S. O. T. MEETING.—Pearly stream division S. O. T., Franville celebrated its 23rd anniversary on Wednesday evening, Feb. 14th. The meeting throughout was very successful and interesting, they having secured His Honor, Judge Stewart to deliver his lecture "Is universal peace attainable." Mr. A. K. Henry presided and the first number of the program was a well rendered "Chorus." The chairman then made some remarks and called on Mr. Thos. Wigmore to address the meeting in behalf of the division, who expressed his pleasure at again meeting them on anniversary occasion, referring to the organization as an educative agency and the splendid record of 23 years the division had to its credit. He paid tribute to the chairman, Mr. Henry for his long and active services in temperance work, and closed by making a strong appeal to the members to hold fast to that which is good (The division). His Honor Judge Stewart was the next in order, who before he proceeded with his subject wished to express how gratifying it was to him to learn of the progress the division had made and believed there was no better order in a community than a well conducted division of the S. O. T. Proceeding with his subject, "His honor presented some very interesting phases in connection with the present war, and handled his subject very thoroughly. At the close a vote of thanks was moved by Mr. Thos. Wigmore and seconded by Mr. Jas. Taper after which an intermission was given and the Red Cross members of that place took charge selling candy and yarn which was rapidly picked up at good prices. Meeting was again called to order and G. W. P., Ira McKay gave a brief address. A "chorus" and the National Anthem brought an interesting meeting to a close.

SUCCESSFUL CONCERT.—The concert and pie social held in Orwell Cove Hall on Thursday night proved a grand success. Although the spacious hall was crowded to its utmost capacity the best of order prevailed throughout and every number was greeted with hearty and well-deserved applause. The concert was given solely by the school under the able training of Miss Margaret Cavanaugh, teacher, and Mrs. L. R. Ings. So well was every number staged that it would be doing a gross injustice to particularize as even the "wee tots" conducted themselves in a manner worthy of "grown ups." After the concert was over Mr. James Morrissey in a clever and well worded speech tendered the vote of thanks of the school district to the ladies who took such great pains in training the scholars to perform their various acts. The chair was very capably filled by Mrs. L. R. Ings. The pies were auctioned by Mr. Milton Furness, in a manner deserving of much credit. A considerable sum was realized which will be used in the best interests of all concerned. The program was as follows:—Chorus, by the school; recitation, by Irene McLeod; dialogue, by Florence McLeod and Borden Ings; recitation, Annie McLeod; solo, Irene McLeod; dialogue, Stanwood McLeod and Johnnie Morrissey; recitation, Walter McLeod; recitation, Hazen Ings; solo and chorus; harmonica selection; drill; intermission; sale of home-made candy; children's drill; Jack Frost; dialogue, "Scene in the Backwood"; recitation, John McDonald; duet, Florence and Vernon Ings; recitation, Marion Ings; dialogue, "Taking the Census"; solo, by Stanwood McLeod; harmonica selections; recitation, Angus Nicholson; dialogue, by Annie McLeod, and Elmer McPherson; chorus, by the school; good-night drill.

MEETING AT BONSHAW.—A well attended patriotic meeting was held Tuesday night at Bonshaw when the claims of the Patriotic Society, recruiting for the various branches of the service, including Army, Navy, and Railway Construction corps, were forcibly set forth by Judge Stewart, E. T. Carbonell and W. W. Stanley. Mr. C. W. Crosby presided. One recruit was secured for the artillery, Edouard Ewen Crosby, the only son at home.

PATRIOTIC AFFAIR.—A pie social under the auspices of the Orwell Red Cross Society was held at the home of Mr. Neil W. MacLeod on Monday night. The guests were received by Mr. and Mrs. MacLeod in a very kind and genial manner. The early evening was spent in games and music; Mrs. L. R. Ings acted as organist and Mr. Milton Furness sang several songs in his own capable and efficient manner. A sumptuous repast was prepared in a manner exceeding that of the former efforts of the Orwell ladies. After supper a number of the guests indulged in a social dance till two o'clock when all left for their homes feeling that it was an evening well spent. Mr. MacLeod received much praise for having opened his house for the social and having been so painstaking with all present. The sum of thirty dollars was collected at the various tables and a donation of five dollars sent by Mrs. John S. MacLeod, Ufgg, was heartily received.
