

WHY AM I ILL?

HOW TO TELL.

Does every cold affect your back, and cause a feeling of chilliness, followed by disturbance of the kidney action. Does the use of spirits, tea or beer excite the kidneys? Are you easily worried and annoyed over trifles? Are the feet and hands cold? Circulation bad? Do the feet and legs swell? Is there puffiness under the eyes? Do you have rheumatism, poor eyesight, headaches and backaches? Is there gravel or any unnatural action of the kidneys?

If you have any of the above symptoms your kidneys are either weak or diseased, and these symptoms are warnings of more serious troubles to follow; Bright's Disease, Diabetes or Dropsy.

Whatever you do, whatever you think your disease is, look well to your kidneys as the first sign of anything wrong. Give them just the aid they require in Doan's Kidney Pills, the Great Quaker Kidney Medicine, and see how well and fit you feel after one or two doses.

Mrs. O. Warren, Radisson, Sask., writes: "I was troubled with very severe pains in my back for years. I tried everything I could think of but they did me no good. A friend told me about Doan's Kidney Pills and after taking two boxes, I have not been troubled since."

Skin Diseases.

A diseased or disfigured skin will always leave its stamp on the mind of the individual. Many people suffering from disfiguring skin diseases avoid society and lose all pride in their personal appearance. When the skin breaks out in eruptions and sores it is due entirely to an impure condition of the blood.

In all such cases Burdock Blood Bitters will quickly purify the blood and drive all the impurities out of the system.

Mrs. J. J. Magee, J. R. Kimmont, Ont., writes: "Interspersion of 1908 I was troubled with Rash that broke out all over me. It was the worst on my face and head, had a dry, scaly top, and when I would get warm it would become very itchy. I tried the doctor's medicine but it did me no good, so I then got one bottle of Burdock Blood Bitters and before it was all used the Rash was entirely gone."

Mrs. Harvey Rankin, home, Gold River, N.S., writes: "I was greatly troubled with Sores on my face and finally he came so bad I had to go to the doctor about it, but he could do nothing to help me. I thought about Burdock Blood Bitters and decided to try a bottle. I cannot recommend B.B.B. enough, as I had not taken all the bottle before my face was cured."

For sale by all druggists and dealers.

OVERFLOW OF TY QUEEN'S COUN

The home of John A. and Mrs. Ferguson, Marshfield, was the scene of a very happy event on Wednesday evening the 6th inst when there was solemnized by the Rev. John Hawley the marriage of their youngest daughter, Elizabeth, to Ernest F. Coles of North Milton. The bride who was becomingly attired in a cream Reineine trimmed with silk lace, was attended by Miss Winnie Coles, sister of the groom, who wore cream tulle with silk trimmings and C. Tupper Ferguson brother of the bride did the wedding march. At the close of the ceremony the guests, being the immediate friends of the contracting parties, spent a very enjoyable evening. The large number of wedding presents were themselves a testimony of the popularity of the bride and groom. Mr. and Mrs. Coles will reside at North Milton, congratulations.

Doctor Amazed Zam-Buk Cure by Great. Sores on Scalp, Face, and Hands. Children's Torture ended at last by Zam-Buk.

One of the greatest cures of Eczema and of open discharging sores ever effected, has just been worked by Zam-Buk, in the family of Mrs. J. Butler, of 5, Bannockburn Avenue, Montreal. She says: "Three of my children owe their cure of Eczema and foul discharging sores, which made their lives miserable, to the curative power of Zam-Buk. My eldest daughter, Annie, first took the disease. It broke out on her face and scalp, causing nasty sores which discharged freely and gave off a very offensive odor. The disease was quickly transmitted to Herbert and Edith, and in their cases not only their heads, but their hands and faces were covered with sores and scaly places. I first tried various blood-purifying remedies, together with a highly recommended ointment and salve, but it did no good, so I then consulted a doctor. He treated the three children for some weeks applying all kinds of lotions and salves, but they did not seem powerful enough to get to the root of the disease. He next advised that the hair be all shaved off from the girls' heads in order to get down to the disease on the scalp, but as they each had such long hair I thought it a pity to cut it all off, and refused to comply with his request. He thereupon withdrew his services altogether. After that I bought just one kind of ointment and salve from the druggist and then another, but after using awhile, the result was the same—no benefit. I was now at a standstill to know what to do when my son Herbert got a supply of Zam-Buk. The result in his case was so clearly beneficial after using the ointment of one box that I immediately sent to the druggist for more and for no time in applying this balm to the discharging sores on the girls' faces and scalp. It seemed to take immediate effect, for the next day the sores ceased to discharge, and there was not so much complaining. From that time on day by day Zam-Buk clearly demonstrated its exceptional healing power. The discharging sores kept drying up, and disappearing from both face and scalp, and the itching pain, and soreness grew less and less, until all ended altogether. In the course of six weeks from beginning with Zam-Buk the two girls were entirely cured of this eczema—not a spot or sore to be seen on either face or scalp, while Herbert's case not being so serious, Zam-Buk cured him in less than two weeks. The doctor and all who have known of the children's sufferings have been amazed at the wonderful cure which Zam-Buk effected in so short a time.
