MALTEX BREAD
MADE FROM
MALTEX FLOUR

Maltex Flour, which is produced by the scientific treatment of the choicest wheat flours with the finest barley malt diastase makes a bread of very fine, delicate texture, brown in color, and although containing no sugar, has a slightly sweet, nutty flavor, that is extremely delicious. MALTEX BREAD is proving a happy revelation as far as digestibility is concerned. It is one of the most appetizing and nutritious breads made. I have secured the sole right from THE MALTED CEREALS Co., Montreal, Que., to manufacture MALTEX BREAD for Charlottetown, P. E. I.
Families who value pure and unadulterated foods should give this Bread a trial.

TO-MORROW'S GAME.—If St. Dunstan's win to-morrow's football game, they will have the championship of the province even if the Victorias should defeat them next Thursday. If the Abegweits win, St. Dunstan's must defeat the Victorias on Thursday to tie with the Abegweits. In that case a play off would be necessary. Both teams are determined to win to-morrow and the game will doubtless be the best seen here for many a day.

A GREAT LITTLE WORKER.
During a long life time the heart will propel half a million tons of blood through the body, and so long as the blood is in a healthy condition it will repair itself as fast as it wastes, patiently keeping up the play of its valves and the rhythm of its throbs. If the action of the heart gets weak, irregular and fluttering, the blood is lacking in nourishing qualities and requires just such assistance as is best supplied by Dr. Chase's Nerve Food, the great blood builder and nerve restorative.

WHY CATARRH IS FATAL. Because it pours a flood of poisons into the circulation that saps strength and digestion so materially as to render the body incapable of resisting disease and consumption is the result. Catarrh is quickly cured by Catarrhzone, a fragrant germ destroying vapor that goes to the root of the disease. It soothes and heals the inflamed mucous surfaces, clears the throat, and positively never fails to perfectly cure Bronchitis, Asthma or Catarrh. Nothing is so good for diseases of the respiratory organs as Catarrhzone. Large outfit \$1. Small size 25c. Druggists or by mail from Polson & Co., Kingston, Ont.
