Caledonia Wins The McTier Cup

(C. P. By Guardian's Special Wire) GLACE BAY, N. S. Nov. 10.—The McTier Cup, emblematic of the English rugby championship of Eastern Canada, goes to the Caledonia team here this year without a struggle. Word was received today from Mr. R. H. Gunn, Secretary of the Cup trustees, that the only other challengers, Montreal Amateur Athletic Association fifteen, would be unable to come to Cape Breton and therefore were withdrawing from the competition. Caledonia also won the cup last year.

"PANTS BANDITS" ACTIVE

(C. P. By Guardian's Special Wire) CHICAGO, Nov. 11.—A pair of "pant bandits" is operating in the loop, one of them a woman. Three times they have appeared, each time forcing their male victim to remove his trousers, to make their escape easier. Police think the woman is the same one who preyed upon taxi drivers some time ago, forcing them to remove all but their underwear before she departed with their money.

Stuffed Fish

Clean and bone a large fish, such as a whitefish. Make the following dressing: Mix 1 quart soft bread crumbs, salt and pepper, 12 boned anchovies, 2 tablespoons shredded, boned salt herring, 1/4 cup melted fat; add enough milk to make a moist dressing. Fill the fish and sew it together. Steam or bake the fish until tender. Cool and then chill thoroughly. Place on a platter and blanket with mayonnaise or cooked salad dressing. Garnish with a row of capers along the back. Place parsley in eyes and mouth. This fish may be served hot, if desired, with currant sauce.

CANADA'S UNSOLVED MYSTERIES

(By John C. Scott) (Canadian Press Staff Writer) (Copyright, 1934, by The Canadian Press)

TORONTO, Nov. 11.—Thirteen years have passed since "Dublin Bill" Sweeney, pencil vendor and well-known street character, was found dead in bed in a Pease street "flop-house." His death remains today as much a mystery as it was at the time.

On the morning of July 16, 1921, the body was discovered by the proprietor of the rooming house. The man had been strangled evidently by a powerful assailant. The thyroid bone was broken, both eyes blackened, and two teeth knocked out by a blow. Sweeney was a shifty character, odd and of obscure history. He peddled his wares in downtown Ottawa. To his customers he appeared quiet, mild and inoffensive. He was about 5 years old. Police knew little about him.

On the night of July 15, he arrived at his rooming house with a slight youth of about 23 years. The letter was dressed in laborer's clothes. They took a double bed on the top floor for which Sweeney paid 70 cents. Sweeney's companion left the building about 11 p. m. Prior to his departure and from the time he left until the body was found next day, not a sound was heard from the room on the top floor. Other lodgers testified any noise created by a struggle would surely have been audible to the others because of the thin partitions in the house. If any disturbance had taken place before 11 o'clock, half a dozen men awake in an adjoining room would certainly have been on the alert for the cause thereof. No motive could be unearthed. Money could not have been the murderer's object because a wholesale purchaser from whom "Dublin Bill" purchased his pencils testified the victim a few days previously had been unable to pay for his usual supply.

Measle Epidemic Still Raging

(C. P. By Guardian's Special Wire) GLACE BAY, N. S. Nov. 10.—With more than 1,100 children still down with measles, local authorities see little likelihood of re-opening the town schools before Nov. 19. Two deaths occurred shortly after the epidemic broke out two weeks ago but none have been reported since.

Dr. Bruce Archibald, town health officer, said tonight he believed the epidemic would soon be headed off, however, and he noted that it had not spread to New Aberdeen or other outlying districts. voice of business, must become primarily the voice of the customer, which is a tremendously greater and more important role than it has ever played before."

NEARLY A KIDNAPPING—Amherst News: According to information given the News a few citizens of the town are getting a laugh out of a recent predicament of an Amherst traveller who was on P. E. Island for a few days. While calling at one of his accounts around noon he drove a couple of the lady clerks to their home on the island. He drove the other to her home, but when the young lady endeavored to open the car door, she found it was locked. Something had gone wrong with the motor. The car was driven to a garage where it was eventually secured. And now a catch phrase on the road is the query—"Who is the young man from Amherst who kidnapped the girl from Summerside."

VARIETY SHOWER—A most enjoyable time was spent last evening at the home of Mrs. J. A. Young, 21 King street, when some fifty friends of Mr. Malcolm Goodwin, former P. E. I., gathered to tender her a variety shower in honor of her recent marriage. The rooms were decorated in a color scheme of pink and white, and a large basket, decorated in similar colors and laden with gifts was carried in and presented to the recent bride. She received many beautiful and useful presents and much merriment was evoked as Mrs. Goodwin opened the parcels and read aloud the accompanying good wishes in verse. Dancing, card games and other pleasant evening and towards midnight a delicious luncheon was served by the hostess. The gathering dispersed after joining in singing "She's a Jolly Good Fellow" and showing their recent bride with an avalanche of confetti.—Moncton Times.

WEDDING BELLS—One of the season's quiet and pretty weddings took place on the evening of Nov. 7th, at the Malpeque United, Manse, when Dorothy Eliza, daughter of Mr. and Mrs. Chester Simpson, became the bride of Everett Charles, son of Mr. and Mrs. Margaret Cousins, Malpeque. In the capacity of bridesmaid, while Mr. Bruce Thompson ably supported the groom. The bride looked attractive and winsome gowned in nigger-brown crepe with deep cuffs and trimmings of white and gold taffeta; also dark brown tresser suede coat with sable trimmings and accessories to match. After the ceremony which was performed by Rev. M. A. MacMillan, the party moved to the home of the bride's parents where a sumptuous supper was served by the hostess, only the immediate relatives being present. An immense crowd charivariated the popular young couple, causing much merriment and fun; also extending congratulations and good wishes. Mr. and Mrs. Beatrice will reside in Baltic, where the groom is a prosperous young farmer. Friends wish them a long and happy wedded life.

The Guardian regrets to learn of the serious illness of Mrs. Alexander Campbell, who is a guest at the Canadian National Hotel.

RELIGIOUS SERVICES

ST. PAUL'S CHURCH

At the morning service at St. Paul's Church the rector, Reverend H. D. Raymond, delivered a sermon appropriate to the commemoration of the signing of the Armistice. The rector, after showing the effect of the world over of the signing of the Armistice, summed up the whole situation in three words, namely: Solidarity, Solidarity and Fortitude. Gratitude to Almighty God for giving us the victory over our enemies, for saving us from the dreadful onslaught of the enemy, for giving us the brave men who went over and fought for us, for the brave mothers and wives who spared their sons and husbands, for the readiness of our citizens to respond to the call to do their part at home by sending supplies; Solidarity to Almighty God to preserve peace and good fellowship among the nations of the world, and to give us yet a fuller and richer peace; Fortitude as shown by St. Paul in his letter to the Ephesians where he said: "Be strong in the Lord and in the Power of His Might, put on the whole armor of God." The offertory anthem, "The Re-cessional," Reginald De Koven, was very acceptably sung, the solo part having been taken by Mrs. Francis Trainor.

ST. PETERS CATHEDRAL

There was a large congregation in St. Peter's Cathedral yesterday morning when the Holy Eucharist was offered for the light, refreshment and peace of those who made the supreme sacrifice in the Great War. The Collect, Epistle and Gospel were taken from the Bural Service, the longer Collect from the Bural Service was also used. Between the Epistle and the Gospel the beautiful hymn, "No. 643" "They whose course on earth is over" was sung. The Rev. Canon Malone officiated and preached an appropriate sermon from the text "He that finisheth his life shall lose it; and he that loseth his life for my sake shall find it." The theme of the sermon was that even as those who fell in their country's service did so in silence, without drifting from duty and without self seeking, so ought the followers of Christ for his church today. The sermon was followed by the singing of "Faith of our Fathers."

A most impressive service was closed with the singing of the Russian anthem for the Departed and the Nunc Dimittis.

HOLY REDEEMER CHURCH

Masses at the Holy Redeemer Church yesterday morning were at 7.30, 9 and 10.15 o'clock. At the 7.30 Mass, it being Holy Name Sunday, the members of the Society received Holy Communion. At the 9 o'clock Mass was the children's Mass, and at 10.15 a low Mass was celebrated, the time having been changed due to Armistice ceremonies at the monument at 10 o'clock. Rev. O'Hara, C.S.S., preached at all the Masses in the morning.

Sunday School was held for all the children in the afternoon. In the evening at 7 o'clock, services were given by Father O'Hara, Holy Name Vespers recited by the men of the Society, an eloquent and powerful sermon preached by Rev. H. Fleming, C.S.S.R., after which Benediction of the Most Blessed Sacrament was given by Father O'Hara.

THE BAPTIST CHURCH

Yesterday, Remembrance Day, the morning service commenced at 10.30 that all possible might be able to attend the memorial ceremony at the monument. Speaking on "Righteousness First, Peace Second," Dr. Vincent took as his text part of Hebrews 7, 2, "being by interpretation King of Righteousness, and after that also King of Salem, which is King of Peace." Righteousness and Peace are in the Word of God and in the eternal though unwritten verities associated as cause and effect, foundation and structure. In the individual, in society, in international relations righteousness is the basis and beginning of peace. Kipling's Recessional in an expressive respect, was finely sung by the large choir. Professor Fletcher's interesting setting of Tenneyson's "Crossing the Bar" had notably fine interpretation.

At the evening service Dr. Vincent gave another of the series on the Ten Commandments, speaking on the third. The male quartette, Messrs. Quigley, Calder, Dingswell and Stern sang most effectively "Though Your Sins be as Scarlet." The music of the day was directed by Mrs. G. Elliott Pull.

SACRED SONG SERVICE

The regular Y. M. C. A. young people's service of sacred song was held in the Baptist Church at half past eight last evening. Mr. Richard Matheson, Vice President of the local Y. M. C. A., was chairman of the meeting and the Scripture Lesson was presented by Mr. Frank Storey, Vice President of the Y. M. C. A.

Rev. W. L. Oubouse, pastor of the Central Christian Church delivered an appealing and inspiring address in keeping with Armistice Day. The speaker emphasized the challenge to young men and women of today to put forth every effort to foster in all peoples a mentality for peace.

The address was followed by the observance of period of silent respect, this in turn being followed by the sounding of "The Last Post" by Mr. Whiston Smith.

The Baptist Quartette rendered a very beautiful selection and various national and patriotic prayer hymns were sung from the Y. M.

ST. DUNSTAN'S BASILICA

Yesterday at St. Dunstan's Basilica Holy Name Sunday was fittingly observed as "Remembrance Day." All masses were at the usual hours, with the exception of the 11 o'clock Mass at 11.15 in order to permit the people to attend the ceremony at the monument. In the upper church at 8.00 o'clock, His Excellency Bishop O'Sullivan celebrated the Mass of the Holy Name Society, and also preached forcibly on the words of the Holy Gospel according to St. Matthew, (Chap. 13). His Excellency pointed out that religious life means more than religious duties, religion must be brought in our daily life. As usual, there was a large attendance of Holy Name members who received Communion in a body.

At 11.15 His Grace, Archbishop McLaughlin of Regina celebrated Solemn Pontifical Requiem High Mass for the repose of the souls of those who lost their lives in the Great War. His Grace was assisted by the following: Rev. J. Priest, Rev. Dr. A. Murphy, Rev. Deacon Rev. Louis Doucette, Rev. Deacon Rev. E. L. Murray; Deacons of Honor, Rev. R. V. McKenzie and Rev. J. A. Sullivan, Masters of Ceremonies, Rev. Dr. McMahon and Mr. Eric Bohin; Genitor, Mr. Wm. Brown, Jr. His Excellency, Bishop O'Sullivan was present in the Sanctuary. Final Absolution was pronounced by Arch-

bishop McLaughlin.

His eloquent and impressive sermon was appropriate for the occasion (Remembrance Day) was delivered by Rev. Dr. P. McMahon. Father McMahon referred to the Armistice Day of sixteen years ago which was not only supposed to end a great conflict but was to usher in an era of perpetual peace in a world made safe for democracy. After sixteen years the relations between the nations are still one of Armistice and we are yet far from that peace which we hoped for. He referred to the silence of the Holy Father on last Christmas Eve, when the world awaited a pronouncement on world affairs. His message was one of prayer to God to inspire the hearts of those controlling the destinies of nations with love of God, brotherly love. The deliberations of men forgetful of God will never accomplish anything.

The speaker at the morning service was Mr. Norville E. Luck of the Y. M. C. A. who took as his text John 10, 10, "I am come that ye might have life and that ye might have it more abundantly." It was stated at the outset that "From the beginning of time man's chief concern was with the question, 'what are the deep and lasting satisfactions of life?' To this question some answer 'freedom from responsibility, and external controls of one's work and ability is one of the lasting satisfactions of life. Still others feel that 'the expression' the giving vent to one's inner urges is one of the deep and lasting satisfactions of life."

Commenting upon the unsatisfactory conditions of life and the selfishness and exclusiveness of the selfishness in Christ's day, the speaker emphasized the need of Christ's bold claim when he said, "I am come that ye might have life."

The two conceptions of life were mentioned in an exclusive conception which looks at the reality of life as being in the future and the inclusive conception of life which considers life as a whole. It was this last conception with which Christ was concerned.

Included in the music of the hour was a male quartet, "O God Our Help in Ages Past." The Sunday School was well attended regardless of the unfavorable weather.

The subject of the evening sermon was "National Peace's Gift," in which the pastor made a plea for greater interest in the world wide peace movement.

W. Johnston, general passenger traffic manager of the Canadian National Railway.

The "Will" four pre-Christmas sailings from Montreal commencing with the Duchess of Richmond, Nov. 22 and followed by the Antonia and Ascania, Nov. 23 and the Montrose, Nov. 24 from Quebec to the various ports of Montreal will sail Nov. 28 and the Aurania and Letitia, Nov. 29. From Halifax the season opens with the sailing of the Norwegian America line steamer Bergenford on Nov. 30 and followed by other steamers heading east for the various trans Atlantic lines operating out of that port to the British Isles and Europe, these closing with the sailing of the Ausonia and the Rhenus on Dec. 14 and the Duchess of Athol Dec. 15. The Duchess of Athol, Bergenford departing from Halifax Nov. 30, there will be three other sailings for Scandinavian countries these being by steamers of the Scandinavian American line, the Swedish American line, and the Gdynia American line all of which leave on Dec. 10.

In addition to above the Cunard White Star Limited Lloyd Line, North German Lloyd Hamburg American, Norwegian America, Swedish American, Scandinavian American, Gdynia America and Holland American lines announce certain other sailings from United States ports.

In order to take care of the extra volume of passenger traffic for the pre-Christmas sailings, additional train service will be in operation by the Canadian National Railway, which will include special services from Western Canada, east for convenience of passengers to the ships leaving from the various ports.

Special through sleeping cars will be in service on Canadian National lines operating from the west through to the ships side at Halifax.

"In view of the large volume of sailings via the various steamship lines from Montreal, Quebec and Halifax especially during the latter part of November and up to the middle of December, it is expected that the coming Christmas season will witness a large volume of passenger traffic destined for European ports," stated Mr. Johnston, "in connection with which the special train services placed at the disposal of the public will greatly facilitate overland movement."
