Minard's Liniment for asthma.

The best of many Feeds blended in one

Schumacher Feed is a careful blend of the products of wheat, corn, oats and barley, combined with oilcake meal, and minerals. It is finely dried and of a uniform, mealy character. Because it is especially high in carbohydrates Schumacher Feed is recommended as the best grain ration for young cattle and hogs, or as a basic ration for dairy cows. It has less fibre and is more easily digested than oats. Two per cent minerals.

Schumacher Feed is economical because it gives speedy returns in better health and growth. Used by thousands of successful live stock men. No waste. The greatest of all flesh and bone builders.

Schumacher FEED

Made by

The Quaker Oats Company

Let us tell you more about Schumacher Feed. We recommend it as a profitable and economical feed.

This column is open for the discussion by correspondents of questions of interest. The Charlottetown Guardian does not necessarily endorse the opinions of correspondents.

A FINE CANDLEMAS

Sir,—The winter is usually half over by the first of February. The next three months ought to be continuously warmer as the sun gains strength. But there is an old saying that "If Candlemas Day be fine and clear, we'll have two winters in one year,"—and yesterday was Candlemas Day!

There is another wise old saying, "Take winter as you find him, and he turns out to be a thoroughly honest fellow with no more sense in him, and tolerating none in you!" In any case keep coal in the bin.

I am, Sir, etc.

WEATHERWISE.

CIVIC ELECTIONS

Sir,—The civic election of this year will be a quiet one. People generally seem to have been fairly well satisfied with the management of the Councilors in the late Council, and to be content that improvements shall be carried on quietly but surely, without necessitating increase of civic taxation or civic debt. That there are some details of civic business which need to be looked into and improved is true. Judging by the men who are candidates for election as Councilors and Water Commissioners the business of the city will be well conducted in the next two years as in the past term—whatever the result of the mayoral election may be.

I am, Sir, etc.

A CITIZEN.

Charlottetown, Feb. 2nd, 1928.

CATTLE RAISING

Sir,—Our Ayrshire breeders are to be heartily congratulated on the increase of their numbers and their enthusiasm and thoroughness. The best animals of their kind that can be produced anywhere is apparently the object they have in view. That is the object which not the Ayrshire breeders only—but all breeders of animals should keep constantly in mind. To make this little Province a centre of interest for the stock-raisers of the continent, and to obtain the highest price obtainable should be the effort of all P. E. Island farmers. It can be done, already this Province is known as a place in which first-class animals for breeding purposes can be obtained; and the number of first-class animals now obtainable can easily be increased a hundred-fold.

For myself, I am a great admirer of Ayrshires; for they are Scotch and hardy as well as good producers of both milk and beef. But there everyone is his liking. There are other breeds which other men prefer, and all have their good points. Our aim should be to have for use and sale the very best of all kinds.

I am, Sir, etc.

PROGRESSIVE.

February 2nd, 1928.

LIBRARY AND MUSEUM

Sir,—I hope that our Liberal government will not forget the need there is for the establishment of a public library—apart from that required by the Legislature. A source of information to which the people in all parts of our province can go, or apply by letter, would be a great addition to our public benefits. It seems to me that after the civic election, members of the Provincial government and the City Council would do well to get together and co-operate towards the establishment of a free Public Library and Museum. I have no doubt that many persons in our community would gladly take part in the supply of books and curios, and perhaps the Carnegie Corporation might, if tactfully approached, lend help to supply a public library for Prince Edward Island.

I am, Sir, etc.

LIBRARY AND MUSEUM.

Charlottetown, Feb. 2nd, 1928.

MR. E. A. FOSTER'S CARD.—In this issue appears the card of Councillor E. A. Foster, who seeks re-election for Ward Four. Mr. Foster is one who does not allow grass to grow under his feet. He has proved himself energetic and untiring in furthering what he considers the best interests of the city, and has been particularly alive to the needs and requirements of Ward Four. He promises, if elected, to pursue a similar policy of progress commensurate with the finances at the control of the Council.

NEW RESIDENTS.—Mr. and Mrs. James Higson and children left this morning for their former home in Charlottetown, where they will reside in future. Mrs. Higson was a teacher in Sharon Sunday School and previous to her departure Supt. Reid and some of the teachers presented her with a purse of money. A committee of Oddfellows composed of J. T. MacLellan, P. G. J. R. Ross, J. G. and W. Mackay, P. G. M., called on James Higson and presented him with a purse of money in recognition of his services as Secretary of Fuller Lodge for many years. Mr. and Mrs. Higson deeply appreciate the thoughtfulness of friends on the occasion of their departure and herewith extend their thanks for such kindly expressions.—New Glasgow News.

CHARLOTTETOWN BOY ATTENDS

The annual meeting and dinner of 152th Collecting company, 118th Medical Regiment, C. N. B., was held Tuesday night at the Hotel Garde, Hartford, Conn. Fifty-two members were present. The officers and committees elected follow: Chairman, Captain Charles W. Goff, commanding officer of the company; vice-chairman, First Sergeant Louis E. Meisner; secretary-sergeant, John B. Pigot; treasurer, Staff Sergeant Orin W. Jones; executive committee, Captain Goff, Sergeant Meisner, Corporal Roy St. George and Privates Charles Gorman and Everett Kennedy; sick committee, Sergeants Kenneth Berry and Fraser and Private Gorman; auditors, Captain Goff, Sergeant John Bruce Pigot and Privates Edward Holly and John Kerr; membership committee, Sergeant Joseph Bradley and Privates Wyman Halstrom and Clifford South, historian, Corporal Raymond Finigan. Among the officers present besides Captain Goff, were Lieutenant-Colonel Ray D. Richman, Captain Joseph Curry, Dr. Bernard Allen, Dr. Joseph A. Bray and Captain J. R. Morin. Sergeant Pigot will be kindly remembered by many home friends being son of Mrs. L. G. Henry, Fitzroy Street. Sergeant Pigot is also a member of the Scotch Band of Hartford and took part in the Burns' anniversary last week.

Wonderful Light For Rural Homes

BEATS ELECTRIC OR GAS
Chicago, Oct. 15.—An eminent professor in a leading scientific institute has completed a very interesting test on a most remarkable white light for home use. The test shows that this wonder light is superior to electric, is cheaper than common oil light and is the closest to sunlight of any artificial light.

A leading eye specialist says this light is a boon to country people where poor lights are causing much damage to eyesight. The fuel used is common kerosene and the lamp is so simple and safe that a child can light it. It burns without odor or noise, no pumping up.

The U. S. Government and 33 universities have also tested this remarkable light and have data as to its wonderful quality, efficiency and economy.

Readers sending their name and address on a post card to M. M. Johnson, 408 Logan Ave. Toronto, will learn full particulars as to wholesale prices and how to get one free by showing it to friends and neighbors. Mr. Johnson also wants men and women to act as distributors. Exclusive territory given.

Zam-Buk

SAVES DOCTORS' BILLS

ECZEMA ENDED
Madame A. Laviers of Fall River, Mass., suffered with eczema for three years, and had treatment from several doctors, all of whom gave up the case. "Finally," she says, "I went to a specialist, which cost me another \$20, but I was no better.

"A friend advised me to try Zam-Buk, which I did, and for which I have ever since been thankful. I very soon felt some relief, and perseverance with Zam-Buk completely rid me of the disease."

SEVERE CUT HEALED
Mr. C. O'Malley of Saskatoon, who sustained a terrible cut on his leg, says: "Had I known of Zam-Buk when the accident occurred, I could have saved myself a \$10 doctor's bill! A doctor scribed up the cut and attended me for five weeks, but the wound did not heal, and he advised me to go into a hospital.

"I objected, however, and used Zam-Buk instead, and in two weeks' time was back at work."

SAVED OPERATION
"Father developed a painful sore on his face," writes Miss N. Lewis of Silver Lake, Oregon. "Numerous remedies and treatment from several doctors failed to heal it, and the doctor advised him to first try Zam-Buk. A few applications brought relief, and continued use of Zam-Buk entirely healed the sore, saving father from an operation."

Zam-Buk is best for eczema, ringworm, salt rheum, boils, pimples, ulcers, blisters, blood-poisoning, piles, cuts, bruises, burns and scalds. All dealers sell boxes.

Send this ad, name of paper and 1c stamp (for return postage) to Zam-Buk Co., Toronto, for free trial box.

FREE

BRADALBANE—FREDERICTON—NEW GLASGOW—Rev. James Dixon, together with most of its contents was totally destroyed by fire. The outbuildings which were also menaced by the flames were only saved by the untiring efforts of the neighbors and the timely assistance of Messrs. Joseph Matheson and Angus Gillis, of Emerald, who chimed in to be present by when the flames were discovered. Mr. Dixon's loss is a heavy one as most of his furniture and practically all the personal clothing of the family was destroyed. There was no insurance.

SERIOUS FIRE—A very serious fire occurred at Stanchon on the evening of Friday, Jan. 27th, when the dwelling house of Mr. C. E. Armstrong was destroyed. The contents were totally destroyed by fire. The outbuildings which were also menaced by the flames were only saved by the untiring efforts of the neighbors and the timely assistance of Messrs. Joseph Matheson and Angus Gillis, of Emerald, who chimed in to be present by when the flames were discovered. Mr. Dixon's loss is a heavy one as most of his furniture and practically all the personal clothing of the family was destroyed. There was no insurance.

SHIPPING CLUB—The annual meeting of the Bedford Live Stock Club was held in Millicove School, January 28th, with a good attendance. Officers of 1927 were re-elected. Meeting was addressed by W. R. Shaw and Mr. Clay of Live Stock Department. Mr. Shaw spoke on the dairying industry and the offer of the Department to supply a pure bred bull to the club. It is their intention to take advantage of this offer. Mr. Clay spoke on why clubs were organized and gave an outline of how business has improved under new system of marketing.

A five barreled magazine features a new automatic pencil, each barrel carrying a lead of different color.
