"THE EYES of the SOUL"

An Artcraft Picture founded on "Salt of the Earth," famous Saturday Evening Post story by Geo. Weston. SHE HAD TO CHOOSE

One man was rich—a Judge, and he loved her. The other was poor—a soldier, blinded in the war. She was just a girl—a dancer in a cabaret, longing for ease and luxury, yet she looked on life through the eyes of her soul and chose; and if you live a hundred years you'll never feel a picture tugging harder at your heart than this.

At the recent public meeting it was unanimously resolved that Canada's Fur Auction Sales should have the support and co-operation of all fur farmers who have the interest of the industry at heart, which is necessary to insure the permanent success of the Silver Fox Farming business.

Messrs. A. & E. Pierce & Co., will issue receipts for all pelts received. A reserved bid may be placed on each pelt. Liberal cash advances can be obtained on request.

This sale will be of gigantic proportions, and as Canada's annual output of Raw Furs is over fifteen million dollars, and in addition to Canada's production arrangements have been made for shipments of all classes of Furs produced by every fur producing country in the world. These sales will be extensively advertised all over the globe, there will be buyers from all parts of the world and consequently the highest prices will be realized for your collection.

Silver Fox Farmers are especially invited to co-operate with this organization in the marketing of Silver Fox Pelts, as it is only with your co-operation that the highest prices can be secured.

The contest thus resulted in 9 games for Mutch and three for Woodman. A return game will be played shortly, when the digestion and nervous apparatus of Woodman's team may be better which may naturally affect the result. The votaries of the game meet nearly every evening at the Board of Trade.

BRITISH ADMIRALTY ORDERS ARM CHAIRS FOR JACK TARS

LONDON, Dec 12.—At last the British naval millennium has come. The every evening at the Board of Trade.

A Christmas present to the British Navy, every battleship and cruiser will be furnished with a supply of cosy arm chairs, so that Jack Tars will be thoroughly comfortable. Thus will the term "Arm Chair Admiral" cease to be an epithet and will become if anything, an epaulet. The press has some good fun over the announcement, one writer declaring: "Nelson, when interviewed in Trafalgar Square this morning said he regarded this as a deplorable sign of luxury, which was eating its way into national life."
