(From Yesterday's Evening Guardian)
—WEDDING BELLS.—The home of Mr. and Mrs. W. S. Nuttall was the scene of a very pretty wedding on Wednesday, June twenty-fifth, when their only daughter H. Blanche was united in marriage to Mr. Ernest W. Harper of Jacksonville, N. B., by the Rev. Hammond Johnson, in the presence of about fifty near relatives. Miss Nuttall was given away by her father and entered the parlour to the strains of Mendelssohn's wedding March which was rendered by Miss Alice Tilley of Jacksonville. The bride and groom were attended by Miss Laura Callbeck of Tryon and Mr. H. Weeks of Fredericton. The bride was very becomingly gowned in a dress of cream colienne and wore a veil artistically draped with orange blossoms. She carried an arm bouquet of roses and maiden hair fern. Miss Callbeck wore a cream dress of gloria silk. The beautiful gifts received showed the esteem in which the young couple were held. The groom's present to the bride was a gold locket and chain, to the brides- maid a gold brooch. Not the least interesting was the grand chivaree which was very much enjoyed by all. The company which was a very large one was composed of young and old who displayed unusual ability in carrying out the program of an order- ly exhibition of that kind. At the end the big captain arranged with the host to have his regiment pass through the house in order to be treated by the waiters on the way. The attire worn by many of the per- formers was superb, and the manner in which they carried-out their part of the affair was worthy of special mention which is a well known char- acteristic of the merry-making ele- ment of Cape Traverse and Carleton and adjacent communities to the ad- miration of the onlookers. The re- mainder of the evening was pleas- antly spent in listening to music and recitations.

—HIGH SCHOOL CLOSING.—The closing exercises of the Alberton High School, which are always looked for- ward to with interest, were this year no exception. On Friday afternoon public examinations, at which quite a number of ratepayers were present, took place in the school. In the evening the Town Hall was crowded and a very interesting program was given by the pupils. Rev. George Millar oc- cupied the chair and eulogized the teachers and pupils on the successful work of the past year. The valedic- tory was delivered by Mr. David Mil- ler in a capable manner. Certificates and prizes were presented to the three departments and the successful ones came forward and received them from Principal M. E. Francis.—A.
