S'IDE AND PRINCE CO

MR. A. A. McLEAN, Q. C., and bride, of Charlottetown, returned yesterday evening from their wedding tour.

Miss MARY A. WRIGHT and Mrs. Richard Gough, Charlottetown returned yesterday from a visit to Toronto.

Mr. SING LEE, Summerside Pioneer laundry man, returned yesterday evening from a year's visit to his old home in China.

REV. MR. BETTS, a former pastor of the Methodist church in this town and Mrs. Betts, now of New Westminster, B.C. were passengers by the Northumberland yesterday.

Mr. Wm. HEFFIELD of Travellers' Rest was a few nights ago robbed of \$221.00 which he had locked up in a trunk in his house. A young man whose name is withheld for the present has been arrested on suspicion and is in jail awaiting trial.

Mr. S. H. JONES will ship this morning by the Northumberland 900 lambs and on Monday 900. This will complete a shipment of nine cars which will leave Pt du Chene for Boston Monday evening at 6 o'clock. He has, also ready for shipment to England three cars of very fine lambs.

ANOTHER climatic inducement for intending immigrants to this Island has come to light. Mr. T. C. P. Yeo of this town has in his garden a plot of Broad Beans that yielded a good average crop early in the season. As this crop ripened and was harvested, new sprouts began to push themselves up from the roots and these in their turn yielded a crop which was harvested during the first week in October. And now a third set of shoots is springing up from which Mr Yeo says he expects to get a crop, if navigation keeps open long enough.

ONE of the most skilful operations known to modern veterinary surgery accidentally came to light here a day or two ago. A gentleman bought a nice plump looking goose in one of our most reliable meat stalls and carried it home. While it was being prepared for cooking mysteriously fell to pieces. A post mortem examination revealed the fact that a portion of the remains had already been appropriated—probably by rats or other vermin. The thrifty housewife who had intended it for market, by a skilful manipulation of "here a little and there a little" with needle and thread so reconstructed the defunct as to deceive the butcher and his customer.

Montague, of Dunnville, Cured of Ulcerated Itching Piles

Mr. Robert Montague, of Dunnville, Ont., writes:—"Was troubled with Itching Piles for five years and was so badly ulcerated, they were very painful, so much so that I could not sleep. I tried almost every medicine known when I was recommended to use Dr. Chase's Ointment. I purchased a box and from the first application got relief. Have used two boxes and am now completely cured."

JUDGE WAR BURTON HONORED.

MONTREAL, Nov. 4.—Word has been received that H. R. H. the Prince of Wales has been pleased to sanction the appointment of Judge Warburton, Charlottetown, as Honorary Local Representative of the Associated Board of the Royal Academy of Musicians and Royal College of Music.

THOSE TIRED KIDNEYS

Dr. Chase's Kidney-Liver Pills help tired kidneys to do what they must do if you are to be a healthy man or woman.

SURGEONS' KNIVES

Were Used in Commissioner Worden's Critical Case.

But Like the Doctors, they Failed to Help Him—How Dodd's Kidney Pills Effected His Cure—The Marvel of the Year.

WICKHAM, QUEEN'S CO., N. B., Nov 4 Some time ago, when our esteemed Civil Court Commissioner, Geo. I Worden, Esq. made over his own signature, a public statement to the effect that he had been completely cured of a serious and painful Kidney Disease of twenty-five years' standing by Dodd's Kidney Pills, there were a few sceptical persons who declared that the cure was not permanent, and that Mr. Worden's cure would soon be as ill as ever.

It is not astonishing that these persons were sceptical regarding Mr. Worden's cure. It was so startling, it seemed so impossible that people naturally doubted.

It will be remembered that Mr. Worden underwent several surgical operations, and was specially treated by several doctors for his complaint, but they all failed to either cure or relieve his sufferings. He had, according to his own statement, given up hope of recovery.

Reading the newspaper one day he was struck by the similarity of the symptoms of a severe case of Kidney Disease that had been cured by Dodd's Kidney Pills, and those of his own case.

He determined to try what Dodd's Kidney Pills would do for him.

Briefly told, the result was a complete and thorough cure. Although Mr. Worden was then 76 years old, the medicine he says, "made a new man—a young man" of him.

He is to-day as free from Kidney Disease as he was on the day he ceased using Dodd's Kidney Pills.

And yet people had thought he could never get better!

Those who doubted the marvellous efficacy of Dodd's Kidney Pills are now among their strongest endorsers in this district.

COUSIN OF A PRINCE.

DETROIT, Mich., Nov. 2.—A letter left by Mrs. Amelia Soonebend, who was found dead in her bed nine days after she had committed suicide, declares that deceased was a cousin of Prince Hohenlobe, the German councillor. Statements by the woman's daughters seem to corroborate this claim of relationship.

SAVED FROM THE GRAVE.

Miss Maud Cotterell's Tribute to Dodd's Kidney Pills.

Belleville, Oct 31—"I have been like a person half dead for months."

So says Miss Maud Cotterell, speaking of her rescue from the clutches of Bright's Disease.

"I could neither sit up or lie down, and had almost lost hope."

Dodd's Kidney Pills cured me, fully and quickly. They have saved me from the grave."

It has been proved thousands of times, that Dodd's Kidney Pills cure Bright's Disease every time they get a chance.

Bright's Disease KILLS every time it gets a chance.

Dodd's Kidney Pills are the only remedy on earth that prevents Bright's Disease from killing, by rooting it out of the system entirely.

PARALYZED BY FEVER.

Laredo, Tex., Nov. 3.—Mexican officials report four deaths from yellow fever in Monterey, Sunday. Entire families are known to be stricken. Reliable information is to the effect that the business in that city is paralyzed.

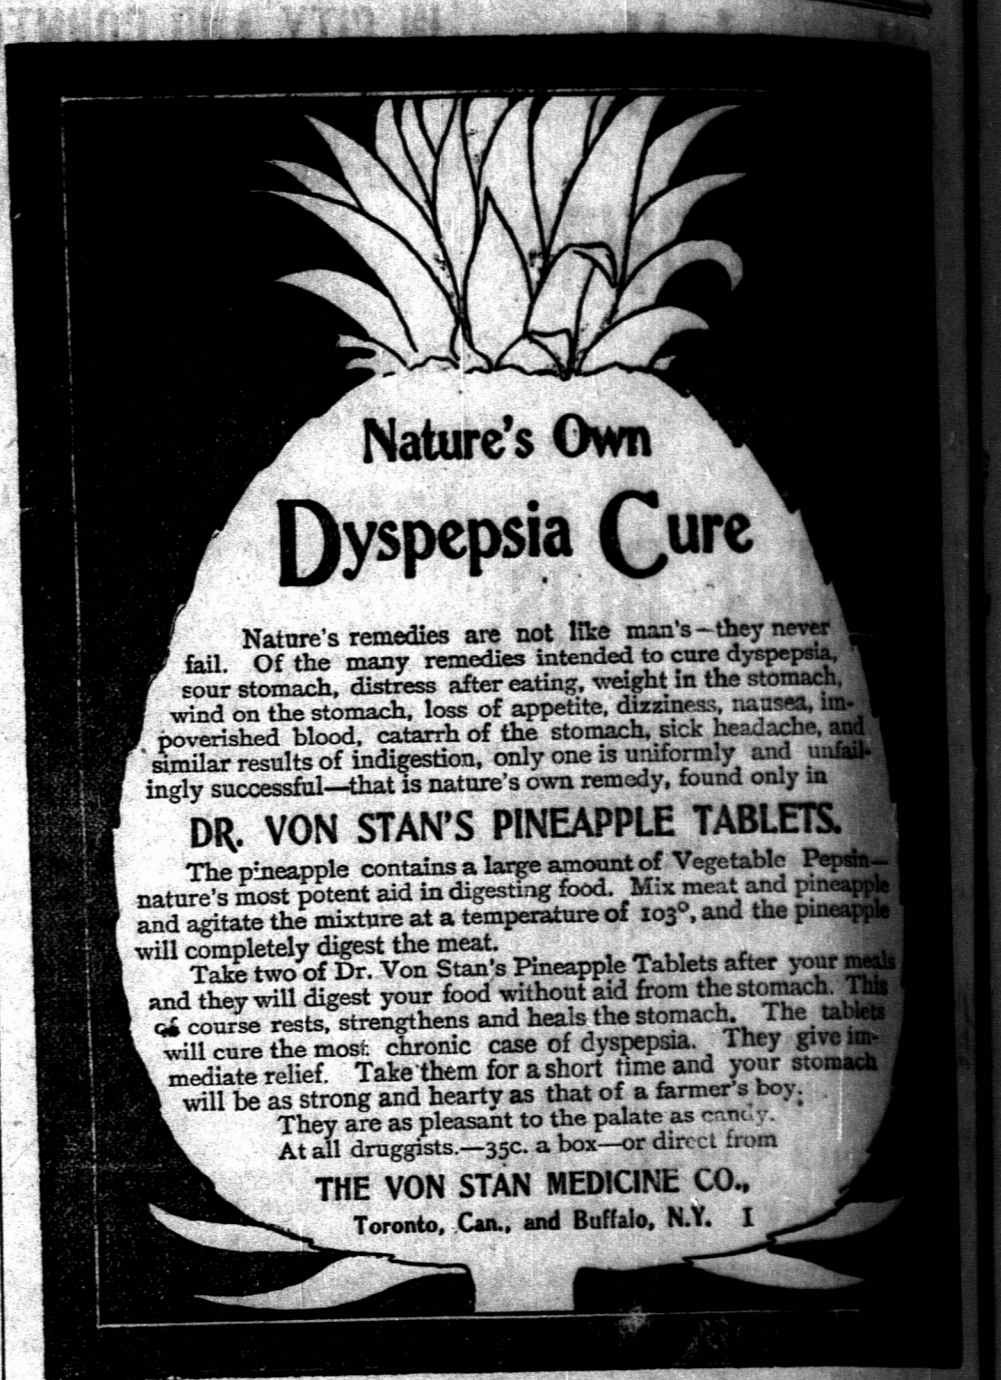

Dr. Chase's Preparations Have Merit

Nature's Own Dyspepsia Cure

Nature's remedies are not like man's—they never fail. Of the many remedies intended to cure dyspepsia, sour stomach, distress after eating, weight in the stomach, wind on the stomach, loss of appetite, dizziness, nausea, impoverished blood, catarrh of the stomach, sick headache, and similar results of indigestion, only one is uniformly and unfailingly successful—that is nature's own remedy, found only in

DR. VON STAN'S PINEAPPLE TABLETS.

The pineapple contains a large amount of Vegetable Pepsin—nature's most potent aid in digesting food. Mix meat and pineapple and agitate the mixture at a temperature of 103°, and the pineapple will completely digest the meat.

Take two of Dr. Von Stan's Pineapple Tablets after your meals and they will digest your food without aid from the stomach. This course rests, strengthens and heals the stomach. The tablets will cure the most chronic case of dyspepsia. They give immediate relief. Take them for a short time and your stomach will be as strong and hearty as that of a farmer's boy. They are as pleasant to the palate as candy.

ARBITRATION SUGGESTED.

St. Petersburg, Nov. 2.—The Novosti, commenting upon the United States determination to claim the Philippines, says:—"The great powers can, like Spain, protest against the proposed session, as several of them are indirectly interested in the maintenance of the status quo. In an extreme case the question should be arbitrated."
