FREDRICKTON, July 8.—Upwards of one hundred men, mostly foreigners, employed on track laying crews by Messrs. James H. Corbett & Sons Company, Inc., on the St. John Valley Railway east of this city, went on strike this morning for higher wages. They have been receiving \$1.80 per day and it is said they asked for \$2.00, which was refused, after which they struck. The whole crew of men besieged the contractors' offices all morning endeavoring to get paid off, but were told that they would have to wait for the regular pay day. Inquiries at the contractors' offices at noon brought forth the reply that the men had had some trouble with an employment agency and that was the cause for their quitting work.
