WONDERFUL TALE OF AN ACTRESS

Struggled with Sickness and Discouragement; How Relieved.

Dayville, Killingly, Conn.—"I shall be glad to have every woman know what I know now, after using Lydia E. Pinkham's Vegetable Compound. Although I am only 24 years old, I have suffered for the past eight years. I hated the doctors, for a doctor told me to give up the stage where I was playing with my husband. I had bearing down pains, my health failed me, and I could not work on the stage, and wasn't able to tend my baby or even get around myself. I was always downhearted and discontented with the world, and only lived for the sake of my little girl. The doctor said to move to some quiet little town away from the noisy city, and I might be able to live and feel well, so I went to Dayville in November. At that time I was so sick I could not walk around, and my husband kept house and I stayed in bed. One day in January I read your advertisement in a newspaper, and I sent for Lydia E. Pinkham's Vegetable Compound, and started taking it. Within two weeks time I was a different woman, could get around, and felt so good that it was a pleasure to do my housework. I felt contented and happy, and now am the picture of health, and am tempted to return to the stage. We appreciate your health as the most precious thing on earth."—Mrs. H. L. KLEWITT, Box 85, Killingly, Conn.

RED CROSS PICNIC.—The Red Cross Picnic at Sturgeon on July 2nd proved an unqualified success. The sum of \$410.50 was realized which goes to swell the Red Cross Fund."

THE STANLEY.—The government steamer Stanley, Captain Reid, returned to Halifax Wednesday evening from Framboise, Cape Breton, where she assisted, in floating the steamer Clematis which was able to reach Halifax under its own steam.

POLICE COURT DOINGS.—At the Police Court Saturday the prohibition case against Joseph Jackson resulted in a conviction of \$100, which was paid. A similar case against Walter Davy was adjourned until this morning. The three auto mobile cases up for hearing were adjourned until next Saturday morning.

SCHOOL FARMING.—The boys of Queen Square School, to the number of about thirty had a big weeding and cultivating time on their school lot, on Victoria Park yesterday forenoon. The boys worked hard and left many evidences of the excellence of their work in the clean up and splendid looking plot they have undertaken to farm. Prof. McLarty and the Principal, Mr. Francis were with them, both to encourage and direct. Their plot shows considerable improvement as a result of yesterday's work. The other school will need to look to their laurels if they want to be in it at the time of harvest.

VIOLATION OF POSTAL LAWS.—Recently it has been observed that certain persons in the rural districts have been using previously used postage stamps for the purpose of pre-paying postage on letters mailed. In every case where a letter is detected it is sent to the Dead Letter Office and where the sender is known proceedings are instituted to recover the fine of ten dollars stated in the Post Office Act. A fine of this amount was lately collected from a party living near Alberton and the public are warned that prosecutions will follow in every case where such an offence is committed.

WEDDING BELLS.—A quiet and pretty wedding took place at the home of Mrs. Simpson, No. 190 Prince Street, on the evening of June 27th when her only daughter Ethel Winchester, was united in marriage to Mr. John Wallace McNutt, youngest son of Mr. George McNutt of Darnley. The ceremony was performed by Rev. J. Dugald McKenzie, Pastor of Zion Church, in the presence of the immediate relatives and friends of the contracting parties. The bride looked charming in a costume of white. She wore a corsage bouquet of brides roses and lilies of the valley. The happy young couple received the congratulations as they left for their future home in Darnley.

FAREWELL GATHERING.—The Elders of Zion Church with their wives, assembled on Thursday evening in the parlor of the Church to tender farewell to Mr. Thomas J. Coleman and family. Mr. John Lawson occupied the chair and in a few appropriate words called upon the different speakers. An address of appreciation and farewell was read by Rev. J. D. MacKenzie on behalf of the Session and presented to Mr. Coleman. Several members spoke feelingly of their estimate of the character and worth of Mr. Coleman, including Messrs. J. T. MacKenzie, D. A. Bruce and J. J. Bethune. All voiced the sentiment of the company when they declared that Mr and Mrs. Coleman and Miss Elizabeth and Master Tommy, would be greatly missed in Zion Church where their talents and services were exercised so willingly and cheerfully during their short stay in Charlottetown.

REGULAR QUARTERLY MEETING, Board of Trade, Wednesday evening, 8 sharp. 1459,7,7M31.

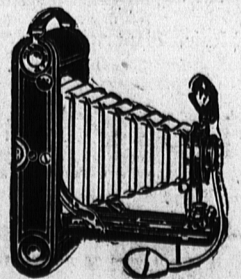

AT OTTAWA.—In the final debate on the Conscription Bill at Ottawa Mr. Donald Nicholson, of Queen's P. E. I., was the final speaker. He gave whole-hearted support to the bill and opposed the Laurier amendment. Mr. Nicholson also paid his respects to Quebec, and commented upon the situation in which that province would find itself if it continued in opposition to every measure to secure the men needed to reinforce the Canadians at the front section of the continent. The one section of the continent that was not prepared to do its full duty in the fight for civilization and freedom.—Mr. Nicholson's speech is found elsewhere in this issue.

DISTINGUISHED ISLANDER.—"Canada" for June, received through the kindness of Major F. B. McRae, of the Canadian Machine Gun Service, Crowborough, Sussex, contains a fine photo of Sir R. A. Falconer, whose name appears in the King's Birthday Honor List, under the Colonial Office List, K.C.M.G. Sir Robert Falconer, K.C.M.G., was born at Charlottetown, P. E. I., on February 10, 1867, his father being the Rev. Alexander Falconer, D.D. He was educated in Trinidad and at the Universities of London, Edinburgh, Leipzig, Berlin and Marburg. He was successively a lecturer and a professor in the Presbyterian College, Halifax, of which he was Principal from 1904-1907, in which latter year he was appointed Principal of Toronto University. He married in 1897 Miss Sophie Gaudier, Toronto.

GRANVILLE ITEMS.—Farmers have completed turning over and are now preparing for hoeing and killing potato bugs.—The crops are looking fine and healthy and the fruit crops is showing up good.—Granville is well supplied with fish peddlers this summer having two extra ones on namely M. John Warren and Mr. Wm. Wall.—The following summer visitors are here: Misses Tanton, Sullivan, Taylor and Earl Henry all fishing and taking in the scenery and enjoying themselves.—The semi-annual examination of North Granville School took place on Friday afternoon the 29th of June, quite a number being present. The school was examined by the teacher and Mr. H. T. Burgoyne in the several branches taught and gave ready answers to questions asked. At the close some prizes were awarded to those earning them and some complimentary remarks were made by the teacher.—Miss McLeod on the progress made during the year. She is engaged for another term.

SCHOOL CLOSING.—A very satisfactory school closing took place at Brackley Point, Road on Thursday afternoon, June 28th. There was a full attendance of children and about forty visitors present. The examination of the children in their various branches of study by their teacher, Miss Cullen, assisted by several visitors, showed plainly that good work has been done during the past six months. A programme of recitations, songs, and exercises was creditably carried out by the pupils, and much enjoyed by all. Prizes for the best attendance were awarded by the teacher in the following order: Ernest MacMillan, Freddie Roper, Arthur Roper, Willard Prowse, and Robert MacMillan. Remarks were then invited, and the trustees and others expressed themselves as well pleased with the results of the year's work, and extended a hearty invitation to Miss Cullen to remain another year. As a slight token of their appreciation of her earnest and painstaking labour among them, Miss Cullen was presented by the school with a beautiful silver mesh bag and box of chocolates, also an address to which she suitably replied. The hearts of the young folks were then made glad by the distribution among them of ice cream by their teacher, oranges by Mrs. Roper and confections by the lady visitors. When the last of the good things had disappeared, a most successful examination was brought to a close by the singing of the National Anthem.

Keep the Story Connected with Each Kodak Picture

The most interesting things about a picture are the incidents in connection with its taking.

You can make your photographs accurate, authentic and interesting by using an Autographic Kodak

IN MEMORIAM

CHRISTY S. MACINTOSH

Died at Bradshaw, June 28th, 1917, Christy Sarah Macintosh, age 74 years and 23 days daughter of Rodrick Macintosh, carpenter of P. E. I., leaving a disconsolate father, three sisters, Isabel, Annie May and Florrie at home, two brothers now on overseas service, namely John C. and Daniel W. to mourn the loss of an obedient daughter and a kind and loving sister. Funeral took place on Saturday last from her father's residence to Springton, where her remains were laid to rest, beside those of her mother, who predeceased her eight years, there to await the resurrection when the grave shall yield their charge, and death to life awake. Funeral service was preached by her pastor, Rev. MacColl, and was very impressive. The pall-bearers were John and Fred Trowsdale, John MacIntosh, Dan Todd, James MacKenzie and Duncan MacLean. (Patriot and Examiner please copy.)

JOHN McPHERSON.

The death occurred at Orwell on June 30th of Mr. John McPherson, one of the most highly respected residents of that place. He had been around as usual through the day, and when sitting in his chair was stricken with paralysis. A few hours later he passed away. Dr. McLeod was immediately summoned when he took ill, but medical skill proved unavailing. The deceased, who was seventy-eight years of age, followed the sea when a young man and had been in almost every country in the world. He had a number of interesting experiences, for instance on one occasion having been stricken with smallpox, and strapped to the vessel for a week. On retiring from the sea, he engaged in farming, which he followed with considerable success. He was a loving husband and father, a most kindly neighbor and one of the best of men, ever ready to help the needy. He was a life-long member of the Presbyterian Church, a power for good in the community and will be greatly missed by the people. He leaves to mourn his widow, one son, Archibald and a daughter Klity Ann at home, a daughter Florence, trained nurse, in New York and another daughter Mary in San Francisco, one son William in British Columbia, also a brother Donald in New Zealand, two sisters, Mrs. A. Green in Boston, and Mrs. Malcolm Murchison in Mt. Buchanan, also a half-sister, Mrs. Ruben Brehaut, Lyndale and a half-brother Lauchlin McPherson of the same place. Another son, John Allan was drowned some years ago in California. To the bereaved relatives, the Guardian extends sincere sympathy.

APRIL 1st, CASH BUYING

THE DAWN OF A NEW DAY IN OUR BUSINESS

The Cash System which we introduced on April 1st enables us to offer you immense values in our different departments. Our customers and the public in general, have been big enough to see that our somewhat severe terms are no reflection whatever on the financial standing of any customer. If you know there was a \$5.00 bill between the pages of a book, you would look mighty careful, even if there wasn't a picture on every page. Lack of space prevents us from illustrating every article, but a careful inspection will disclose many opportunities for profitable purchases.

Our early buying enables us to offer you excellent values in our Millinery, Dry Goods, Boot and Shoe and Grocery Department.

We have just received two cars of Woven Wire from the N. B. Fence Co. which we are selling at the old price, and as there has been an advance of 15c per chain, with the probability of \$2.25 for next year, we would advise early purchases for your future requirements.

WE HAVE ALSO RECEIVED:-
500 bbls. ROBIN HOOD FLOUR.
300 BAGS STANDARD MIDDINGS.
300 BAGS GERMAN MIDDINGS.
300 BAGS OIL CAKE.
300 BAGS BRAN.

We wish to call the attention of all dairymen to "Germ Middings," which has a better analysis than Oil Cake and is an ideal feed for your dairy cattle. Give it a trial and be convinced.

Special prices quoted on quantities of Feed and Flour. Freight paid on woven wire to all stations. Highest prices paid for washed or unwashed wool. Ask or write for prices.
