## LOCAL BRIEFS

REV. W. H. SMITH of Summerside, P. E. I., accompanied by his wife, are spending a few weeks' vacation in New Glasgow, the guest of Mr. Smith's brother, Mr. Alex Smith.—New Glasgow Chronicle.

THE residence of Mr. A. J. McFadden, Tignish, narrowly escaped being destroyed by fire last Tuesday morning. The fire had made considerable progress before being discovered, having burned through the roof from a servant's bedroom upstairs. Fortunately the family had not retired, and with the assistance of a number of neighbors the flames were got under control before much damage was done.

FERGUSON is a prize-winner at the St. John Exhibition as follows: Galloway cattle, bull over three years, 1st; bull 1 year old, 1st; bull calf, 1st; bull of any age, 1st; cow over three years old, 1st and 2nd; cow over three years old, 1st and 2nd; heifer 1 year old, 1st; heifer calf, six months, 1st; do under six months, 1st and 2nd; female, any age, 1st; Galloway herd, 1st; breeder's young herd, 1st. In beef grades Mr. Ferguson wins two second and a third prize for fat ox and steer.

THE GUARDIAN is pleased to announce the marriage of Mr. Charles A. McLean, of the Trade's National Bank, Spokane, to Miss Lillian Robertson, eldest daughter of the late Charles Robertson, Charlottetown, which took place at an early hour yesterday morning. Mr. McLean is a son of our esteemed townsman William McLean, Esq. He entered the Merchants Bank of P. E. I. in this city a number of years ago. He left this Province about three years ago and has been located in Spokane for the last three years. Miss Robertson is one of Charlottetown's most popular young ladies, and was a valued teacher in Prince Street School for some time.

THE Plant line, La Grande Duchesse Cap. Haslon, which arrived from Charlottetown via Port Hawkesbury at eight o'clock yesterday, will only make one more trip this season to the Island ports. She will go down to Charlottetown next Monday as usual, but on the following week she will be dry docked at Halifax to undergo a general look-over, preparatory to her engagement on her winter route.

After her last sailing from Halifax, September 27, the Duchesse will proceed to the America's cup races off Sandy Hook, for which she will no doubt carry a large number of sight seers. The winter programme of this popular steamer has not yet been given out, but she will probably be employed in the Southern trade.—Chronicle.

MISS GEORGIE McQUEEN, who has been visiting friends in Cadigan, P. E. I. for several weeks, returned home last week.—New Glasgow Chronicle.

THE 2.25 class will be finished at the Driving Park today at 2 o'clock sharp. Entrance fee 25c; grand stand free. The remaining heats of this race promise to be interesting.

THE remains of the late Rev. J. Johnson, whose death was recorded yesterday morning, will be brought to the city by the S.S. Princess this evening and will be removed to the residence of Mr. G. H. Holbrook, King's Square. The funeral will take place at 2 o'clock on Saturday to St. James' Church, thence to People's Cemetery.

A Brockville Ont. despatch says: Rev. Robt. Laird, of Campbellford, who accepted a call recently to the first Presbyterian church, Brockville, was tendered a magnificent reception by his new congregation. Many visiting clergymen were present and extended their congratulations to the church on securing such a bright minister. Mr. Laird is a P. E. Islander, a nephew of Hon. David Laird, formerly of P. E. Island.—Halifax Chronicle.

FRANK STEPHEN competed in the Montreal A. A. C. handicaps on Saturday afternoon, though, as he is not a member of the club, his finishes were not counted for places. The Star says he promises well for the championship meeting next Saturday. In the 100 yards, W. Covernton, with 9 yards handicap, won in 10 seconds, and Stephen finished second. Covernton, with 15 yards handicap, also won the 220 with Stephen second. Covernton's time was 22 3-5 seconds.

THE S S Halifax arrived in port at 7 o'clock yesterday evening with the following passengers:—Miss K. Nicholson, Miss M. A. Dyke, Florence Lora-way, H. S. Anderson, H. D. Reeves, A. G. Conley, C. W. L. DYSTANT, Ellerslie P. E. Island, a brother of Clayton & Sons well known representative, has commenced traveling in the Maritime Provinces for P. V. Ayotte of Three Rivers, Quebec. This is the first trip he has made in this province and he finds that the field has hitherto been occupied by one or two suspender firms.
