21.  
Penalties—Jackson, Cotton, S Mantha, Carson, Gagnon, Clancy, Lepine, Day, Horner, (2), Bailey (minors); Clancy, Conache Bourgeault (majors).

Third Period:  
5—Canadiens, Laroch, (Mantha) 2.52.  
6—Canadiens, Jollat 11.08.  
7—Toronto, Gracie (Jackson), 18.24.  
Penalties—Lepine (major); Jackson (major).

**AMERICANS AT CHICAGO**  
Americans, 2; Chicago, 3.

**INTERNATIONAL LEAGUE**  
Cleveland, 3; Syracuse, 5.  
London, 2; Detroit, 2. (overtime tie).

## St. John Ousts Papermakers 6-4

Beavers Will Meet Mt. Allison In Final N.B. Playdowns Next Week

SUSSEX, N. B., March 2.—(C. P.)—Continuing their progress in the New Brunswick hockey play-downs, Saint John Beavers tonight eliminated Bathurst Papermakers, 3-2, taking the semi-final round by a total score of 6-4. Bathurst, representing the North Shore, lost to the Southern New Brunswick League champions last night by the same count, 3-2. Beavers will meet Mount Allison University next week in the provincial finals.

## LOOKING 'EM OVER

**BY "TEC"**

The senior hockey season of 1932-33 has sung its swan song, so far as Abegweit is concerned, and local hockey interest has turned to the intermediate play-downs in which Second Abbies have a bye. The semi-finals between St. Columbur Club and Wolverines are now being played in Halifax; the winners coming to Charlottetown on Tuesday, March 7th for the opening home and home round, goals to count for the three province championship.

Wolverines are favorites to win the N. B. N. S. title, and should they come through, added interest will be created when they hook up with the Second Red Shirts.

**Ferry Off For Home**

Walter Ferguson, husky Abbie defenceman leaves this morning for his home in Campbellton.

Walter, while a resident of this city made a host of friends and admirers who will wish him bon voyage and all the good luck in the world.

**No Plans As Yet**

Forum officials quizzed last evening regarding plans for a hockey campaign in 1933-34, had nothing definite to release, as the time is yet somewhat early. However, it is hoped that next season will again find the Abegweits battling for supremacy in the M. H. L. After all what would Charlotte-

town fans do without their hockey.

**An Oversight**

This department due to an oversight, or was it the excitement of the semi final Big Three play-downs, that we forgot to congratulate Joey Beaton, Abbie centre ace on his splendid achievement as the leading goal-getter of the Maritime Hockey League. Let's hope that Beaton's success will be further augmented by being crowned "the most valuable player in the loop."

**The Greatest**

Frank Calder, President of the National Hockey League stated at a meeting of the governors yesterday, "that hockey is the greatest game in the world."

Calder is not far astray. Hockey is the fastest and most exciting game played.

**St. John Beavers are continuing their drive along the playdown trail. Last night they turned Bathurst back 3 to 2 winning the Southern N. B. North Shore League, and are now ready for Mount Allison in the N. B. finals.**

Stevie Estabrooks and Art Dalton, well known in this city, are numbered among the St. John front-liners who have been the big cogs in the many Beaver successes. They have been scoring goals consistently all winter, and in the present playdowns are adding to their enviable reputations as puck chasers second to none in their league.

### Export of Planks And Boards

The export of planks and boards January totalled 39,178 M feet valued at \$583,446 compared with 543.2 M feet at \$684,621 in December and 53,847 at \$987,487 in January last year. The export to the United Kingdom was 12,335 M feet and to the United States 7,364.

### Belfast and Vicinity

Belfast friends of Jenkins Bros., Millview sympathize with them in the recent heavy financial loss that they had on Feb. 19. The fire was seen quite plainly from Eidon about seven o'clock Sunday night. The people in general appreciate all the money that was left in Belfast last fall when Mr. Jenkins loaded a mixed cargo on a schooner that left McAulay's wharf. Mr. G. E. Docherty was his efficient manager at this end.

There was no service in the United Church at Eidon on Feb. 19th, as the pastor was still under the doctor's care. His many friends are hoping for his speedy recovery.

A large crowd attended both services at St. John's the same day and heard two very fine sermons. The regular meeting of the Y. P. S. was held on Thursday as usual was well attended and a good meeting in every way.

A large crowd gathered at "Injun Cove" on Pinette River on Friday, Feb. 24th expecting to enjoy a real good race but whether Lady Luck was on a holiday or not it didn't come off. It was disappointing to the enthusiastic fans present and particularly as so many of the "fair sex" graced the company with their presence.

The dance held in the Belfast Public Hall on Feb. 22 under the auspices of the Eidon branch of the Canadian Legion was evidently by report a decided success. A large crowd attended and doubtless the receipts were quite satisfactory. Excellent music was furnished by Mr. John Ross violin assisted by Worth Bros., piano and harp. Lunch was served by Mrs. R. S. West, Mrs. J. Vanidorsline and Miss Jessie MacLeod.

Friends of Mrs. John MacKinnon, Point Prim are glad to hear she is up again after her recent illness.

It will also be pleasant news to his many friends in Belfast and vicinity to know that Mr. R. E. MacDonald who has been confined to his room for some time has recovered sufficiently to enable him

### LABOR MEMBER

(Continued from Page 1)

Mr. King completed his speech last week, the Conservatives carried a motion adjourning the debate on the C. C. F. resolution. This shut off the discussion for the time being but today on the Government resolution to extend the unemployment relief measure, Mr. Heaps took up the 14-pipers criticizing many of them. He attacked other portions of Mr. King's speech.

The accusation made by Mr. King that the C. C. F. was taking advantage of the present depression to advance its ideas brought a reply from the Labor member "This movement has not created this unrest" said Mr. Heaps. "The unrest has created this movement." He contended that most movements which advanced civilization had started in periods of unrest.

As to a central bank the Liberal leader had not been explicit enough, Mr. Heaps declared. Was it to be a central bank owned by the Government or one owned by the other banks? One owned by the other banks would be of no help. Unemployment insurance supported by Mr. King had been advocated by himself for many years, Mr. Heaps said. He was in favor of it but it would not meet the present unemployment situation.

While he was opposed to high tariffs and had always voted against increases, Mr. Heaps said the tariffs were not at the root of the unemployment situation. Countries with low tariffs and practically free trade were in the same position in regard to unemployment as Canada. Unemployment must be considered in a more fundamental way. Seven of Mr. King's points were about tariffs, he said.

Mr. King had favored co-operation but believed private enterprise was also a good thing. The Labor member did not agree. "Canada cannot exist under a system half co-operative and half competitive. Ultimately we will have to accept either one or the other," he was for the co-operative system.

It was easy to talk about increasing outside markets but difficult to attain them Mr. Heaps said. Nearly every country was now on an export basis.

His suggestions to meet the situation were to give all the unemployed jobs by reducing the hours of labor to 30 hours a week and increasing the purchasing power by giving the producers a greater portion of the value of the product of his labor. At present on an average he only gets 20 per cent.

## THE FEDERAL PARLIAMENT

(Continued from Page 1)

In the one instance, competition from Montreal chain stores was found demoralizing. In another, the threat of a "potential surplus" in the form of the distributing companies possessing waiting lists of producers anxious to sell milk to them tended to depress prices, while other factors were the competition of truckmen, the stringent regulations applied to milk producers and the large number of dealers in the milk business.

OTTAWA, March 2.—(C.P.)—Continuing the debate in the House of Commons today on the question of extending the Government's unemployment relief act until March 1934, J. A. Bradette (Lib. North West) spoke on the plan of settling urban dwellers on the land. The Government had already done a great deal of this work, but much had been found unsatisfactory.

A. A. Heaps, (Lab., Winnipeg North) demanded a definite plan for the solution of the unemployment problem. He had no confidence in the application of tariffs.

A few days ago the leader of the opposition, Mr. Mackenzie King, had spoken of a programme which involved the establishment of a central bank. What was meant by that, asked Mr. Heaps. Was it a bank controlled or owned outright by the Government?

Mr. Heaps discussed the opposition leader's enunciation of policy to some extent. Mr. King had unfurled the "flag of Gladstonian Liberalism" he said, and Mr. Heaps wondered if it would be acceptable to the majority of his followers.

Much legislation of a freedom-giving nature had come out of that Liberalism, Mr. Heaps said, but little sympathy had been shown the social needs and rights of the masses. He hoped the present Liberal platform included only

## Hockey Is The Greatest Game Says N.H.L. Pres.

Frank Calder Announces That Ten Clubs Will Be In The League Next Season - Is Replacing Baseball In Interest.

(Canadian Press)

NEW YORK, March 2.—The New York Telegram today publishes in part the following:

"The sphinx has spoken.

"Frank Calder, President of the National Hockey League for the past 16 years has broken his great silence.

"Ordinarily Calder considers himself verbose if he says yes or no. Cheered, however, by a unanimous vote of confidence from the governors Wednesday and an unqualified triumph over Charles (Boston) Adams, he expanded nobly.

"The Montrealer began by prophesying that the League would be increased to ten clubs next season. A franchise will be sold for approximately \$50,000, and this, he declares, is a sure sign that professional hockey is steadily mounting the financial ladder.

"You New Yorkers are really hockey conscious now," he said. "Hockey in the United States has a greater hold on its public than baseball. A fanciful statement, you say, but a statement borne out by figures."

"Even in these times hockey receipts are getting bigger. As far as beating the depression is concerned, no sport can hold a candle to our game. Why, man, hockey is still in its infancy. Watch us grow!"

It amuses Calder when somebody remarks that United States fans call the playoffs silly. He replies: "They're no sillier to you than they were in the beginning to the Canadians. But I notice they're still selling playoff tickets. That's enough argument for me!"

## Mt. A Co-eds Beat Abbies

SACKVILLE, March 2.—Mount Allison Co-eds defeated the Abegweits 28 to 19 in an exhibition basketball game staged in the college gymnasium here tonight. The Abbies Sisters are on a tour of the Maritime Provinces and although they were defeated tonight they put up an excellent battle.

The game was staged under the girls' rules and Miss Eleanor Kemple was the high scorer, with 9 points. Miss Harrington was the high point winner for the Island ladies with 7 points. The score at half time was 17 to 12 in favor of Mt. A.

## FORMER CHIEF

(Continued from Page 1)

came effective, Hon. F. A. Anglin died at his home this afternoon. He would have been 68 years old next month.

Two weeks ago, after a courageous fight with increasing ill-health, the late Chief Justice visited the Prime Minister and tendered his resignation, effective Feb. 28. Bench and Bar of Canada joined at that time in expressing admiration for the gallant fight made by the veteran jurist, and regret at his retirement.

The end was not unexpected and all the immediate family attended at the bedside during the last moments. Margaret Anglin Hull, noted actress and a sister of the former Chief Justice, had been in attendance for some time.

Others present at the death-bed included Mrs. Anglin, the widow of the deceased, Mrs. C. A. Gray, a daughter, and her husband, Mrs. (Col.) L. P. Sherwood, a daughter, and her husband, Edward A. Anglin, a son and Arthur W. Anglin, K.C., Toronto, a brother.

met at the home of Mrs. Frank Cutcliffe on February 15th with a large number of visitors and members present. After the business meeting, an enjoyable program of music, music, and readings, was carried out; games and contests were indulged in, and a delicious lunch served by some of the ladies.

Mrs. Lorne Seamen, Springfield, spent the week end in Fredericton.

Mr. G. S. MacLeod visited Hunter River on Tuesday.

Miss Blanche Wyand, Cavendish was a recent visitor to Fredericton.

### WEST ROYALTY SCHOOL

Honor roll of West Royalty School:

Grade X-1, Lillian Hurry; 2, Raymond MacKinnon; 3, Cedric Stetson; 4, Ivan Roberts.

Grade IX-1, Laura Stetson; 2, Bernard Trainor.

Grade VI-1, Raymond Jackson and Maurice Curley (equal); 2, Athol Roberts; 3, Laura Hurry and Birdena Frizzle (equal); 4, Gerald Trainor and Henry Hurry (equal).

Grade IV-1, Georgina Trainor; 2, Gladys Curley; 3, Mildred Hurry; 4, Irene Frizzle.

Grade III-1, Elwin Burke; 2, Bertha Hurry; 3, Keith Pickard and Bobby Gates (equal); 4, Lloyd Gates.

Grade II-1, Marjorie Long; 2, John MacKinnon; 3, Ruth MacKinnon; 4, Billy Long.

Grade I-1, Doris Pickard; 2, Velma Burke; 3, Jean Frizzle; 4, Margaret Curley and Joseph Curley (equal).

Perfect attendance for the month—Lillian Hurry, Jack Bell, Cedric Stetson, Cecil Stetson, Laura Stetson, Laura Hurry, Henry Hurry, Lois Hurry, Ivan MacKinnon, Mildred Hurry, Bertha Hurry, Bobby Gates, Lloyd Gates and Ruth MacKinnon.

Ruby Stewart—Teacher.

### BALDWIN ROAD INSTITUTE

The Baldwin's Road Women's Institute was held February 14th in the schoolroom. Meeting opened with singing. The roll call was answered by Valentine verses. Members decided to obtain the tea for pupils lunch. A letter of condolence was sent to a sister member. Several important discussions took place. Immediately after lunch an enjoyable contest was put on by Mrs. M. P. Corcoran, prize was equally merited by Miss Lily Carter and Miss Ruth Cairns drawn by the latter. Next meeting to be held at the president's home, Mrs. P. McQuaid on March 14th. roll call to be answered by paying a dime. Meeting was brought to a close by singing National Anthem.

### Square Timber To Japan

Douglas Fir square timber sent Japan in January totalled 4,006 M feet, United Kingdom 2,082, and China 823. The total export of that species was 7,055 M feet at \$79,693 compared with 9,003 at \$115,484 a year ago.

## THE HIGHWAY TRAFFIC ACT

The period during which Motor Vehicle Registrations Licenses may be used has been extended frombruary 28th, 1933 to March 31st, 1933, after which date 1933 plates and licenses will be required.
