Does the Shadow of HOUSEWORK haunt you?

Women who cook Electrically never have to cut pleasant afternoons short because they must get home and get dinner. They can enjoy themselves completely. In their absence dinner is cooking—deliciously. The automatic controls of an Electric Range measure cooking time and heat more accurately than the most careful housewife. Yet this is only part of the story of Electric cooking. Let us, or your dealer, tell you more today.

**Maritime Electric Company, Ltd**

**Bedeque**

The members of the United Young Peoples Society of the Centreville Bedeque United Church, held a very enjoyable, Valentine social evening last Wednesday, at the church vestry. The programme for the evening, consisted of various humorous and amusing contests, games, all of which whittled away the evening all too quickly. The entertaining committee, served dainty refreshments at the close.

The many friends of Mr. Jim Murray of Fernwood will regret to hear that his condition remains quite serious, little hope being held for his recovery.

The following is the standing of Emerald School for the months of December and January:—  
Grade X—1. Genevieve Kelly; 2. Anna Smith; 3. Mary Croken and Florence Mayne.  
Grade IX—1. Margaret Croken; 2. Anna MacMahon and Elsie Mayne; 3. Thelma Jones.  
Grade VIII—1. Mary Devine; 2. Innis MacEntee; 3. Wendall Mayne.  
Grade VI—1. Elnb E. Sinnott and Gladys Croken; 2. Wallace Cameron; 3. Lorraine Hughes.  
Grade V—1. Hilda Moynagh; 2. Claud Clow; 3. Plus Croken.  
Grade IV—1. Hilary Moynagh and Raymond White; 3. Maurice Croken.  
Grade III—1. Kathleen White; 2. Marion MacEntee; 3. Gerald Allen.  
Grade II—1. Betty Jones; 2. Pauline Mabon.  
Grade I A—1. Lloyd MacCourt; 2. Helen Croken and Earl C. W.  
Grade I B—1. Dorothy Jones; 2. Harold Duffy.

The many friends of Mrs. Colin Reeves of South Freetown, will regret to hear of her recent illness.

The many friends of Mrs. Stanley Murray of Centreville Bedeque will be pleased to hear that she is much restored to health again, after her recent serious illness.

Mr. and Mrs. Harry Callaghan of North Wiltshire were week end visitors in Fernwood.  
Mrs. Howard Schurman of Centreville, was in town.

**Signs of Spring**

Carter & Co. Ltd., Seed Catalogue for 1933 is now being distributed to the many customers throughout the Province, and also on the Mainland. Copies of Carter's Seed Catalogue travel as far as the Pacific Coast, principally to former residents of this Province who know the quality of the Seeds handled by this firm. There is really no reason whatever for sending away to foreign seed houses for seeds that can be procured right here at home, and at as low if not lower prices.

Then the customer has this added protection that all the Seeds handled by Carter & Co., Ltd., are not only tested in England where most of their Seeds come from before leaving that country, but are also subject to another test either at Ottawa, or Sackville, N. B. at the Department of Agriculture for purity and germination.

If you have not received a copy of their Seed Catalogue drop a post card, or apply for a copy at either the Bookstore or Seedstore, and your request will be cheerfully complied with.

Prices of the Seeds handled by this firm are considerably lower in practically everything than last year. Carter's tested seeds are sold by upwards to two hundred reliable merchants on P. E. Island, and Seed supplied to these firms are guaranteed to be equal in every respect to that sold at head quarters, Charlottetown.

For Market Gardeners, and those wishing to plant some of the Early Spring varieties, we may say the Seeds are all ready for distribution at our Seedstore, 72-74 corner Queen and Dorchester Sts.

**The Human Eye**

Complex and intricate in its structure and functions, is worthy of the best possible care that can be given it.

If your eyes are troubling you, do not be so unwise as to neglect them.

An examination will uncover the cause of the trouble and glasses will probably completely relieve it.

**NORMAN BRUCE BIRT**

On the eve of February 28th the Angel of Death visited the Prince Edward Island Hospital choosing for its victim Norman Bruce, little son of Mr. and Mrs. Norman Birt, of Peakes. The little child had been ill for about two weeks with a heavy cold and pneumonia. On Friday, February 24th, the attending physician on a consultation decided it would be better to remove the little chap to the hospital, but upon examination and treatment there it was learned that very little hope for his recovery was expected, and a few days later, breath slowly sank until the end came. The remains were conveyed to Mt. Stewart on March 1st by train and on arrival was taken to the United Church to be viewed by friends and relatives and then laid to rest in the People's Cemetery. Rev. M. K. Charman conducted the service at the grave. The pall bearers were, Earl Jay and Ted Jay.

Roses will grow and bloom on a tree  
But this little bud, Norman Bruce,  
will bloom with Thee.  
We may wonder why we lost our joy  
When our great Master called our baby boy.  
Away, away far to Heaven blest  
O Gracious God, Thou knowest best.

**MRS. CATHERINE MOONEY**

There passed away on February 7th, at Peake's Station, one of our oldest and most highly respected residents, Mrs. Catherine Mooney, aged 87 years. She was the widow of the late John Mooney of this place who pre-deceased her some years and was a daughter of the late Patrick McMahon of Charlottetown.

Deceased was born in Ireland and came to this Province with her parents when three years of age. She was married 64 years ago and lived all her life since on the homestead where she died.

A kindly, industrious, charitable woman, she was greatly respected by all the community where she had lived so many years.

She lived to see great changes from the early pioneer conditions and her passing severs another of those connecting links with those times. She remained active and alert until a few days before her death.

A devout Catholic, she was attended in her short illness by her good Pastor Rev. I. R. A. McDonald who also performed the last solemn rites at the grave. Her remains turned out in large number to accompany her remains to St. Cuthbert's Church where she was laid in the family plot. The pall bearers were Rupert McInnis, John Gormley, Paul McLaughlin, Daniel Grant, Joseph Gormley and Francis Trainor.

Four sons and one daughter survive her, John on the old homestead, Harry and Patrick, Boston, and Edward in Virginia and Mrs. Daniel Byrne, Boston. May her soul rest in peace.  
(Patriot please copy)

**Murray Harbor**

The evening service at the United Church was fairly well attended. The scripture readings were from the book of Amos, Chap. 6; and from St. Mark's Gospel, chapter 23, beginning at the 13th verse. Hymns selected from the Hymnary; and choir selections. The prayers offered by the Reverend Mr. Goudge were most sincere, and special petitions for the times through which we are passing. The story for the children was very interesting, of some of the work done in England by Lord Shaftsbury. The text of the very able address given by the Rev. T. R. Goudge, was the first verse of the sixth chapter of the book of Amos. The Sunday School was held at 2 p. m. with 55 in attendance. The Sunday School, as in many other schools, there is a conspicuous absence of the older people of the church. Sometimes there are scarcely enough grown-ups to take charge of the classes. However, the work is progressing favorably, and should be appreciated by the parents of the children, and how better can parents show appreciation than by attending the school with the children.

Mrs. M. McLeod and little daughter, Lillian Louise, of Uigg, visited over the week end with Mrs. S. W. Hugh of Murray Harbor.

Mrs. Richard Beck, who was confined to her bed early in September last by a stroke, is at present a trifle stronger, but is still confined to her bed.

Already some planning is being done in connection with work for the 1933 fishing season which will open about May 1st; but it is said by the fishermen that the prospects for the season are anything but encouraging this year. It is reported that some men who have fleets of traps and boats in good condition will not fish because of the poor outlook.

Good open air skating is again being enjoyed by the skaters in general of Murray Harbor. More hockey games have been participated in, and more still anticipated.

On the afternoon of February 17th, a number of the Murray Harbor young men, including those who are playing this season, motored to contest in a game with the players of Victoria Cross. The game was a good one, and was enjoyed by all. The score 2 goals in favor of Victoria Cross players. Murray Harbor is expecting Victoria Cross friends to play with the Murray Harbor players about Feb. 25th, if ice conditions hold good for skating.—P.

Police Sergeant—It's a case of larceny, isn't it, sir?  
Doctor—Er—not exactly, Sergeant. You see, I told him to take something warm immediately, and as he went out he took my overcoat.

"Publicity Pays." The adage of the ad. age.

**Headaches and Dizzy Spells Nerves in Bad Condition**

Mr. Neil Crawford, Hamilton, Ont., writes:—  
"My nerves were in such bad condition I found it almost impossible to get a good night's sleep. I was also bothered with headaches and dizzy spells.  
I tried many different remedies, but they did not seem to give me much relief, but after I had taken Milburn's Heart and Nerve Pills I could hardly believe the change they had made in my condition."

**COMPLETED THREE - YEARS COURSE**—Miss Helen R. Stewart, eldest daughter of Mr. and Mrs. G. A. Stewart of French River, P. E. I. has completed her 3 years' training at the N. H. Memorial Hospital, Concord, N. H. Miss Stewart is president of her class and president of the "Enter Nos" Club of that school. Her many friends wish her success.

**MCDONALD-MCKENZIE**—A very quiet but pretty wedding took place at the home of Mr. Charles McKenzie, Glen Valley, on the evening of Wednesday, March 1st, when his daughter, Miss Catherine McKenzie was united in marriage with Mr. Norman A. McDonald also of Glen Valley. The ceremony was performed by Rev. R. Hensley Stavert, M.A., B.D., in the presence of a number of the immediate relatives and friends of the contracting parties. The bride who was given away by her father was very prettily gowned in white bridal satin and wore a veil of tulle lace. The wedding march was beautifully rendered by Miss Jeanette McDougall teacher at Bradabane. The bride was attended by her sister Miss Mary McKenzie, Deaconess, while the groom was supported by Mr. Daniel McKenzie brother of the bride. During the ceremony the bridal party stood under a very tastefully arranged arch of evergreens and pink and white roses. After the ceremony was over the guests sat down to a daintily prepared supper which was thoroughly enjoyed by all. Quite a number of charivariers assembled to do honor to the newly married couple. For a while they made the night hideous with the clanging of bells and the blowing of horns, and along with the rest of their antics they bounced the groom. After having received a generous treat they wended their way homeward in peace. The beautiful and useful presents testified to the popularity of the young couple. "The bride's going-away suit was of georgette crepe with hat and coat to match. Mr. and Mrs. McDonald will reside in Glen Valley where Mr. McDonald is one of the successful farmers of that community. The Guardian joins in wishing them many years of happy wedded bliss.

**PERSONALS**

Miss Kathleen Proffitt and Miss Alma Campbell, city, spent the week end in Orwell, the guests of their aunt Mrs. Lawrence MacLeod.

Messrs. Peter Brodie and Pope Cooke, York, are among those attending the Farmers' Meetings. While in the city they are the guests of Mr. and Mrs. H. Henderson, Fitzroy Street.

Miss Noreen Cullen, daughter of A. C. and Mrs. Cullen, Charlottetown Royalty, underwent an operation for appendicitis in the City Hospital Tuesday, 7th inst. It is gratifying to report that the operation was successful and that the patient is doing well.

**No More Piles**

How to End Painful Piles Without Salves or Cutting

It takes only one bottle of Dr. J. S. Leonard's prescription—HEM-ROD to prove how easy it is to end itching, bleeding or protruding piles. This internal remedy acts quickly even in old, stubborn cases. HEM-ROD succeeds because it heals and restores the affected parts and drives out the thick impure blood in the lower bowel—the cause of piles. Only an internal medicine can do this, that's why salves and suppositories fail. Hughes Drug Co., Ltd., and druggists everywhere sell HEM-ROD Tablets with guarantee of money back if they do not end all Pile miseries.

**Presbytery Meeting**

The Presbytery of Prince Edward Island met in regular quarterly session at 11 a.m. on Tuesday, March 7th, in Zion Church Hall and was opened in due form by the moderator, Rev. Allister Murray.

Those present were Rev. Allister Murray, moderator, Rev. R. Hensley Stavert, clerk, Rev. Chas. J. St. Clair Jeans, Rev. Fred Williamson, Rev. G. Carlyle Webster, Rev. D. L. Griffiths, Rev. J. A. Pritchard and Messrs. Thos. W. Morrison, R. G. McLaren, A. W. Stewart, Angus McLean, A. A. McDonald.

The clerk read a letter from Rev. R. Moorhead Legate requesting him to present to the Presbytery his apologies for his absence. Circumstances prevented him from attending.

Others present not members of the court were Rev. M. E. Genge, D. D., and Messrs. Geddie Douglas, A. A. McNeill, James Jardine, Elders, and Messrs. John Anderson and Talmage Foster, representative laymen.

The minutes of the last regular quarterly meeting were adopted as also were the minutes of the two special meetings.

Rev. J. A. Pritchard, who was recently inducted into the pastoral charge of Marshfield, Mt. Stewart, etc., was introduced to the court by Rev. G. Carlyle Webster and was heartily welcomed by the moderator, Rev. Allister Murray, on behalf of the Presbytery. The correspondence was then dealt with.

The application of James McGowan, Kilmuir, for work in the home mission field during the coming summer months was dealt with. Mr. McGowan was recommended to the General Board of Missions in Toronto for work under its care. The application of Lewis C. Mills of Kingston Bible College for work in the home mission field for the coming summer was handed over to the Presbytery's home mission committee to deal with and to issue.

Rev. Chas. R. Ashdown, Blythe, Ont., requested that his name be transferred from the Roll of the Presbytery of Prince Edward Island to the Roll of the Presbytery of Huron. The request was granted.

Rev. Chas. J. St. Clair Jeans, moderator of the Presbytery, presented the report on the Budget. The givings of the various congregations to the Budget this year are in quite a number of cases somewhat less than last year. Zion Church, Charlottetown, went slightly over its allocation and Malpeque and North Rustico gave the exact amount asked of them. All of the other congregations were somewhat below the amounts allocated to them. Considering the trying times through which we are passing it was felt that the most of the congregations had done remarkably well.

Rev. G. Carlyle Webster, convenor of the Presbytery Home Mission

**Public Forum**

This column is open for the discussion of questions of interest. The Charlottetown Guardian does not necessarily endorse the opinions of correspondents.

(Continued from Page 4)

vened next week to deal with the situation which looks serious. This bears out what we have already stated that the people are losing confidence in the banks, and are withdrawing their deposits which, it is stated, amounts to the enormous sum of 40,000 millions.

If we write you again it will be on the debt situation and prices of commodities here as compared with prices "at home." As spring is a hand we will soon move to other places seeking further information as to conditions in the rural sections, and then "home again," when weather and roads permit. We may just say that after all our "wandering" over this Continent and seeing what we have seen and heard and "read" we are more than ever convinced that there is no better spot in all America than our own "fair little Island down by the sea" and there is certainly no better people than our "rain folk at home."

I am, Sir, etc.  
H. D. McEWEEN  
New York, March 1, 1933.

The elders appointed were Messrs. S. M. Hicks and Earl Foster, with Messrs. A. W. Stewart and Geddie Douglas as alternates.

Rev. R. Hensley Stavert, convenor of the Presbytery Committee on Statistics, presented the Statistical and Financial Report. As a number of the congregations had not yet sent in their reports the report given by the convenor had the necessity to be more or less incomplete.

The reports from some of the congregations were very encouraging indeed while others were not so good. But even in the face of these days of depression there was much to give encouragement to the workers in the different departments of church work. The convenor will be able to give the complete report at the meeting to be held in May.

The report on Sunday Schools and Young People's work will also be given in full at the May meeting. Rev. Fred Williamson, convenor of the Presbytery's Committee on Sunday Schools and Young People's Work, was requested to get in touch with Rev. W. M. Kannawin, D. D., and make at least tentative arrangements regarding his coming to Prince Edward Island (Patriot please copy)
