BRITAIN IGNORES VON BERNSTORFF.

LONDON, Feb. 4.— The Commission for Relief in Belgium has received no reply to its offer to purchase the cargo of the American steamship Wilhelmina, thus diverting her from Hamburg and avoiding an International incident, which is believed here to be inevitable if the vessel tries to reach Germany with her cargo of foodstuffs.

The announcements from Washington that Count von Bernstorff, the German Ambassador to the United States, will guarantee that the cargo will be used only for civilians in Germany has not influenced the British Government. Officials at the British Foreign Office say they are unable to understand what vivid guarantee Ambassador Bernstroff could give in view of the German decree placing all foodstuffs in Germany under Government control.

If not purchased by the Relief Commission the Wilhelmina doubtless will be conducted to an English port where her cargo, officials say, will be taken over and paid for by the Government.

NO GENERAL FOOD DECISION AS YET.

LONDON, Feb. 4.— Referring to the statement in American papers that the British Government has decided that foodstuffs consigned to Germany shall be considered contraband, The Times says:—

"We understand no British decision on the general principle of treating foodstuffs as contrabanded has been communicated as yet to the United States Government. The decision published in the American papers appears to refer to the special case of the Wilhelmina.

W. M. A.—The Women's Missionary Society of the Cherry Valley Methodist Church met on Thursday afternoon in the home of Mrs. Dingwell Jenkins. A very helpful programme was successfully carried out. The conversation dealt with the weighty matters regarding the church's present responsibilities and the greater demands of the world, when peace is again established, for fuller and more efficient instruction in Christianity. These things having been satisfactorily discussed, the ladies retired to the dining room, where a table beautifully arrayed in delectables and fine linen awaited them. It was unanimously agreed that a parlor social be held about March 1st. The next meeting will be held at the home of Mrs. D. P. Irving. Mrs. Benj. A SOCIAL EVENT.— The scene in the Senate Chamber Thursday, says an Ottawa exchange, was as usual one of great brilliance, the lovely gowns of the ladies and the splendid uniforms of the officers made an exceedingly pretty sight. H.R.H. the Duchess of Connaught, who entered the Chamber with the Royal Governor General was very handsomely gowned in royal blue satin with a black tulle overdress thickly sewn with crystal embroidery, She wore a diamond tiara and necklace, and the following orders. Victoria and Albert, St. John of Jerusalem, Royal Red Cross, St. Katherine of Russia, King Edward's family order and King George's family order. Following the Duke and Duchess of Connaught was H.R.H. the Princess Patricia of Connaught wearing a lovely gown of flame colored brocade with the bodice of tulle and lace, pearl and diamond ornaments and the orders of Victoria and Albert, St. John of Jerusalem and Crown of India. The two ladies in waiting came together, Miss Dorothy Yarke, in a gown of white satin charmeuse with black tulle tunic trimmed with steel and silver, bodice of tulle, trimmed with silver lace, being gowned in black velvet the tunic edged with fur and the bodice of chiffon and silver, diamond ornaments and the coronation medal. Among those noticed in the House was Lady Davies who wore blue and cream brocade with an overdress of black silk beaded net.

Prowse, Thursday night, and Number three Company, Capt. James Landrigan, Friday evening. It is requested that all citizens who have signed service roll will make special efforts, not only to attend company drills but try to interest other volunteers, and thus encourage all officers, who are doing their utmost to drill the members. These words should be sufficient to enlist loyal citizens, in the all-British subjects. Service rolls may be signed each drill night at Drill Hall.

THE STEAMERS—The Minto, which left Georgetown Friday morning, docked at Pictou at 10 o'clock that night. She leaves Pictou this morning at 6 o'clock for Georgetown. After her arrival on this side she will proceed to Louisburg and Sydney to relieve some of the steamers of the Dominion Coal Company which are stuck in the ice. The Stanley, with 31 passengers, 34 tons of freight and 75 bags of mail, left Pictou at 7 a. m. Saturday and succeeded in reaching Georgetown at 3.50 in the afternoon. The train from the Stanley arrived in Charlottetown at 7.45 p. m. There is considerable heavy ice in the Straits but the conditions are now more favorable than they were a few days ago, the recent change of wind having loosened the ice.

RED CROSS WORK.—There was organized recently in Stanhope a branch of the Red Cross Society, with the following officers appointed, viz.: Miss Maggie C. Lawson, president; Mrs. Malcolm S. McLeod, vice-president; Mrs. Louis Marshall, secretary; Miss Gladys Ross, treasurer. The following sum was donated by the people of Stanhope, $37.25; also proceeds of social, $34.27.. The first consignment, consisting of 32 pairs of socks and 11 night shirts, has been forwarded to the main branch of the Red Cross Society, Charlottetown. The members are confident that the good work that is now established will be continued with unabated energy and that everyone will do their part in giving aid to those who are upholding the honor of the Empire

CHESS TOURNAMENT—The third annual chess tournament of the Charlottetown club will begin next Monday evening, the fifteenth, at 7. 30 o'clock at the Dalton Rooms, Sunnyside. It can truly be remarked the general tone of chess playing has much improved. There does not appear to be the desire to dispose of the different pieces on the board as formerly, but play for combinations which encourages good formation of attack or defence. In fact some of the members study chess problems and practice over games played by expert players, all of which helps to develop more efficiency in playing the royal game. Every chess player in the city is invited to enter the tournament. At the club meeting to-night, final arrangements will be made regarding the approaching tournament.

CRAPAUD.—The Young People's Mutual Improvement Society of Crapaud, held its first debate of this year on the 3rd inst., the subject being "Resolved that the present war is consistent with our present civilization." The resolution was supported by Isaac Beer, Hammond J. Ince, R. R. Reid and Mr. Haszard, while the resolution was opposed by H. S. Arbing, Percy Keeping and Dr. Bell. On a vote being taken the resolution carried. The subject chosen for debate for the next meeting on Feb. 10th, (Wednesday), is: "Resolved that fashion has produced greater evil than the use of tobacco."

FLAT RIVER.—One of the most enjoyable events of the season took place at the home of Mr. and Mrs. Wellington Compton on January 29th, when they entertained the young people at an afternoon tea. Music was furnished by Mr. W. Matheson and Mr. A. McMillan, ably seconded by Miss Levina Ross, of Vernon River. Mrs. Compton was assisted in pouring tea by Miss Ruby Matheson. A large number of strangers were present and take this opportunity of expressing their appreciation of Mrs. Compton's hospitality. Two young men from Vernon River were fortunate (or unfortunate) enough to be storm stayed over Sunday in Flat River. They were able to tell an interesting story to their friends when they returned about the roads and the people of the vicinity. Miss Lavina Ross of Vernon River, who was visiting here, the guest of Miss Jessie Ross, has returned home. Mr. Garfield Ross has returned home from an extended visit to Belle River.

BASKET SOCIAL AND CONCERT. —Owing to the bad condition of the roads, the basket social and concert at South Pinette Schoolhouse on Wednesday, 3rd inst., did not draw a full house, but the lack in numbers was counterbalanced by the intense enthusiasm and interest of the audience. Had the conditions been favourable, accommodation could not have been provided for those who would have attended. An excellent programme, much above those usually performed in remote hamlets and comparing favourably with those seen in large centres of population, was rendered in a manner satisfactory to everybody. The district of South Pinette is particularly grateful for the valuable assistance freely and readily given by Miss Mabel McInnis and Mr William McInnis, of Rosebery, who were as zealous and unremitting in the work as any resident of South Pinette. Mr Neil Ross also rendered valuable service. It may be said that all acted their parts acceptably and well, and there wasn't a dull moment during the entire evening. Under the competent and skilful hands of Messrs Neil Morrison and R. H. Hubley the seating arrangements were admirably executed. Angus McKenzie must also be remembered. The sale of baskets followed the programme, and it may be seen how spirited and lively was the bidding when each basket fetched somewhat over $2 on an average. Mr T. W. Morrison and C. S. MacDonald were the auctioneers. The proceeds totalling over $40, are to be applied to improvements of the school ground. Mr C. S. MacDonald was chairman. Following is the programme:—Chorus, Land of the Maple; recitation, Mr C. S. MacDonald; dialogue, Miss F. McPhee, M. B. McRae, Jane Mackenzie, Katie Cantelo, Hazel McKenzie, Angus Murchison; recitation, Helen MacKenzie; song, Mr R. H. Hubley; pantomime, R. H. Hubley and J. D. McRae; solo, Mr Allan MacDonald (encored); reading, T. W. Morrison; dialogue, Bridget's Investment; dialogue, The Somnambulist chorus, Tramp, Tramp, Tramp; address by Chairman; National Anthem.

FOOD PRICES ADVANCING IN BERLIN.

BERLIN, via The Hague, to London, Feb. 3.—The sale of bread under the new regulations opened normally this morning, no measures having been adopted as yet to enforce the rule limiting purchases to two kilograms (about four and a half pounds) per person weekly. The magistrates are still considering what procedure will be followed. Meanwhile there was no rush to buy, and the volunteer supervisors, installed by the trades unions and keep the expected crowds in order found no occupation.

Swine were selling today at 95 to 100 marks ($24 to $25) for fifty kilograms, contrasted with 57 marks at the outbreak of the war. The price is expected to show a further rise despite the number ready for slaughter, now that feed has been cut off.

An increase in the price of beer is also looked for. The National Brewers' Association has adopted a resolution to the effect that this is unavoidable, owing to the high cost of labor.

LONDON, Feb. 3.—The Commission for Relief in Belgium has received no reply to its offer to purchase the cargo of the American steamship Wilhelmina, thus diverting her from Hamburg, and avoiding an international incident which is believed here to be inevitable if the vessel tries to reach Germany with her cargo of foodstuffs.

The announcement from Washington that Count Von Bernstorff, the German Ambassador to the United States will guarantee that the cargo will be used only for civilians in Germany has not influenced the British Government. Officials at the British Foreign Office say they are unable to understand what valid guarantee Ambassador Bernstorff could give, in view of the German decree placing all foodstuffs in Germany under Government control.

If not purchased by the Relief Commission the Wilhelmina doubtless will be conducted to an English port, where her cargo, officials say, will be taken over and paid for by the Government.

A Great Blessing to be Freed of Indigestion

For Years He Suffered After Almost Every Meal—Attributes Complete Cure to Use of Dr. Chase's Kidney-Liver Pills.

The experience of many people who suffer from indigestion is like that of the writer of this letter. Stomach medicines may bring some relief, but chronic indigestion is almost invariably the result of derangements of the liver, kidneys and bowels, and cannot be actually cured until these organs are set right.

MR. BARRETT.

With the liver sluggish there is constipation, and the food ferments in the bowels instead of being digested. This is the source of pain and suffering, and the cause of such dreaded diseases as appendicitis, peritonitis and kidney disease. It is much better to be on the safe side and prevent such ailments by the timely use of Dr. Chase's Kidney-Liver Pills.

Mr. J. D. S. Barrett, Nelson, B.C., and formerly of Twillingate, Nfld., writes:—"For several years I was a great sufferer from indigestion. The least bit of food caused me considerable trouble, and often I could scarcely eat a meal a day. The many remedies I tried proved futile until I began the use of Dr. Chase's Kidney-Liver Pills, and after using about eight boxes I was completely cured.

"Since that time I have not been troubled with indigestion, which I consider a great blessing. I feel grateful for this cure, and shall gladly answer any inquiries from persons suffering as I did."

NO FREE BREAD IN BERLIN CAFES NOW

BERLIN, Feb. 4.—The allied association of the restaurant and hotel keepers of Berlin have decided to charge for all bread served at meals.

A despatch from Dresden says the municipal council has decreed that all the bread baked in Dresden conform to the government's standard.

Berlin stockyards report a further increase in the price of hogs. The highest quotation is 105 marks ($26) per 110 pounds.

OFFICIAL AT FAULT IN HIS GEOGRAPHY

TORONTO, Feb.4.—A sensation was created among members of the Toronto Board of Trade today when the Canadian customs officials at Niagara Falls, Ont., notified the Maple Leaf Milling Company that a consignment of their flour, destined to Salonika, had been seized as contraband of war. The flour had been sold by the Maple Leaf to a British buyer, who had ordered it sent to this port in Greece.

Investigation proved that the Niagara Falls custom official was not aware that Salonika, formerly a Turkish possession, now belongs to Greece. The customs officials were notified of their mistake, and the flour will be despatched at once.

THE KING CONFERRED WITH GEN. FRENCH.

LONDON, Feb. 4.— Again, unknown to the British public, Sir John French, Commander-in-chief of the British forces in France and Belgium, has paid another flying visit to London, conferred with the King and the War Council and returned to the front without a word of his trip appearing in the newspapers. Countrary to precedent, the King called on Sir John at his residence, 94 Lancaster Gate west, instead of Sir John going to Buckingham Palace.

Sir John crossed the Channel and reached London on Tuesday morning, January 12. Dressed in a brown suit and a derby, no one recognized him either on the train from the coast or when he stepped from a motor car in front of his house.

His first caller was Premier Asquith, who remained about an hour. The Premier was followed by Winston Churchill, First Lord of the Admiralty, and he by Lloyd George.

It was evening and dark when the King arrived by motor. No one knew of his coming, and there was no crowd to greet him. It is doubtful even whether Sir John's butler for the moment recognized the distinguished visitor.

For more than an hour the King remained with Sir John in a conference in which they alone participated. What they discussed it will remain for some future chronicler of the war to disclose. London's dim street lamps were lighted when the King left. His departure was an unostentatious as his coming.

Next day Sir John, dressed in the same brown suit and wearing the same derby, took train from Charing Cross Station for Dover. There he boarded a cruiser for Calais. To guard against mines or sudden attacks a destroyer preceder the cruiser and at each side of her steamed a battleship.

YOUNG CANADIAN OFFICER KILLED AT THE FRONT

TORONTO, Feb. 5.—Harland Walker has received a cablegram notifying him of the death of his cousin Lieut. Norman C. Nelles, a son of Colonel Charles M. Nelles, who was with the Northampton Fusiliers at the front. The late lieutenant, who was a native of Brantford, and a resident of Toronto, left here to join his regiment in London about the end of October, going to France on his twenty-first birthday.
