THE KING'S COUNTY GUARDIAN

CONDUCTOR STANLEY, of Souris, was in Montague Thursday.

ADVERTISER and subscribers in Souris and vicinity are asked to hand all matters for The Guardian to P. G. Seaman, the company's agent at that place

ADVERTISERS and subscribers in Montague and vicinity are asked to hand all matters for The Guardian to Capt. W. A. Johnstone, the company's agent at that place.

JAMES MCDONALD, formerly of Queens Road near Montague, arrived home on Wednesday, after an absence of 18 years during which time he has travelled the continent and spent considerable of his time in the great mining countries where it is understood he prospered to no small degree. He was accompanied from Gloucester Mass, by his brother Allan and his wife, who with the former, will receive a hearty welcome from their many friends in Montague and vicinity. John McDonald Queens Road is a brother, and Mrs. John Lemon and Mrs. (Capt.) D. McLeod, Montague, are sisters. All wish them a pleasant sojourn in their native land.

NO LINIMENT CAN CURE IT.

That pain between the eyes isn't neuralgia. Many think so, but it is catarrh, plain ordinary catarrh that needs attention right now. Your proper lead is to use "Catarrhozone." Doctors recognize it as a cure that surpasses all others. Sure, because it does reach the trouble; safe, because no drugs to take, you breathe its healing vapor direct to the course of the trouble, and cure is guaranteed. Two sizes, 25c. and $1.00. Sold everywhere.

THE GUARDIAN'S BICYCLE ROAD RAC

The date of The Guardian's bicycle road race has been definitely fixed for August twenty eighth.

Entries are to be confined Prince Edward Island riders alone.

The race is for The Guardian's three-year-trophy; but in addition thereto L. E. Prowse, of Prowse Bros., Ltd., offers a gold metal to the winner of this year's race: W. N. Tapton jeweler, of this City, offers a silver trophy to the one who wins second place. W. E. Moran of the Union Commercial College offers a silver medal. The Canada Cycle and Motor Co., through their local representative Ernest Rice offer a silver butter cooler which they value at ten dollars, and J. A. S. Bayer of Gauvin Gentzel & Co. offers one half dozen cabinet photos.

The course begins at The Guardian office in Charlottetown and follows Grafton Street to Great George Street, thence continuing on to the Upper Malpeque Road which it follows to this side Milton station, thence taking the road to the left which runs alongside Moore's Mill stream and on to Warren's Corner, North River. From this corner the course will be across the North River Bridge to the Royal Arms, thence by Lower Malpeque Road to Brighton Road, following Brighton Road out to the shore, then taking the Park Roadway, following the same round the Park and so to starting place—16 miles.

WHEN YOUR BACK HURTS.

Of course it's hard to work. Stooping ever hurts, lifting is tedious, and you wonder what to do. Ever try Nerviline? Nothing like it for weak or lame back. It penetrates to the core of the pain, eases from the first application, brings cure that defies a relapse. No liniment is so clean, so soothing, so certain to kill muscular, rheumatic or sciatica pains. Your dealer sells Polson's Nerviline in large 25c bottles. Why not try it?

THE GUARDIAN COVERS THE FIELD

The Guardian covers the City and Province within which it is published more fully and completely than any other newspaper printed in Canada.

With a daily circulation of its morning and rural edition now about 8,000 and growing from day to day, it has broken all records for a daily publication in a small community.

Charlottetown has a population of 12,000 and Prince Edward Island has 103,000 The Guardian's daily circulation is therefore as 1 to 1½ of population in the city in which it is published, or 1 to 13 of the population of the Province. This is, the management believes unequalled by any daily newspaper published in Canada.

Take one or two comparisons with other leading newspapers in other cities and Provinces.

St. John has a population of 40,000 and the Province of New Brunswick 320,000 St. John has five newspapers and among these The Telegraph and The Sun are perhaps the foremost. Each claims a circulation of about 8,000, or say as 1 to 5 of the population of that city and 1 to 40 of the population of the Province.

Or again: Toronto has a population of some 250,000 and the Province of Ontario about 2,225,000. The Toronto Globe is a great Canadian newspaper, known all over the world as one of the foremost journals. The Globe's published daily circulation is slightly under 50,000. That is as 1 to 5 of the population of Toronto and 1 to 41 of the population of Ontario.

The point is this that The Guardian covers the field of its circulation three and a half times as well, if compared with population of the city, and over three times as well, taking the population of its Province, as the best New Brunswick and Ontario daily newspapers, and these are admittedly among the best in Canada.

These facts are printed in no spirit of boasting, but for the satisfaction of Guardian readers and advertising patrons alike. They have a right to know how completely their favorite Journal's endorsed by the reading public among whom it circulates and how completely it covers the field as an advertising medium in this City and Province.
