

THE OLD FOLKS AT HOME

Are Never Without Peruna in the House for Catarrhal Diseases.

MR. AND MRS. J. O. ATKINSON, INDEPENDENCE, MO.

UNDER date of January 10, 1897, Dr. Hartman received the following letter:

"My wife had been suffering from a complication of diseases for the past 25 years.

"Her case had baffled the skill of some of the most noted physicians. One of her worst troubles was chronic constipation of several years' standing.

"She also was passing through that most critical period in the life of a woman—change of life. In June, 1896, I wrote to you about her case. You advised a course of Peruna and Manalin, which we at once commenced, and have to say it completely cured her. She firmly believes that she would have been dead only for these wonderful remedies.

"About the same time I wrote you about my own case of catarrh, which had been of 25 years' standing. At times I was almost past going. I commenced to use Peruna according to your instructions and continued its use for about a year, and it has completely cured me.

"Your remedies do all that you claim for them, and even more. Catarrh cannot exist where Peruna is taken according to directions. Success to you and your remedies."

John O. Atkinson.

In a letter dated January 1, 1900, Mr. Atkinson says, after five years' experience with Peruna:

"I will ever continue to speak a good word for Peruna. In my rounds as a traveling man I am a walking advertisement for Peruna and have induced many people during the past year to use Peruna with the most satisfactory results. I am still cured of catarrh."

John O. Atkinson, Independence, Mo.

Box 272.

When old age comes on, catarrhal diseases come also. Systemic catarrh is almost universal in old people.

This explains why Peruna has become so indispensable to old people. Peruna is their safe-guard. Peruna is the only remedy yet devised that meets these cases exactly.

Such cases cannot be treated locally; nothing but an effective systemic remedy could cure them. This is exactly what Peruna is.

If you do not receive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

The Railway Department have now between five and six hundred tons of coal stored here in anticipation of a heavy winter traffic.

A well filled house greeted the Boston Comedy Co. last night and were highly pleased with the splendid presentation of "Fanchon the cricketer." Miss Grey in the title role proved most bewitching; Mr. Chase made a noble Landry; Miss Roberts a fearless Mother Barbeaud; Mr. Bidell an austere Father Barbeaud and Miss Kingsley a revengeful Old Fanchon. Mr. Webster as Didier has lost none of his humor and his witty remarks provoked continuous mirth.

Previous to severing his connection with the Georgetown High school, Principal McLeod was presented with a well filled purse and an address which is printed below. Mr. McLeod was for years connected with The Patriot here and as principal of the high school gave splendid satisfaction.

To Mr. Parmenas Macleod, retiring Principal of Georgetown School:

Sir:—We have noted with regret that you are about to sever your connection with this institution and it would be neglectful in our part if we allowed you to do so without offering you some tangible evidence of our sorrow at your departure.

We have been in daily intercourse with you for upwards of five years and permit us to say that you have always been patient and attentive to our educational requirements. Rest assured that you will be ever held in remembrance, and in later years, when we, whom you see before you to-day, shall be travelling on the divergent highways of life we will gladly look back to the days we have so profitably spent under your direction here.

It is difficult to say the final word of separation, but farewell! We will try to profit by the advice you have always been ready to impart to us and pray that you may catch Dame Fortune's golden smile into whatever sphere of activity destiny may direct you.

Kindly accept this purse as a testimony of our good wishes. Again farewell!

Signed by the Pupils,
BELLA McPHEE,

Georgetown, P. E. I., Sept. 30, 1903.

Mr. McLeod in reply made fitting acknowledgement of the kind and tangible expressions of good will. He referred to the cordial relations existing between the trustees, parents, fellow-teachers and himself. He complimented the pupils on their diligence and good behavior.

THERE'S A STORY IN MORNING TIREDNESS.

A story of poor blood, weakened nerves, of a starved brain. Plenty of food, mind you, but perhaps poorly prepared and too poorly digested to maintain a vigorous body. Ferrozone quickly makes blood, gives strength to the nerves, cures the lagged feeling that prevent vigorous thought and action. Use Ferrozone, it makes blood and good blood feeds the nerves. Strong and vigorous nerves are just another name for good health. If you seek health, and a relief from the tired morning feeling use Ferrozone. Sold by all druggists.

THE EVIDENCE YOU VALUE.

By word of mouth from friend to friend Dr. Chase's Ointment has received more unsolicited recommendation than probably any medicine you can mention. The fact that it is an absolute cure for piles has put it in a class all by itself as a preparation of inestimable value and people recommend knowing that it is a certain cure.
