Recreation Club Loseto Stars 11-10

Eastern Stars nosed out the C. N. R. Recreation Club last night in a City League Ball fixture after a rather weird nine innings by a score of 11 to 10.

Poor fielding and throwing by infielders of both teams worried the opposing hurlers, with the result that twenty-six batters paraded to the plate in the first inning for a total of fifteen runs, the Stars getting the edge with eight runs. GOOD RACING YESTERDAY AT GEORGETOWN

The Georgetown races, which were postponed on Wednesday because of rain were held yesterday afternoon. There were about four hundred spectators present. The track was in good shape, the water having been drained off, and the surface harrowed. A regrettable accident occurred in the first heat of the 225 class, when a mixup occurred between Louie Set, of the Garden City Stables and Dr. Setzer. Louie Set's driver, Patrick McKenna was thrown high in the air and in the resulting fall had his leg dislocated. The brand new sulky which he had been sitting on was smashed to pieces and Louie Set thrown to the ground. Dr. Setzer went on uninjured. There is a great deal of sympathy being extended to Driver McKenna by all the horsemen of Charlottetown and vicinity, and they hope that his accident may not keep him off the sulky very long. Because of the injury to Driver McKenna, his "mount" Jonnie Walker was driven in the 218 class by Wellington McNeill, who made a sweep of the card, also winning the 225 class with Lucky Lindy, and the 230 class with Great Village Belle, a recent importation from Great Village, N. This is remarkably quick growth, even for this province and shows how advanced and suitable the season has been for our crops.

The magnificent dinner and the prompt service brought many favorable comments.
