Why A Farm Needs A Milwaukee Air Power Water System

Combined in a few words the answer is: Because it is the best investment a farmer can make. Time spent in carrying water, in pumping water and in taking the stock to the watering trough is time that can be used to better advantage at other work.

The matter of home comfort also is important. Isn't the wife of the farmer just as good as the city woman?
What about the children? Is there any reason why they should not have a home equipped with a bath room and inside toilet just like their city relations?
And to think what it means in case of fire to have a hose handy and eighty pounds water pressure to fight it with.

Call in the next time you are in town and look over our demonstrating outfit.

WEDDING BELLS—A pretty wedding was solemnized at the Baptist Parsonage, Charlottetown, Wednesday, August 18th, 1920, by Rev. C. H. Freeman, when Christopher B. son of John G. and Mrs. Imman DeSable, and Eleanor Adelaide daughter of Amos R. and Mrs. Gorrill, Glenwood were united in marriage. The bride wore a trailing suit of navy blue with picture hat to match and carried a bouquet of asters and sweet peas. Before her marriage she was showered with numerous gifts by her fellow employees of F. W. Woolworth Co., Ltd., where she held the position of stenographer. The Philatens of the Charlottetown Baptist church also remembered her. The groom, who was the first DeSable boy to enlist in the Great War has a noble war record having served on active service two and a half years with the 25th Battalion, P. E. I. He now occupies a position with T. Eaton Co., Ltd., Moncton. The numerous gifts received testify to the popularity of the couple. They left by the afternoon train for western parts of the province and after their honeymoon will return to Moncton where they will reside at 323 Robinson St. The best wishes of a host of friends accompany them on their journey through life.

Minard's Liniment Co., Limited.
Gentlemen,—Ever since coming home from the Boer war I have been bothered with running fever sores on my legs. I tried many salves and liniments; also doctor-ed continually for the blood, but got no permanent relief, till last winter when my mother got me to MINARD'S LINIMENT. The effect of which was almost magical. After two bottles the sores completely disappeared and I have worked every working day since.
Yours gratefully,
JOHN WALSH.

MRS. LUCY DOUCETTE, of Manchester, N. H., who says she's just so happy over the way Tanlac restored her health she can't keep from telling people about it.

"I am just so happy over the way Tanlac has restored my health that I can't keep from telling people about it," said Mrs. Lucy Doucette, of 76 Stark Street, Manchester, New Hampshire, a few days ago. "I suffered so long with chronic indigestion that I didn't know what it was to sit down and enjoy a single meal. My stomach was so badly disordered I had to live on the strictest diet, and nothing seemed to agree with me. At times my health seemed to be cut off, and I would suffer terribly for hours at a time.

"I lost my strength completely and became so weak and run-down I would give out several times during the day and would have to stop and rest. I was extremely nervous and irritable, and just felt like I would break down completely. "One day I saw a statement from a friend of mine who said Tanlac had helped her wonderfully, so I was convinced it was a dependable medicine and I began taking it immediately, and I am more than pleased at the splendid results. My appetite improved right from the first, and the horrible indigestion from which I suffered so long has entirely disappeared. "I have now finished my fourth bottle, and can eat just anything I wish without any bad after-effects. I also sleep better and have more strength and energy. It is a pleasure to tell others what Tanlac has done in my case."

Tanlac is sold in Charlottetown by Revere Bros., in Montague by H. J. Mabon, J. P. White, Murray River, H. M. Chisholm, North Tryon, R. H. Cameron & Co., Crapaud, and H. P. Coulton, Murray Harbor.

A Vivid Picturization of the Novel

BY
Rupert Hughes

The characters of this picture are as interesting as characters in life, sincerely portrayed and interesting beyond doubt. Helene Chadwick is the heroine, the woman of many personalities whose real self is hidden in a net work of social activities.

See Her in the "Cup of Fury"
And decide for yourself which is the real woman—the social butterfly, the cabaret entertainer, or the working woman.
