Optical Results

Every Optometrist looks for results from his work. If he isn't getting good results from his corrections he gradually loses his standing and his patients drop off. We are getting results from our correction and that is the reason our Optical business is increasing. Our Optical Service is superior. Patients tell us that before we came to Montague they had to go to Charlottetown or elsewhere to have any special work done. Now, that is all changed and they can get all special work done at home. We have the most modern scientific instruments for the detection of eye defects. So if in need of glasses come to us and get your eyes tested and insure best results.

JEWELLERS

AT PARKMAN'S OPTICAL PARLOURS, MONTAGUE

You will find no Shadows. Everything clear to the Eyes of the Public. Our principles are honesty and accuracy. Our Modern Scientific OPHTHALMOMETER (the only one in Kings County) as shown above also is honest and accurate. We have examined special cases with this instrument with splendid results where others failed to give true corrections. Who visits us? Those who are fanciers of good fitting eyeglasses.

Why can we satisfy both foreign and local customers? Because we have had the experience and want to impress on the public that we are the only graduate opticians of attendance courses in Montague. Do not have your Eyes examined by those who are merely experimenting. If the person is a juvenile it is all the more reason why the case should have prompt attention.

Childrens eyes are even more delicate and should receive the care of a Graduate Optometrist. We offer an unexcelled service.

Do You Know

That we operate the only Lens Grinding Plant on P. E. Island?

That we employ a skilled Surface Grinder, and are daily grinding from the rough glass—the most complicated kinds of lenses?

Those are facts, which mean a good deal to the Glass wearing public, doing away with the annoying delays caused by sending away for special lenses.

Send your glasses in by mail, you'll get them back promptly and in perfect condition.

Call in and look over our plant.

Drink More Water If Kidneys Bother

Eat less meat and take Salts for Back-ache or Bladder trouble

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a teaspoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

PUT CREAM IN NOSE AND STOP CATARRH

Tells How To Open Clogged Nostrils and End Head-Colds.

You feel fine in a few moments. Your cold in head or catarrh will be gone. Your clogged nostrils will open. The air passages of your head will clear and you can breathe freely. No more dullness, headache; no hawking, snuffling, mucous discharges or dryness; no struggling for breath at night.

Tell your druggist you want a small bottle of Ely's Cream Balm. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, and relief comes instantly.

It is just what every cold and catarrh sufferer needs. Don't stay stuffed up and miserable.

RED ROSE TEA "is good tea"

WE were among the first to put up tea in sealed packages.

We were the first to use automatic electric weighing machines so as to insure accurate weights.

We were the first to make known the qualities of the now world-famous ASSAM teas.

And we are now the first to adopt a new package for the better protection of these fine quality teas.

The lead package has served its purpose well for generations, but it was easily broken or torn, allowing not only a loss of tea from the package but exposing the tea to the air, odors and dust that it was so necessary to protect the tea against.

Our new package—the waxed board carton—is stronger, more secure and more completely air tight; altogether the best container for tea that has yet been devised.

Red Rose Coffee is as generously good as Red Rose Tea

"After the Storm"

Buy War-Savings Stamps at \$4.01 each as often as you can. Build up a strong investment in Government securities bearing high interest—and help to finance the Reconstruction.

Our soldiers are being disbanded and returned to civilian life, as poster picture indicates. There is urgent need for the production of more food and other supplies, as well as the means to carry our products. All these things are for Canada's good, and are essential to Prosperity.

But they necessitate the Government spending large sums of money, and this money must be borrowed at high rates of interest.

In order to keep this interest in Canada and to give EVERYONE a chance to profit by it, the loan is floated in a denomination of only \$4.01, maturing on the first day of 1924, at \$5.00.

In order that even the smallest savings shall share the privileges of the War-Savings Stamp plan, THRIFT Stamps may be purchased for 25 cents each, sixteen of which affixed to a Thrift Card, will be exchanged for a War-Savings Stamp.
