Canada Backward In Botany Study

(By The Canadian Press)

EDMONTON, May 9—Founding of botanical gardens throughout Canada is necessary and both cultural and economic advantages could be derived from such institutions, H. T. Gussow, of Ottawa, told members of the University of Alberta Science association.

"Canada is the only unit of the British Empire that is not well to the fore in botanical research," Mr. Gussow declared. "Economic value of such world famed gardens as Kew, in London, and the establishment in Java, of two of theworld's greatest has been repeatedly proven."

British Columbia, Ontario and the maritime provinces were mentioned as the most suitable locations for Dominion gardens. Quebec is well to the fore in the study of natural life, the distinguished botanist said.

Cabinet Meets

(C .P. by Guardian's Special Wire)

OTTAWA, May 8—The Dominion Cabinet met today for the first time this week and dealt with an accumulation of routine matters. Hon. E. N. Rhodes, Minister of Finance, was still an absentee as he has not yet recovered from his attack of laryngitis. He expects to be at work before the end of the week.

Preparation of legislation based on the reports of the price spreads commission and the committee on housing is being pushed but it has not yet reached the stage of consideration of draft bills in the Cabinet. In the course of a few days, it is expected, the bills will be discussed around the council table. They will be introduced when Parliament reassembles on May

GEORGETOWN CELEBRATES KING'S JUBILEE

This community's loyal observance of His Majesty's Silver Jubilee was a joyful and memorable event.

A well-ordered parade of the public school pupils, under the capable direction of Principal Gillis, Wm. Doyle and Jas. McConnell was followed by an inspiring program in the Town Hall, which was filled to capacity by a respectful and interesting audience of adults and children. The programme comprised the following items:

Opening Address — His Worship Mayor Condon.

"O God Our Help in Ages Past."

Flag Drill — A group of school pupils.

"A Hymn of Empire" — Evelyn Hessian.

Address—Rev. J. T. Payne.

The National Anthem.

The culminating feature of a day long to be remembered was a huge bonfire in the evening at the Exhibition Grounds. To the large and happy gathering assembled there, addresses appropriate to the occasion were delivered by Rev. C. U. McNevin and J. H. McDonald, M.L.A. The evening's enjoyment was greatly enhanced by hearty community singing.
