

Here is Your "Hired Man" Mr. Farmer

The Ideal Hopper-Cooled engine is the farm hand that you have long been waiting for. It doesn't growl about early rising--doesn't loaf, chew the rag or flirt with your neighbors' daughters when you need help the most.

The Ideal is safe, strong, simple and satisfactory. It will run in the coldest weather, consumes little fuel and an untrained boy can operate it. It will do all the work you can find for it to do from running a washing machine to thrashing the season's crop.

Made in 3 1/2 and 4 1/2 h. p. Write right now for free illustrated catalogue.

To aid in this work, the agency has issued a publication of 400 pages, containing in alphabetical order names of persons who have been advertised for in the last 200 years up to the present, including many names from the chancery courts of England and Ireland and lists of lost relatives, unclaimed bank dividends, etc.

Then her cheeks became raw and sore and after trying different remedies relief only from using Cuticura Soap and Ointment. Itching and Burning on Face and Throat

Sores Disfigured So He Dreaded to Appear in Public. No Rest Night or Day. Cuticura Ointment Cured.

"Six months ago my face and throat all broke out and turned into a running sore. I did not bother about it at first, but in one week's time the disease had spread so rapidly over my face and throat and the burning itching sores became so painful that I began to seek relief in different medicines, but none seemed to give me any relief.

"I suffered terribly and could get no rest night or day. At last a friend advised me to try the Cuticura Remedies. I had about given up hope, but thought I would have one more try, and so I used a little Cuticura Ointment, and it helped me from the start. I continued using it and in six weeks' time was completely cured, and can say I would advise anyone suffering from skin disease to use Cuticura Ointment, as it is the best healing balm in the world." (Signed) Rosecoe Good, seven Persons, Alta., Feb. 18, 1911.
