GUARDIANSHIP... BY THE PEOPLE... FOR THE PEOPLE

Pilot without wings

YOU may not be required to fly a bomber and risk your life in striking at enemy targets. Age and health may bar you from service on the fighting fronts.

But as a family man, you are a pilot on the home front. You face unforeseen hazards. Your family looks to you to chart a wise course for the safety of yourself and your loved ones.

Fortunately you need not be alone at the controls—you have a reliable co-pilot in life insurance. It will help you to attain any definite financial object in life that you set for yourself. It will safeguard the precious lives in your care.

Guardianship of the people, by the people—that is the story of life insurance—a story of security for more than a million Canadian families. It's the romance of the people's dollars co-operating and circulating in a democracy we must fight to save.
