The death took place on July 24th of Peter Schurman, a well known and highly respected resident of Summerside. He was sixty-four years of age, and was a son of the late William Schurman, Bedouque. BRACE, MCKAY & CO have been receiving large quantities of Paris Green, almost daily by express. Today they have a large shipment, Berger's best quality, but as this is the last lot to be procured, dealers and farmers should secure their requirement, as the greater part is already sold. 28d 11

THE marriage took place at the Methodist parsonage, Summerside on July 25th, of Charles C. Stewart, M. P. Pleasant, to Miss Annie A. Ramsay of the same place. The ceremony was performed by Rev. Hammond Johnson. The bride was supported by her sister, Miss Flora M. Stewart, while John A. Campbell, Berlin N. H. supported the groom.

THE Miscouche Tea was a decided success. The special left Vernon River and Vernon with about one hundred passengers; when it reached North Willshire it had about one hundred and ten; from there it filled so rapidly that it was necessary to send a second special to meet her. The special from Tignish was also crowded. At four o'clock a conservative estimate placed the number on the grounds at 5,000. The tea tables were pronounced the most tempting ever provided at a tea. The attractions were numerous and every one enjoyed themselves. The parishioners of Miscouche desire to thank all for their patronage. The handsome sum of \$1,600 was realized.

ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupier of space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagant.—American Medical Journal
