PRESIDENT'S REPORT ONWARD INSTITUTE

The following is the President's Report of the Onward Institute. The Onward Institute was organized Feb. 12th, 1908. Since that date we have held fifteen meetings, eight in Temperance Hall, Georgetown, six in Royalty School House, and one in town hall. You will see that the meetings were nearly equally divided between the two points, six of these meetings were addressed by Prof. Ross and others, and it is pleasing to note much interest was taken in them. In the future as the Institute grows older and stronger we will expect still greater interest and a larger attendance. Since the Institute was organized, we have purchased a pure-bred hog for the district, kept by J. J. Morrison and is pronounced by competent judges to be a first class animal. On August 16th, at a meeting of the Institute, a resolution was passed asking the Messengers of Agriculture to send a dozen pure-bred rams to Georgetown, to be sold at public auction, for the benefit of the farmers of Kings County.

Horse Distemper

Prince Edward Farmer Solely Declares Nerviline Is a Specific.

"After fifty years' experience in raising horses I can safely testify that no remedy gives such good results for an all-round stable treatment as Nerviline. This opinion is the earnest letter of J. J. Evanson, who lives near Wellington, P. E. I had a very valuable horse that took distemper a month ago, and was about to go to the pound. His throat swelled and he could not breathe. His nostrils ran and he had a terrible cough. I tried different remedies, but was unable to relieve him. I heard of Nerviline and I started to use it. I rubbed the mixture on the throat and chest three times a day and you would scarcely believe the way that horse picked up. Nerviline is a specific for colic in horses and cows, and earnestly recommend it to every man that is raising stock."

Nerviline Cures Quickly

After Mrs. Pay, the chief feature of the bill will be the vaudeville debut of Miss Lillian Herbin, erstwhile prima donna soprano in "The Rose of Algiers," before appearing in Victor Herbert's tamed opera, "The Herbin's singing was a sensation in all Europe, and is wonderful. It will readily be accepted as a most famous acquisition. Another big singing turn will be disclosed when

ROBBING HIM OF ALL HOPE

NEW YORK, Jan. 20—Charles W. Morse hasn't a chance of getting out of the federal prison at Atlanta, Ga., where he is serving a fifteen-year sentence for violation of the national banking laws, on the plea that there was a special accountant in the grand jury room when the indictment was being prepared.

NEW YORKERS WOULD GET IN

MONTREAL, Jan. 20—Several New York capitalists were here today, one of them representing the Morgan interests, and will confer with the street railway and power directors with a view to form a part of the hundred-million central station project.

ELECTION CARD

To the Electors of Charlottetown, Ladies and Gentlemen,—Yielding to the earnest solicitation of a large number of influential citizens, I have consented to nominate for the office of Mayor of Charlottetown. As I have served for six years as a City Councillor I feel that I am conversant with the conduct of civic affairs. I am, and always have been in favor of the progress and improvement of our city, by every possible means consistent with reasonable economy in expenditure and due regard for the rights and wishes of the taxpayers. I am a strong advocate of ballot voting in civic elections, and of such other progressive measures as the taxpayers may deem essential for placing our city in line with the most up-to-date communities.
