His Worship Mayor Wright has received the following complimentary letter which speaks for itself:— To MAYOR G. D. WRIGHT, Chairman Sub Committee, R.A.F. City Hall, Charlottetown. I have been constantly informed by my officers in charge of Recruiting of the sterling service you have rendered in connection with recruiting for the Royal Air Force in Canada. I wish to take this opportunity of thanking you for your aid and congratulating you upon the splendid results achieved through your efforts. I wish also to say that it was not until Civilian Recruiting Committees were organized throughout Canada that a sufficient supply of Cadets was ensured, and the success of our efforts in establishing training guaranteed. You will be interested to know that we have sent Overseas 2538 trained Pilots, while we have 552 in Canada, who have completed their training. These figures are considered very remarkable in England.
