A MARITIME MASTER BREEDER—The following handsome tribute is from the current issue of the Maritime Farmer:—"The many friends of J. Walter Jones, Breeder of Holstein-Friesian Cattle, Bunbury Farm, Charlottetown, P.E.I., extend to him their sincerest congratulations in regard to the honorary degree of "Master Breeder" conferred upon him by the Holstein-Friesian Association of Canada in recognition of his splendid accomplishment in breeding the required quota of high quality Holstein-Friesian cows and bulls. Quality in this case means constitution, type, production and proof of transmission of production to get or offspring. The standard is a high one and rigid inspection is maintained. The Editor and staff and readers of The Maritime Farmer join in extending felicitations to our good friend Jones on his accomplishments and trust he may long continue the good work. Mr. Jones already holds the degree of B. S. A. from Toronto University and M. A. from Acadia. We presume the Master Breeder Degree is the most coveted of the trio. It is a degree in recognition of practical work accomplished. Mr. Jones, we understand, is the first individual breeder in Canada to receive such an honor, although Colony Farm, a Government institution in British Columbia, qualified last year."

"Why, I'm serving Shredded Wheat, of course. I just take the biscuits from the package and serve them with cream or milk; sometimes I add fresh or stewed fruits. If you'd like a hot breakfast I can prepare it in a jiffy: Shredded Wheat crisped in the oven while I heat some milk to pour over it. Oh, I'm a friend of Shredded Wheat! It's ready cooked, ready to serve; and it's just as delicious and nourishing for lunch as for breakfast."

strong aggressive temperance work. Anyone desiring a good time, who does not already belong to this Division, would certainly do well to attend some evening. Instructions can be had from the genial Worthy Patrons, Mr. Roy Burns.

Mr. Erle MacMurdo, North Bedeque, was a welcome visitor to Tryon. While there, he was the guest of his brother-in-law and sister, Mr. and Charles Wright.

Mrs. Reginald Forbes, Lower Bedeque, has returned to her home, after a very pleasant holiday in Charlotteville, where Mrs. Forbes was guest of Dr. W. H. Pethick.

A large crowd gathered at the Central Bedeque Hall on Friday evening to hear the Temperance Lecture by Rev. John Coburn, of Toronto. Rev. Mr. Coburn was coming out on the train from Emerald to Albany. Owing to the heavy freight carried over from the storm, the train was about two hours late arriving, thus Mr. Coburn was only able to have a look at Bedeque and was not able to give his address. Rev. J. W. A. Nicholson, Rev. A. G. Crowe, Rev. A. J. Reynolds, Mr. Emmerson Huestis, Mr. Horace Wright and other prominent men, gave very interesting talks on Temperance. Miss Eileen Dawson, of Central Bedeque, favored the audience with several piano selections. Friends regretted that Rev. Mr. Coburn was unable to stay over until Saturday evening.

The service in the Central Bedeque Baptist Church on Sunday morning was largely attended, the pastor, Rev. A. G. Crowe, taking as his subject, "The Tares Among the Wheat," thus, giving an eloquent explanation to his many hearers. A good attendance was present to Sunday School. The sacrament of the Lord's Supper followed immediately after Sunday School. The song and preaching service in the evening was more largely attended, despite the bad roads. Rev. A. G. Crowe, taking as his subject for service, "The Lost Christ." Mr. Crowe explained how Jesus is lost from our homes, our business and social life, through the desire for wealth and pleasure, right in our homes some twenty-five years ago, the family would gather together for "worship," but now the families, the young folks are out to some entertainments, rink or other such places, while the parents entertain themselves playing cards or listening in on their radios and then retire and so in few and far between, are the homes that continue the family worship and so the Lost Christ is in our homes today. No longer do we thank the Heavenly Father for our food, in nine homes out of every ten, "Grace" is no longer said, as in former years, and gradually is the Lost Christ seen in the homes. And so with continued business and social life, the prominent business man who sits up in the front pew in his church, a member of the church and so on, but in his business life, during the week, does he always do the fair and honest work, that he feels that he can take the front pew in church on Sunday. And some people will say, "the minister says I should join the church and carry on life in a Christian manner, and so I join the church thinking that that is all, I am now a Christian," but it takes more to make that when we have come to the "nighttime of our lives," we wonder if everything is all right. Have we lived a Christian life, has Jesus Christ reigned in our homes, have we contributed to the Church regularly, and so when we find no definite answer to any of those questions, we feel we have walked the wrong path of life, the "Lost Christ," has been with us through life. In closing, Mr. Crowe stressed the important point, that now, before it is too late, we turn to Jesus Christ for our wrong doings and that in some way He shall be able to turn us on the path of righteousness, to free us of our sins and that He will dwell in our homes, business and social life, forever. Miss Verna Schurman and Miss Eileen Dawson favored the congregation with a duette and Mr. J. B. Lewis, of Freetown, rendered a very beautiful solo. Mrs. Earle Leard accompanied on the pipe organ.

Despite the heavy ground drift and storm on Tuesday, Mr. Percy L. Bowness, of Summerside, undertook to drive Dr. and Mrs. Lefurgey, of Alberton, who got as far as Summerside, in a serious attempt to reach North Bedeque to visit Dr. Lefurgey's father, Mr. Fenwick Lefurgey, who is seriously ill at his home in North Bedeque. After a brief rest, Mr. Bowness returned to his home safely, the same evening. Mr. Lefurgey's condition still remains serious.

Plans are underway to organize a division of the Sons of Temperance in Summerside, so that the growing boys and girls may be able to receive intelligent instruction on the subject of Temperance.

Mrs. Reginald Forbes, Lower Bedeque, was a visitor to Summerside last week.

Mrs. George Sherry and Mrs. Thomas Ranahan, of Fernwood, drove to Summerside on Sunday. Owing to the storm and heavy drifted roads, they were compelled to remain in Summerside until the storm abated on Tuesday and traffic was resumed.

It is pleasing to report that Mr. Scott Cairns, of Wilmot Valley, who has been a patient in the Prince County Hospital, is now recovering and at present he is spending a few days with Mr. and Mrs. Benjamin Cairns, Summerside.

The Central Bedeque and Freetown Scout Troop are making rapid progress. All the scouts have completed and passed their Tenderfoot tests and are at resentments, IRLD, tests and are at present working on second class work. Since last fall, 14 boys have been registered in this troop, Robert Burns, of Freetown, having been a new scout to register.

Rev. J. W. A. Nicholson, pastor of the North Bedeque charge, was a visitor to Summerside on Thursday.

Miss Doris Muncey, Central Bedeque, is spending a few weeks in Lower Carleton, the guest of her grandmother, Mrs. Muncey.

The continued storms that raged during last week certainly filled everything to the uppermost point. The roads were banked in some places six to eight feet. The storm was very mild, although the wind was north and northeast and the snow fell so heavily.—B.
