THE PRINCE COUNTY GUARDIAN

Offices in Summerside, in Office Late W. T. Burrows, and in Alberton, Herbert Clark, Agent.

—The latest news, first of all.

—Miss Ellie Alward, Summerside, spent Sunday in Kensington.

—The many friends of Thos. Taylor, Freetown, will regret to learn that he is quite ill.

—Miss M. Laird, Summerside, is visiting in Charlottetown, the guest of Mrs. John Wonnacott.

—J. H. Gill, York, who has been attending the Seed Fair in Summerside, returned home Saturday.

—T. C. P. Yeo, Summerside, who has been quite ill for the past few days, is reported somewhat better.

—The proceeds of the sale of tags made for the Prince County Hospital Fund during the Seed Fair in Summerside, amounted to about two hundred dollars.

—It may have been forgotten that nineteen years ago today, the regular selling price of hay was \$19 per ton, with solid winter weather and no signs of spring.

—The latest report from Mrs. Wm. Yeo, Travellers Rest, who has been ill for some time past, says that she is not any better and that there is no hope of recovery.

—Miss Glidden and Miss Kenny, of Sinclair & Stewart's millinery dept., Summerside, left the latter part of the week to attend the millinery openings in St. John.

—It is reported that at a meeting of the people of St. Louis, Farmers' Road and vicinity a resolution favoring the repeal of the present anti-automobile legislation was almost unanimously adopted.

—J. S. Allen, keeper of the Summerside harbor light, has had quite a lot of fire-wood removed where he had it stored at the lighthouse. He says that he has strong circumstantial evidence of who the parties are who are guilty of removing.

—The beautiful spring fabrics so artistically draped in McGougan & Wright's show window in Summerside gives a splendid idea of the predominating shades and weights for summer and early spring wear. With the perfectly blending trimmings and the required fixings, so necessary to the up-to-date store always in stock, shopping is made a pleasure at McGougan & Wright's.

—His many friends in Alberton and in other parts of the Province will regret to learn of the death of David A. Hunter, which occurred in Vancouver, B. C., on Tuesday last. Particulars of the cause of his death are not fully to hand, but a telegram received stated that he would undergo an operation on Monday last for appendicitis, and on the following day a second telegram came announcing his death. Deceased was forty-five years of age and was the third son of the late James Hunter of Killinain, Alberton. He is survived by two sisters, Mrs. B. Rogers, Alberton, and Mrs. M. R. Wells, of Vancouver, and by three brothers, James N., William and J. Edward, who reside in Alberton.

STOCKS WEAK AND STRONG IN TURN

NEW YORK, March 12—The action of the stock market today threw no clear light on financial, commercial or industrial conditions. The movement of prices was not perceptibly responsive to news of affairs, but rather to the working out of professional operations. The market demonstrated good absorptive power and the firm undertone thus implied may be accepted as evidence of underlying confidence on the part of holders of securities.

Don't Shut the Door in the Face of Business

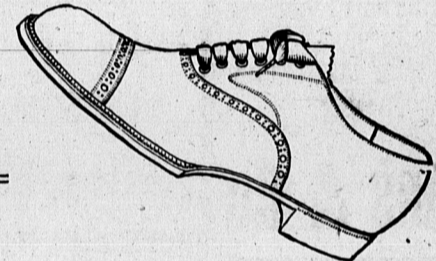

Why do you slam the door in the face of a customer—the door on your desk or wall—we mean the phone? Are you on a party line?

Would you like to know how many times the operators have to report "line busy" in a day or week—would it interest you to know how many dollars passed your door to your competitor through this false economy? Put yourself in your customer's place—look at your business from the outside. If at the last moment you telephoned for some article or information in a hurry, on different occasions, and in reply received "Line Busy". Would you or could you do otherwise than to phone to where you get the best service—not if you are a thrifty business man or an industrious woman.

On request we can tell you the number of times the line was reported busy in a day or week. Give your customers a square deal and you will be assured of the very best class of trade.

Better phone Contract Department now—right now, before you forget it—there may be someone at this very moment trying to get admission through the business door and the operator has to again report "Line Busy". Don't stay on a party line.
