THIS country is a vast checker board, in which the Old Town Spirit and the New are striving for the mastery. Old ideas die hard. The Old Town Spirit is "each man for himself and the devil take the hindmost". This means the mastery of the few and the subjection of the many. But the New Spirit means the Co-operation of all. It brings LIFE and HAPPINESS to the many. Is the New winning over the OLD in OUR community? And how do WE as individuals stand in this game of Community LIVING? Are YOU playing the game for your TOWN? Or are you playing it for YOURSELF alone? Remember you can't stand still. On your MOVE the result depends. Then let the Spirit of Progress win.
