Pud Beer, youthful Charlottetown golf artist, won the Prince Edward Island championship for the second time in his golfing career Saturday when he added a second round 76 over the Belvedere links to a first round 78 carded at Summerside. The total 154 strokes for the 36 holes was equal to the record set in 1933 championship play by the late A. V. Saunders.

Ten strokes behind the winner in runner-up position were grouped M. J. Dowling, Doug Saunders, last year's champion and Pete Kelly. In winning Saturday Beer duplicated his feat of 1940 when in a duel with Pete Kelly he first won the Island golf crown. At that time he took 160 strokes for the 36 hole competition, six better than that chalked-up by Kelly.

Beer's 76 round Saturday—four over par for the 18 hole course was considered good shooting in that a high northeast wind was keeping many competitors in continual trouble.

Ladies Softball Playoff Schedule

The play-off for the Ladies softball championship of the Knights of Columbus recreation centre will get underway on Wednesday evening at 6 o'clock when the Cubs and Kats meet in a best two out of three series for the right to meet the Bobby Soxers for the championship. The second game will be played Friday evening and if a third is necessary it will be played on the Monday following.

Judging from the brand of ball given up by these teams during the season, it should be a hotly contested series from start to finish.

Stars Edge Vics By 11 to 10 Score

The Junior Baseball League is scheduled to swing back into action again this evening with Recce and Knights of Columbus squads tangling in an encounter that is mighty important for the Charlie Ryan-coached outfit.

✦ ✦ ✦ ✦

For a victory for the Recce tonight will give them undisputed possession of second section honors but on the other hand should Knights, out of the running as far as section title is concerned, be able to come through it would give the Kinsmen a chance to tie the Recce at the top of the heap, as they still have a game left to play against the Knights.

✦ ✦ ✦ ✦

So despite their low standing the Knights of Columbus team still have plenty to say about this second section. And there is no doubt about it the Knights have the ability to whip either one of the two leaders. All season long they have been running into the toughest kinds of breaks in games they might have won and should they rear up now they would certainly extend the crowning of the City junior champions.

✦ ✦ ✦ ✦

Whether or not there will be a playoff, providing the Recce team comes through tonight, is still in the hands of the league officials. One day one hears that if Recce wins there will be no playoff while others are of the opinion that all three teams will be in.

✦ ✦ ✦ ✦

Personally this writer has no idea of just how matters will be conducted. The main thing is that as the season is getting along the league champions should be decided as quickly as possible so as to be ready for Island playdowns and if successful in that, the following Maritime playoffs. Likely, however, league officials will have a statement forthcoming in the next few days.

✦ ✦ ✦ ✦

Billy Pryor and "Big Boy" Peterson, the latter Island heavyweight champion, in future will be under the guidance of Spotty Talbot, Halifax fight trainer, it was learned yesterday, and it is likely the pair of young mittslingers will leave in the next few days for Halifax.

✦ ✦ ✦ ✦

Talbot, who was over here in connection with the fight cards held at the Forum last week, was attracted by the form of the two Island boys and thinks they will go a long way in the fight game.

✦ ✦ ✦ ✦

Both young and both willing and anxious to learn the finer rudiments, the boys will have the chance of working out with such leading mittslingers as Percy Paris, George "Rock-a-bye" Ross, Wallace McLeod and others, and should by strict attention to training improve rapidly in their new surroundings.

✦ ✦ ✦ ✦

There is a boxing adage to the effect that a strong champion means a strong division and vice versa. But it doesn't seem to have worked out that way in the case of Joe Louis.

✦ ✦ ✦ ✦

Joe took the title from Jim Braddock a little over 10 years ago. Up to date he has defended his crown 23 times, with four years absence from the ring while he was in the armed services. That record makes him the most active heavyweight champion in history.

✦ ✦ ✦ ✦

The war, of course, probably delayed the development of a lot of good young fighters. At least that seems the only logical answer to why Joe can't find anyone to fight him now—and may not be able to before he hangs up his gloves for good next year.

McLeod Wins By Kayo Over Brisson

Catching his opponent with a flurry of rights and lefts in a neutral corner that sent him down for the full count, Wallace McLeod of Sydney, N.S., Saturday night scored a two-round knockout over Roger Brisson of Lewiston, Maine, in the main event of the card staged at the Forum before a mere handful of fans.

McLeod after taking a bad lacing in the first round from the Maine scrapper, during which he was staggered with hard rights and lefts, came back strong in the second heat, took the play away from his opponent and provided a quick ending to what had been scheduled as a ten-round setto.

In the semi-final, Bud Lund of Charlottetown, giving away weight and experience to cool, crafty Percy Paris of Halifax, one of the best at his weight in the Maritimes, finally was knocked out after a minute and 31 seconds of scrapping in the fourth heat. Paris went to work right after the opening gong to belabor Lund around the body; Lund took quite a beating in the first two sessions but in the third round caught his opponent with a few solid smashes that stopped the Halifax boy momentarily. Again in the fourth Lund started to punch it out but Paris tagged him with a right to the jaw as Lund was coming off the ropes, to end the over-matched scrap.

Flash MacKinnon and Butch Dowley batted four rounds in a preliminary that saw MacKinnon, after being on the defensive the first two rounds, come back strong in the final two sessions to earn a unanimous decision.

In the curtain raiser two fifty pounders put on an entertaining show, going to a three round draw. The youngsters who slugged it out with a will were named Max Baer and Billy Conn.

Play Resumes In K. of C. Tourney

The Knights of Columbus tennis tournament, which was halted during the Old Home Week program swung back into action over the weekend with two doubles matches being played and another taken by default when Loman McAulay and Fred Coyle were declared winners as J. Hennessey and M. Flynn failed to make an appearance.

In the two doubles played Al McDonald and Gil Gaudet defeated Harold Power and Louis Hennessey 8-6, 6-3 while W. Cullen and Ethyl Trainor, won from Earl Christopher and Joan Weir 6-1, 6-1.

Following is today's schedule:

Cooper and Sobey versus Cullen and Nicholson.

H. Larter and E. Trainor vs. W. MacMillan and P. McLaine.

W. MacMillan and Louis Hennessey vs. Helen Larter and Glen Cooper.

Springhill Wins

MONCTON, N. B., Aug. 17—(CP) — Springhill Fencebusters won the championship of the Border Baseball League during the week-end by scoring a double victory over Moncton Cubs. Springhill downed Cubs 5-1 here Saturday and repeated their performance 7-4 at nearby Shediac today.

Riflemen Make Fine Showing At Ottawa

Nineteen members of the Island rifle team which took part in the recent Dominion of Canada Rifle Association meeting at Connaught Ranges, Ottawa, returned to the city by plane Saturday night. Four additional members are returning by plane.

The team made a remarkable showing in the competitions. Among the trophies won were the London Merchants team trophy, a provincial competition, while individually Major A. F. Gormley captured the MacPherson trophy in a shoot-off with four other marksmen. This trophy goes to the rifleman having the highest aggregate in the MacDougall and Walker matches.

Major Gormley, who won a place on the Bisley teams of 1939 and 1940, again stands a splendid chance of being chosen on next year's squad, he having placed thirteenth in the Grand Aggregate while Alvin McDonald and Eric Coles, two other members, are in positions to win coveted places.

CONNAUGHT RIFLE RANGES, South March, Ont., Aug. 17—CSM. Norman Beckett, shy, tall, unassuming sharpshooter of Hamilton, Ont., who once was rejected for army service overseas because of poor eye-sight, Saturday won the Governor-General's gold medal—a repeat performance—feature round of the Dominion of Canada Rifle Association.

In addition to winning the feature, the Hamilton shot also placed at the top of the ladder in the Bisley aggregate, the first 18 of which will represent Canada at the Bisley meet in England next year. He was followed by Flt. Lt. D. Reynolds of Ottawa, Sgt. R.S. Potter of Hamilton and Sgt. W.E. George of Winnipeg.

Boxer Dies

NORTH ADAMS, Mass., Aug. 17—(AP) — An autopsy showed Saturday that Glenn Smith 23-year-old Philadelphia middleweight boxer, died from brain haemorrhages caused by multiple blows to the head, Dr. Arthur Burkel, associate medical examiner said.

Smith was knocked out Friday in the ninth round of a scheduled 10-round bout with Sam Peroudi of Akron, O., and died later in hospital where he was rushed after collapsing in his dressing room.

Shipyards And Arrows Win

HALIFAX, Aug. 17 — (CP) — Local boys made good here Saturday when both city teams defeated Halifax and District League opponents in a twin bill feature that marked the third games in the best-of-seven semi-finals series for League championship. Halifax Arrows copped the opener, defeating Middleton Cardinals 2-0, and the nightcap saw Halifax Shipyards down Liverpool Larrupers 4-3. Shipyards and Arrows now hold a 2-1 edge over their respective opponents in the series.

Rovers Collect 13 Hits In Turning Back Anchors 13-1

Collecting 13 safe blows including two doubles and a like number of triples off the offerings of two hurlers, Northend Rovers yesterday afternoon batted out a convincing 13-1 victory over the Anchors in a City League baseball encounter. It was the final game of the schedule with the playoffs getting underway Tuesday night next with Anchors and Legionaires tangling in the first game of a five game series to decide the squad to meet the northend team in the finals.

Pushing a runner over the plate in their first turn at the plate on two solid hits and an infield out Anchors had their scoring attempts halted then and there as young Jackie Cairns, pitching one of his best games of the season left six Anchors stranded on the paths and pitched to only 20 men in the last five innings of a game that he had well under control all the time.

Meanwhile Rovers, opening up with a two run blast in the last half of the first were blanked in the second inning but from there until the seventh kept pecking away to score single runs from the third through the sixth to build up a 6-1 lead. They accounted for two runs in the last of the seventh to run it to 9-1 and made victory doubly sure by counting five times in the eighth before being retired.

Despite the lop-sided score the game was hard fought throughout. Anchors hurlers, Evans and Read were continually in trouble but some smart fielding plays pulled them out with a minimum of damage until Rovers struck in their last two times at the plate for over half their total output of runs and four of these were the result of wild pitches with runners parking on third.

Features of the game were the outfielding efforts of Elmer Ward, and Irving McKinnon of the winners the pair accounting for nine putouts between them with Ward hauling down five of them, two of the outs coming after long runs. Jack Gallant of the Anchors also came through with a fine running catch in left field off Buck Trainor's bat.
