Every Barrel, Just Like Every Other Barrel

One reason why the Pies and Cake, Bread and Rolls always turn out right when you use

**BEAVER FLOUR**

is because the flour is always the same. It is milled from *blended wheat*, Ontario fall wheat, strengthened with western spring wheat. Being blended in exact proportions, Beaver Flour is always the same in strength and quality; and always gives the same results, no matter what or when you bake.

It will be a change for the better when you change from western wheat flour to Beaver Flour, milled from blended wheat.

**For You and Your Friends**

"I beg you to publish my letter." It is only natural that people write us enthusiastic letters about Gin Pills. Wouldn't you do the same, if, after suffering from headache for years, you found relief? Wouldn't you wish your friends and others to know what Gin Pills had done for you, and what they will do for them? Of course, you would, and that is the only reason that prompts people to write us praising this great remedy.

Read what Isidore Thomas says in part:

"My case was very serious, and I was so sick everybody expected my death any day. No suffering could be worse than what I had to endure. Eight boxes of Gin Pills were sufficient to cure me entirely. I beg you to publish my letter and tell all sufferers of Kidney Trouble no more despair nor wait, as Gin Pills will cure them. I have to be so thankful to you, and I recommend Gin Pills to all my friends suffering from kidney trouble."

Take the advice of those who have tried most remedies and found that Gin Pills cure.

Gin Pills are not a cure-all—but a scientific remedy for Kidney or Bladder Troubles. They contain the beneficial ingredient of gin, without the alcohol, and gin has been recognized for years as the most perfect agent for toning up the kidneys and restoring these organs to perform their natural functions.
